March 30, 1959

Dear Friend:

No doubt you have already heard that I am no longer the Field Representative for Cedarville College. I would like to tell you my reason for this change.

For some time my doctors have been recommending that I give up my traveling ministry, and more recently they have insisted. I will not weary you with details; it is strictly a matter of diet. (Perhaps like Timothy I have found ulcers to be the occupational disease of the Evangelist.)

I have greatly enjoyed working with Mr. Jeremiah and his staff and faculty at Cedarville, and it is with a sense of loss personally, that I give up my position. The school is growing, and with the blessing of God we look to a good future and an expanding ministry to our churches as our graduates go out into the fields of teaching, business, and to the Mission Fields. Among the students is our own daughter, a Registered Nurse, taking further studies with a view to serving the Lord where He will lead her.

To the Pastors who have opened your churches to me, I am indebted and will always remember the blessing and the victories - and the trials we have shared. We would not forget the fun we've had too, in the parsonage.

And to the many kind ladies who have been my hostesses, carefully providing the prescribed 'nuisance diet', I say a warm 'thank you'. Please try to remember the blessing of the meetings in spite of any inconvenience I may have caused you.

Put Cedarville on your prayer list; support the college in every way and you will be rewarded by sharing in the ministry of young lives trained in a true-to-the-Word, Baptist atmosphere.

This letter comes to you from the Pacific Northwest. I would value your prayers as I begin my ministry as Pastor of Bethany Baptist Church in Seattle.

Sincerely in Christ,

TEACHER EDUCATION Beginning September 1959

By arrangement with Central State College (located four miles from Cedarville), we have established what we believe will be a very attractive program for prospective teachers at either the elementary or secondary level.

It will be possible for a student during a four year concentrated program to receive a Bachelor of Science in Education degree from Central State College and a Bachelor of Arts degree, with a major in a subject matter area, from Cedarville College. If a person, due to employment problems is unable to carry the heavy load of a four year program, he may extend it to a five year period.

All of this can be accomplished while living on the Cedarville campus, and participating in the spiritual and social activities of the college.

The following teaching fields are available in secondary education:

- (1) Biological Science
- (2) Business Education
- (3) English
- (4) General Science
- (5) History and Government
- (6) Mathematics
- (7) Physical Science
- (8) Music Comprehensive
- (9) Physical Education
- (10) Science Comprehensive
- (11) Social Studies Comprehensive

A student must take a minimum of two teaching fields or one comprehensive teaching area. It is advisable, however for a student to take three teaching fields or one comprehensive area plus one teaching field.

It will be necessary for a student in secondary education to take approximately 22 credit hours at Central State College, while for a student in elementary education it will be necessary to take approximately 34 credit hours at Central State College. The rest of the credit can be taken at Cedarville, thus in general, at least three years of work can be taken at Cedarville College, while all four years will be spent in residence at Cedarville.

WE MEAN BUSINESS!

Yes, we are determined that Cedarville College shall fulfill the responsibility to which God has called it "for such a time as this." But we also MEAN BUSINESS when we announce
