# Men's Basketball Weekly Blog

January 30, 2017

The last couple of weeks for Cedarville men's basketball was a great example that hard work always pays off in the long run. The beginning of the season until about two weeks ago hasn't gone as planned, but we embodied one of our core values and just persevered through the rough times. Nobody on our team stopped working on their game, or got down on themselves. Our coaches also made some key adjustments to help us get to this point. Our coaches usually don't get a ton of credit, but this winning streak we are going on has a lot to do with what they have done. The last two weeks have been exactly what we have envisioned since our trip to Italy, and it's coming just at the right time.

As we are really heading into the thick of conference play it is important that we are playing our best basketball, so we can get a good seed for the conference tournament. I believe we are definitely on the right track to do this. We know as long as we get into the conference tournament with a decent seed anything is possible, and we are excited at the chance to win it all. This week of upcoming games is going to be huge for our team, so we would love all the support we can get! If we get two wins this week it would give our team a great boost in conference seeding.

We play Davis & Elkins Thursday (Start time is 7:45 p.m.) and we play Saturday against Alderson Broaddus (Start time is 4:15 p.m.). Both games are home so we would love your support!
