DEDICATION

"An institution is the lengthened shadow of one man." Ralph Waldo Emerson

As the man, so the institution. One of the most important reasons for the success and growth of Cedarville College is the influence and personality of its president—Dr. James T. Jeremiah. Eleven years ago he came to us by faith, prepared to meet the challenge of a newly-organized Baptist college. As an able administrator, he has successfully led the school through many times when progress seemed impossible and then forward into many new endeavors made possible only through careful planning and confident faith. His performance in the role of decision-maker has been one of the chief determinants of the bright future now taking shape for Cedarville College.

As a representative of the college, he is faithfully presenting to the public, and the churches in particular, the aims, growth, and needs of the school. He continues to win the admiration of many around the conference table or in the audience as he presents to them a dynamic institution created and working "for the Word of God and the testimony of Jesus Christ."

As a friend to all, he knows the faculty and many of the students personally. His pleasant greeting and warm personality are known to all. There is something attractive about this man dedicated first of all to the Lord and then to the task as President of Cedarville College.

It is to you, President James T. Jeremiah, that we, the students of Cedarville College, dedicate the MIRACLE of 1965.

Not lost but gone before . . . gone before to see Him whom we know but in part . . .

# Challenged by Word . . . by Prayer

In a world of challenges, a no more effective one than to live a truly dedicated Christian life could be given to Christian college students. Those accepting this challenge from Rev. Donald Tyler during the Fall Bible Conference know what it is to have real joy in serving Jesus.

Highlighting the week-long conference, the Fall Day of Prayer was a special blessing to all. The day, set aside for prayer, provided the needed time apart with the Lord before plunging into the activities of the year.

# BIBLICAL EDUCATION

"The English Bible,—a book which if everything else in our language should perish, would alone suffice to show the whole extent of its beauty and power."

- Macaulay

Showing not only the power of the English language but primarily the power of God, the Bible stands as the supreme textbook of the Bible Department. Besides exploring the truths of the Scriptures, this department goes one step further and seeks to show how these principles apply to the daily Christian life. This trains the student in the way of God and most important of all stimulates his mind to regard the Word of God as a book alive with truths for him to discover.

### Christian Education in Action

One of the newer organizations on campus, Christian Ed. in Action, provides a place not only for learning about personal opportunities in this field but also for service to the school and area churches. In conjunction with the Music Department, the club presented the second annual Christian Education workshops program this Spring. Members also teach training classes for prospective teachers in the local churches.

Back Row, left to right: D. Durkee, D. Simpson, Miss Fisher, D. Dunn, T. Addleman, T. Rudduck, P. Bird, B. Meyers, B. Carlson, S. Eckert, S. Dufford. Front Row: B. Murphy, T. Petrie, T. Emerson.

### LANGUAGE AND LITERATURE

"Perhaps of all the creations of man language is the most astonishing." —Strachey

Language must be explored as well as taught to discover the true beauty of it. In the Language and Literature Department, both these methods are used to acquaint the student with some of the languages and their effective use. Literature in the languages taught—English, Spanish, French and German—is studied to show how the languages have been used effectively. In addition, the student is given practical opportunities in the areas of public speaking, radio work, dramatics, and creative writing to apply what he learns in this department.

Mr. Bergen

Miss Packard

### Whispering Cedars

WHISPERING CEDARS, the campus newspaper, is published regularly to serve as a means of communicating student thought and activities. Subscriptions were sold this year so that the paper now reaches many more people than it reached before. A helpful devotional column has also been included in each issue providing inspiration for many.

Mr. Greenwood and the Whispering Cedars staff.

Left to right: Chuck Truxton, Mr. Greenwood, and Mike Kellogg.

### Miracle

Careful planning and hard work go to produce the Miracle. These two things are necessary to give you a book that merits the name "Miracle" and one that clearly depicts Cedarville College—its people, activities, and the testimony it has through these things.

