STUDENT CENTER BECOMING A REALITY

The long awaited new student center and gymnasium is no longer just an artist's conception, but a living reality. At this writing the huge concrete columns are in place, the plumbing is nearly completed, and the walls are beginning to rise. The new building measures 151 feet by 153 feet and will measure 38 feet at its highest point. Upon completion this edifice will house four locker rooms, a regulation basketball court with two cross-courts each larger than the one now in use, a snack shop, book store, lounge and game room, athletic offices, a large banquet hall, and will have a seating capacity of about 2,000 for athletic events.

According to President James Jeremiah, it is hoped that the book store and snack bar will be ready for occupancy by September 2, and that the entire building will be completed by October 1.

LANE MOODY TO JOIN FACULTY

President James T. Jeremiah has announced that Mr. Lane Moody has accepted the position of Instructor in Physical Education at Cedarville College beginning September 1. Mr. Moody is a graduate of Cedarville College, class of 1958. Upon his graduation, he accepted a position with the Newhall, Michigan Public School System in the field of physical education where he served for two years. He then enrolled at Western Reserve University where he received his Master's degree in June, 1961. He is presently terminating a position with the Greater Cleveland Public Schools where he has served during this past year.

Both Lane and his wife Pat, also a former Cedarville student, are anxious to begin their new duties. They and their two daughters, Debbie and Linda, will reside on Palmer Drive in Cedarville.

DEGREE GRANTED

Miami University, Oxford, Ohio conferred the degree Master of Science in bacteriology upon Mr. Warren L. Woodard, June 10, 1962. Mr. Woodard is a graduate of the class of 1960.

More and More, graduates of Cedarville College are entering into graduate studies. Admirable records are being established. This is highly gratifying to the Faculty and Board of Trustees.
