Cedarville College has completed its most successful year. With applications still coming to us at the rate of two to one over last year, it would appear that the fall semester will see the largest enrollment in our history.

The summer months always prove to be difficult from a financial standpoint. We have no income from students during this period and regular gifts drop off because of vacations. You can help us meet this problem by filling out the coupon on the reverse side of this bulletin, clipping your gift to it and mailing it to the college. We need your help now to meet payroll and operating expenses.