Left to Right: P. Brower, Editor; S. Lepine, Copy Editor; Mr. Spencer, Advisor; D. Pearce, Business Manager; S. Brown, C. Wilkins, Sports Editor; M. Woodend, R. Hartikainen, K. Farrell.

### Photo Club

One of the main functions of the Photo Club is to provide pictures for various campus organizations and in particular, the yearbook. Many hours are spent in taking the pictures and processing the film. The finished product then appears in student publications and promotional literature for the school.

Mr. John Reed

### WCDR-FM

Broadcasting on 90.1 megacycles, WCDR functions as a practical laboratory for students in radio broadcasting. The station operates on an educational, non-commercial basis, providing programming for the campus and community. Programming is geared to the areas of education, religion, public service, public relation, and entertainment.

Mr. Paul Gathany

### Sock 'n' Buskin

Using traditional dramatic symbols for their club title, Sock 'n'
Buskin is made up of those who have participated in campus dramatic productions. Members of this organization do most of the behind-the-scenes work on the annual plays and this year on the movie that is being filmed on campus.

### **SCIENCE**

"Science is vastly more stimulating to the imagination than are the classics."

-Haldane

Science is not just a static collection of facts and formulas. It is a dynamic study—one whose doors open to those who are willing to explore it. In the Science Department, math and science students are stimulated to delve beyond the formulas and equations to see why things work and behave as they do. This pursuit ultimately leads them to see God working in and through His universe; thus, strengthening their Christian faith.

Mr. Wetzel

Students interested in science beyond what they learn in the classroom constitute Pi Delta. Speakers address the group on various science-related subjects and informal discussions are held. Most of the meetings are opened to the public since many timely subjects are presented.

### SOCIAL SCIENCE

"... A life is beautiful and ideal, or the reverse, only when we have taken into our consideration the social as well as the family relationship." — Ellis

Man through the ages has had social interaction with his environment as well as with other men.

The purpose of the Social Science Department is to show the student the significance of this interaction. Courses are offered in both history and sociology since each area is important in order to understand the total picture of man's reactions and interaction. Once the overall view is achieved, courses of a more specialized nature are studied.

### Conservative Club

Left to Right: G. Fisher, R. McDugle, R. Clater, A. Sweeney, Mr. St. Clair, Advisor; I. Milliken, D. Entner, W. Pierson, J. Stockwell, T. Jager.

### Conservative Club

An aired interest in politics is not a prerequisite for membership in the Cedarville College Conservatives; all one needs is an awareness of and an interest in what is occurring around him. The club is basically a discussion group with visiting speakers who examine and perhaps present solutions to many of the current affairs.

Also, this year the group sponsored a College Bowl on an intra-class basis.

Mr. Kenneth St. Clair

### BUSINESS ADMINISTRATION

"He profits most who serves best."

-Sheldon

One step further—he serves best, who prepares best. These two ideas are literally true in the business world. Realizing this challenge, the Business Department offers excellent preparation to the student desiring a career in business. He is taught to serve in the business world and the church as a trustworthy servant of God.

Mrs. Ardith Webber

Mr. Nick Frost-ACCOUNTING

## Future Business (Associates)

Future Business Associates accommodates the students of one of the fastest growing academic departments of the school. The club is organized to promote possible future employment and to provide an opportunity to view the business world in action. In order to do this, speakers from various areas of the business field address the groups and towns of plants in the vicinity are taken.

Front Row, left to right: Mrs. Webber, K. Mansfield, K. Gilden, B. Randall, L. Shaw, M. Young, L. Young, Mr. Wyse. Back Row: E. Acker, D. Wilhite, D. Stephens, W. Pierson, J. Zigler.

# HEALTH AND PHYSICAL EDUCATION

"Every man is the builder of a temple, called his body."

— Thoreau

The aim of the Physical Education Department is to help build the bodies of those enrolled in its courses. For those majoring in this area, the department offers many courses designed to help the prospective physical education instructor build and train the bodies of future students. He not only learns theories of physical education but also applies them in the classroom in such courses as "First Aid," "Games and Rhythmics," and "Recreational Leadership."

