CEDARVILLE COLLEGE  
CEDARVILLE, OHIO 43314

## *The Miracle*

From early childhood . . . through student days . . . to adult achievement . . . discovery is a continuing process of life through which each must pass. It may be through music or the scientific realm, by the gaining of knowledge and skills in a classroom, by diligent, constant study on our own, or through the guidance and instruction from those who help in molding our lives for the future.

Discovery is not all hard work. Joy, pleasure, and lasting friendships help to make it a pleasant experience, whether through student parties, roommates, or the exercising of our bodies in sports. Yes, life is discovery. Only time, work, and study will reveal the fulfillment of that dream of early childhood as it becomes a reality at Cedarville College. Herein is recorded one year of our great discovery.

#### PRESIDENT'S MESSAGE

The dictionary says that to "discover" is, among other things, "to obtain first the knowledge" of anything. We discover what existed before, but remained unknown. How grateful we ought to be that God has made Himself known through His word. The greatest discovery any person can make is the glorious truth of the Gospel, that God has provided a remedy for the most hopeless sinner.

What is the greatest discovery ever made by any human being? Is it geographical, scientific, intellectual? We dare say it is spiritual, for nothing can surpass the tremendous importance of a person's right relationship to God for time and eternity. If we have discovered by Divine illumination that as guilty sinners we may have a glorious standing before God through His Son, we have made the greatest of discoveries. "To whom God would make known . . . the riches . . . Christ in you, the hope of glory." (Col. 1:27). This is wealth unsurpassed. It is our prayer that young people who come to this school may learn how to make a life time of discovering how wonderful Christ really is, being so impressed with His person that they will spend a lifetime to tell others what they have found in Him.

*James T. Jeremiah*

From early childhood . . .

. . . through student days . . .

. . . to adult achievement . . .

. . . discovery is a continuing process of life through which each must pass.  
It may be through music or the scientific realm . . .

... the gaining of knowledge and skills in a classroom ...

... by diligent, constant study  
on our own ...

. . . all guided and instructed by those who help in molding our lives to the future . . . these, our professors.

Discovery is not all hard work.  
Joy, pleasure and lasting friendships  
help to make a more pleasant experience . . . whether through student parties, roommates or . . .

... by the exercising of our bodies in sports.

Only time, work, and study will reveal the fulfillment of that dream of early childhood as it becomes reality at Cedarville College . . . our great discovery.

# *DEDICATION*

Because of your vast contributions to the academic, social, and spiritual welfare of our school, we the Junior Class proudly dedicate our yearbook to you Dr. and Mrs. Clifford R. Maddox.

During your years at Cedarville you have given unselfishly of your time and talents to the betterment of our school. Your untiring enthusiasm and faithful service will long be remembered as contributing factors in our school's history. We cannot even begin in this short space to enumerate your efforts put forth to help Cedarville College grow in the wisdom and knowledge of our Lord.

We, the Junior Class, sincerely thank you and will continue to uphold you in prayer as you labor for Him who loved us and gave Himself for us.

## *Baseball*

The 1958 Yellowjacket baseball team found the going hard during the season, winning one and losing fourteen. The loss of several players at the beginning of the season handicapped their efforts. Most of this year's team are returning next year and with the prospect of new talent better things should be in store for the Jackets.

Last spring the Yellowjacket netters found that the season was harder than anticipated. The squad won two out of their six games. In the Mid-Ohio League the Jackets tied for second place. Next year promises to be better with all this year's squad returning except Dick Wentzel and Land Moody who were lost by graduation.
