Lady Jacket Volleyball Blog

October 24, 2011

Wow, what a week it has been for the Cedarville volleyball team! I would compare this week to a crazy roller coaster ride, some very low points but also some very high points. Let's start with the lows because I am the type of person who always wants the bad news first, so here

"discuss" responsibility. Coach's definition of discussion is very different than you might think. Basically, we "discussed" responsibility between suicides that seemed unending. The object of our discussion was to remind the team of our goals not just on the court but also in the classroom, in the locker room and in our lives as a whole. The lesson was needed and provided incentive to finish the season in a responsible and respectful way

Low point number two came on Tuesday when we played Malone for our Dig Pink benefit night. The Dig Pink part went well and we are grateful for that. However, the match did not go as well as we would have hoped. As you may already know, we beat Malone earlier in the season at their place in three sets. That was a great match! Unfortunately, they returned the favor by beating us in three in our gym. The scores of the sets were 25-20, 25-17 and 26-24. We played well and fought hard in the last set but did not come out on top. This match was disappointing to say the least.

Ok, that's enough lows don't you think? Let's talk about the high points of the week! Wednesday's practice was awesome! I think it was exactly what we needed coming off of Monday and Tuesday. We split into two teams, Team Walters and Team Wenny, and had a super fun game day. This included dodge ball, round up and some volleyball too! It was a great time for our team to refresh and recharge for the rest of the season! Little did we know, that practice actually had a point besides having fun and that was to try out a new line-up! We switched a few players around to hopefully improve the team and to surprise other teams with a roster different than their scouting reports.

Friday's match against Notre Dame was another high point of the week. We got the chance to try out our new line-up and we won in three! Wooo! The scores were 25-18, 25-17 and 25-19. But even more exciting than the win, was what happened after the match was over! For the first time in four years, Notre Dame let us pray with them after the match! We were super pumped about this opportunity and it was a good reminder of our most important goals

Overall, it was a crazy week but I think we have come out better for having been through it! We are playing Walsh on Tuesday and we are looking to build on the latter half of the week as we push toward the end of our season. We appreciate your support through the highs and lows and we are excited about the coming weeks!

For His Glory! Go Jackets!