### Mr. Moody

### Varsity C Club

Varsity C is made up of those men who have lettered in inter-collegiate sports. Perhaps the service they are remembered for most is running the concession stand at basketball games. They also perform other campus services and sponsor trips to athletic events for club members.

### PSYCHOLOGY AND EDUCATION

"A teacher affects eternity; he can never tell where his influence stops."

-Adams

The Psychology and Education Department has been a growing department with the granting of teacher certification in 1963. New courses are being offered each semester so that the class of 1967 will be the first class to have in its ranks certified teachers trained exclusively at Cedarville. These will be teachers who will be spiritually and academically grounded in the Word and able to teach in public schools, Christian schools, and missionary schools on the various fields.

Dr. C. Maddox

Mr. Ager

### FINE ARTS

"A man that has a taste of music, painting, or architecture, is like one that has another sense, when compared with such as have no relish of those arts."

-Addison

Aesthetic, as well as academic, values are considered at Cedarville. In the Fine Arts Department, those wishing to pursue careers in Art or Music are given intensive training in the classroom and also many valuable practical experiences. Even those who merely enjoy art or music are able to gain a more workable knowledge in these fields through the course of Art and Music appreciation.

### The Brass Quintet

### The College Band

The band has contributed much to the various school activities this year. Not only did it expand in size but also in the number of performances. Many of the appearances were off campus: the marching band participated in several community parades, the pep band followed the team to an away game and the concert band performed in Cincinnati and Piqua. On-campus performances were highlighted by the Spring band concert.

## Christian Service

Each week, several college students serve the Lord in their Christian Service assignments. These are opportunities for students to apply many of the things they have studied as they talk with people: men in jails, women in the rest homes, children in Sunday School and Bible clubs. The assignments are both challenging and rewarding as many are saved through this personal contact.

Coach Callan

#### LEAGUE CHAMPS

Basketball Season 1964-65 proved to be one which will long be remembered. It saw the Jackets compile a fine 23-4 record, capture the M.O.L. Trophy, going undefeated in the league, and for the second year in a row, advance to the finals of the N.A.I.A. District # 22 Playoffs.

The Jackets dominated the league in scoring, defense, rebounding, and shooting percentages. Also, three Jackets were named to the All-League First Five.

Although Coach Callan is losing the likes of Mark Combs, Gary Walthall and Dozier Carter, the future bright with such freshmen as Larry Waite, John Watson, Gayle Bradds, and Al Knott.

Al Knott, in particular, finished the season averaging 19 points per game, second to "Mr. Basketball"—Dozier Carter at 19.5 points per game.

Left to right: Gary Shufelt, Gary Drill, Vern Hooper, Don Cooper, Gayle Bradds, John Watson, Gary Walthall, Larry Richardson, Jack Brannon, Mgr., Al Knott, Dave Thorne, Mgr., Coach Donald Callan. Foreground: Co-Captains Dozier Carter and Mark Combs with M.O.L. Trophy.

#### CARTER BREAKS RECORDS

Dozier Carter will undoubtedly go down in the annals of Cedarville as one of the greatest players ever to grace its basketball court.

During his four years at Cedarville he amassed a total of 1774 points and over 1500 rebounds. The following awards were accorded him: All-M.O.L. all four years, All-N.A.I.A. District # 22 First team, his junior and senior years, captain of the Jackets his last two years, and M.V.P. his junior and senior years.

His accomplishments include setting the single season scoring mark at 559 his junior year, and shooting over 50 per cent from the field his last two years. Perhaps his most memorable feat occurred January 15, 1965, setting not only a single game record, but also a field house record of 49 points against Spring Arbor College.

Dozier Carter, basketball player supreme, sportsman, and one of the finest Christian athletes to pass through the halls of Cedarville will be missed by all and forgotten by none.

# Spring Bible Conference

Guest speaker, Rev. George Huffman, brought a week of inspiring Bible messages during the Spring Bible Conference. Ministering twice daily in chapel and also spending time in private counseling during the afternoons, he was a blessing to all.

