ALUMNI DIRECTOR

On February 10, 1969 I began my new position as your Alumni Director. Mr. Ralph Yarnell has taken a leave of absence to serve our country in the U. S. Air Force.

My service opportunity as your Alumni Director is one that I consider to be a tremendous privilege. Service with the Alumni through the executive committee has provided some valuable background experience. This full-time opportunity will provide me with some challenging, refreshing, and creative experiences that were not possible in my sales experience in business.

So many vital areas have seen progress here at "Cedars" that I find it challenging to get re-orientated to college life and campus expansion. It will be vital for smooth running and effective communications, that you, our vital assets, be kept abreast of the needs and resultant blessings here at Cedarville College.

We are wanting to fulfill the needs and also benefit our purpose by operating at peak efficiency on future programs that will involve you, the Alumni, that represent specific and important areas of our great Alumni Association.

Sincerely,
Ty Bryant
