CEDARVILLE COLLEGE LIB.  
CEDARVILLE  
OHIO

March, 1963

## ALUMNI-FACULTY NEARING PH.D.

A striving toward academic excellence is a never-ending endeavor. It must be one of the foremost objectives of any institution of learning. The academic stature of colleges and universities is to the greater degree directly related to the achievement of its faculty.

Over the years the academic atmosphere of Cedarville College has been progressing. This can be directly slated to the ever-increasing academic status of the faculty. Obtaining qualified personnel and upgrading those already on the faculty has been and is now paying dividends.

Obtaining qualified persons to add to the faculty is a difficult problem, especially when added to professional preparation are the spiritual qualifications demanded by our college. This fact has led to the selection of some who have demonstrated from the ranks of the Alumni. Two such gentlemen are John Brumbaugh ('58) and Ray Bartholomew ('57).

Mr. Brumbaugh has been on leave for the past three years at Iowa State University, Ames, Iowa, engaged in graduate study in Developmental Genetics. According to a recent communication, he is in the process of writing his dissertation and expects to receive the Ph.D. in May. His teaching duties will resume in September.

Mr. Bartholomew has been granted a leave of absence for the second semester and is currently pursuing research at Western Reserve University requisite to the writing of his dissertation. He expects to receive the Ph.D. in August and will then resume his teaching duties in September also.

Both of these men have compiled exceptional records in their individual courses of study. This is a tribute to their Lord, their Alma Mater, their families, and themselves. The Alumni Association extends to each of them best wishes for continued success.

## COMING SOON

The annual spring banquet and business meeting of the Alumni Association is not far away. Saturday, May 25 is the date. Plans are being made for a day of fun and fellowship. Mark the date in red letters on your calendar and plan to attend. We hope that this will be the best attended meeting in our history.

As soon as plans are complete we will release them to you. Until then, **KEEP THE DATE OPEN!** We promise blue skies, sunshine and no mud (we hope).

## WE NEED YOUR HELP

Several have requested information pertaining to friends and former classmates. Beginning in the near future, we plan to feature a "Class of the Month," starting with the Class of '54, the first class under the new administration. Also featured in one issue will be the graduates of B. B. I. who have expressed a desire to remain a part of the Alumni Association.

Cards will be sent to you requesting information. Your cooperation in filling them out and returning them promptly will be greatly appreciated and will expedite the compilation publication of the data.

## THE F. A. A.

The ranks of the F. A. A. (Future Alumni Association) are continually swelling. Recent additions:

Minda Lee, born to Mr. and Mrs. Merlin Ager ('60), November 22, 1962. "A little turkey" so say her parents.

Sandra Lei, born to Mr. and Mrs. Dwayne Frank ('60), January 7, 1963.

Donita Carol, born to Mr. and Mrs. Don Sewell, ('60), February 28, 1963.

Cheerleaders are fine, but don't forget, we will also need basketball players in 1982!!

Congratulations!

## WEDDING BELLS

Miss Martha Hall (B. B. I. '53) was married February 28, 1963 to Harry E. Rose. Best wishes.

## TIME'S A-WASTING

Spring is almost here. Most thermometers are on the rise. This one is hardly indicative of the weather. May 25th is just around the corner. Much remains to be accomplished, if we are to reach our goal. Put your check in the mail today. **WHAT HAVE YOU DONE TO HELP THE CAUSE??**
