CEDARVILLE COLLEGE

CEDARVILLE, OHIO

A BAPTIST COLLEGE OF LIBERAL ARTS

"For the Word of God and the testimony of Jesus Christ."

Volume 41 March 1959 Number 5

Bulletin of Cedarville College
Published monthly by Cedarville College,
Cedarville, Ohio.
Entered as second class matter at the post-
office at Cedarville, Ohio, April, 1915 under
act of Congress of August 24, 1912.

THE PRESIDENT'S LETTER

Dear Friends:

Those of you who subscribe to the Baptist Bulletin will recognize the "invitation" reproduced on the reverse side of this letter. For the next few months the back page of this magazine has been reserved by Cedarville College. We hope to acquaint our constituency with the opportunities offered by their own liberal arts college. The reverse side of our bulletin can be used on your church bulletin-board and in that way others will be able to read the story of Cedarville.

We regret to announce that our Field Representative, Rev. E. A. Lockerbie, has resigned in order to accept the pastorate of the Bethany Baptist Church of Seattle, Washington. In his letter to the college trustees, Mr. Lockerbie said, "Believe me this is one of the hardest decisions I have ever had to make. I love the school, I love the work and indeed, the Lord has seen fit to bless abundantly through these seventeen months. We have seen many souls saved and a great number dedicate themselves to the Lord. I do trust the interest created in the school will increase." We trust our readers will pray for Brother Lockerbie as he enters his new field of service.

We are greatly encouraged by the growing interest in our college. According to a report from our registrar the applications are coming in at the present on a four to one rate over the same period last year. If this enrollment trend continues we will be facing building problems. How these problems can be solved we are not able to say, but we are confident that some way will be provided to train the young people who believe God leads them here for a Christian education. Plans are being made now to improve some of our present buildings but we will need a great deal of money to do this work.

In our next Bulletin we hope to have an announcement about the teacher training program which will be put into operation this fall. Young people interested in this type of training should write today for detailed information.

When Paul saw some of his Christian brethren on the way to Rome, "he thanked God and took courage." (Acts 28:15). When we see the Christian concern for the Lord's work at Cedarville we also "thank God and take courage."

Sincerely in Christ,

James T. Jeremiah