The Spring Day of Prayer began the week of spiritual refreshment. It worked to set the mood for the entire conference.

#### Gamma Chi Presents . . .

#### First Annual Operetta

The Music Department marked another first by presenting the first annual operetta—a Gilbert and Sullivan favorite, "H.M.S. Pinafore." It was performed on March 5 under the direction of Miss Ruth Smith and Mr. Walter Meissner.

#### **Artist Series**

Artist series were fewer in number this year but their quality was by no means reduced from previous years. Presentations this year were by Miss Joyce Jones from Corpus Christi, Texas who performed brilliantly at the organ and a duo-piano concert by Miss Ruth Smith and Mr. Joe Zimmerman.

### **SPRING**

Spring is the wonderful renewal of many things . . . grass turns green again . . . campus benches and walks are used again for leisurely evenings together . . . the turtle tree reassumes its shape . . . after-supper softball games are organized . . . Mr. St. Clair's bicycle business booms . . . and convertible tops come down.

Spring is a flag blowing in the breeze.

Spring is an Ohio moon.

Spring is trips to night baseball games at Cincinnati.

Spring is mixing sunbathing with studies.

Spring is softball.

#### SPRING MISSIONARY CONFERENCE

March 31 to April 4 marked the sixth annual Missionary Conference sponsored by the Fellowship for World Missions. Missionaries, representing five different fields, challenged the student body during the morning chapel periods and the evening services. The Conference was held in conjunction with area churches so that they too could benefit from these excellent speakers.

#### Baseball

Baseball season 1965 was a new venture for the Yellow Jackets as they took the First Southern trip in the school's history. Although they encountered stiff competition from Union University of Jackson, Tenn., the experience was well worth the time spent there.

The remainder of the season statistically was 4-10 with victories over Ashland, Defiance, Bluffton, and Malone Colleges.

Co-captains Mark Combs and Al Merwald led the team. There was also timely hitting from Gary Shufelt and strong pitching from Charlie Wilkins.

## Track

Track at Cedarville was centered around

District 22 high-jump champion Bud Davis.

Bud was the standout for the Jackets in every

meet. At the District #22 trackmeet he broke

several records by leaping 6'8".

Due to lack of depth, the team could not compile enough points to have good showings in their meets, although they continually took many 2nd places. With returning lettermen such as distance men, Rich Davis, Tom Eliot and Al Traucht, the future for the Cedarville track team appears brighter.

## Tennis

The tennis team, 1-5 on the year, seemed to have had a disappointing season. Although this year was a rebuilding year, the team faired quite well, In the league meet in May, the Jackets finished 4th in the standings.

Left to Right: T. Oakley, M. Stephens, D. Bales, D. Pettit, D. Entner.

Left to Right: J. Hess, J. Engelmann, J. Miller, D. Pettit, J. Stadt, B. Kirtland.

## Golf

The golf team this year did considerably better than in previous years, although victories were few. With practically all returning lettermen, the scores should go down and the victories up this coming year.

## Spring Choir Tour

Spring tour took the College Choir to the East this year as they sang "for the Word of God and Testimony of Jesus Christ." The choir also presented a chapel service after the tour to relate some of the experiences and blessings of the trip.

## Junior-Senior Banquet

"Stairway to the Stars" was the theme of this year's Junior-Senior banquet. It was held in the Hall of Mirrors, Netherland Hilton Hotel in Cincinnati on May 15. Special music was provided by Mr. Donald Owens from Memphis, Tennessee, and the guest speaker was Dr. Hugh Horner from Sandusky, Ohio.

# THE UGLY AMERICAN

On May 7 and 8, the Dramatics Department presented "The Ugly American" by Bernard Lubar, an adaptation of the novel by Lederer and Burdick. The play was under the direction of Mrs. Miriam Maddox.

## Honors Day

Honor students were recognized this year at a special chapel service on May 8th. Certificates were awarded at this time for academic achievements throughout the year. A luncheon was also held on Saturday afternoon to honor these students.
