It has been accepted for inclusion in Cedarville College Bulletin by an authorized administrator of DigitalCommons@Cedarville. For more information, please contact digitalcommons@cedarville.edu.

A NEW "FIRST"

We are seeing notable examples of God's blessing upon the lives of our students. They come here because they want a Christian education, and we believe God honors them for this. Consider the experience of Jim Entner, one of our seniors.

Jim is the son of a medical missionary, and he believed that God wanted him to serve as a missionary doctor. When he applied to Cedarville College, we told him quite frankly that we could not offer him a pre-medical program approved by the American Medical Association; and that, because of this, a degree from Cedarville would most likely not get him into medical school. We suggested that he could take a year or two here and then transfer to an A. M. A.-approved school.

Perhaps Jim had more faith than we did. He would not transfer. He made a very fine record as a science major, taking all of the Bible courses he could work in. He did his best, and God took it from there. He recently learned that he has been accepted by the school of his choice, the University of Indiana Medical School.

Jim is thus the first of our graduates to enter medical school. Not, however, the first of our students to be admitted to medical school. We believe that God will make him successful in his medical studies. We also hope that this will be the beginning of a new door of opportunity for Cedarville students, although, of course we still cannot guarantee that all interested graduates will get into medical school.

STUDENTS SEEK \$18,000

Applications for admission into Cedarville College are being received on an average of two-to-one over last year. This means additional facilities must be provided if we accept the qualified applicants. Not only will we need more dormitory space, but classrooms, as well.

The Board of Trustees has approved a plan which will help the College in a number of areas. First of all, we must have a larger auditorium, since Milner Chapel will seat only four hundred. In order to meet this need, we would "move" our chapel to the present gymnasium and turn Milner Chapel into a classroom building.

This, of course, would necessitate the erection of a new gymnasium. When this building is erected, it would provide space not only for a legal size basketball floor, but also space for a much-needed recreation area. The bookstore, snack bar, and students' lounge would be transferred from the men's dorm to this new recreation building. This would enable us to turn all of the dormitory building into housing space for men.

A new recreation building can not be erected for less than \$100,000. Since this structure can not pay for itself as the dormitories do, we cannot sell bonds to finance its construction. Before we build, we must have the money.

COLLEGE FAMILY SEPTEMBER 1960

Our students need and want this new building. Their interest has been demonstrated by their willingness to raise over \$18,000 for the project by May 1st. In a recent chapel service, 184 students said they would try to give or raise \$100 each by that date.

If all who read these lines would respond to this project with enthusiasm equal to that of our students, we could build and move into the recreation building by September 1st!

CEDARVILLE SHARES IN ESTATE

Recently Cedarville College received \$1,743.57 from the estate of Opal Hagen Smith of Hagerstown, Indiana.

In keeping with the policy established by the Board of Trustees, this money has been placed in our endowment fund. Thus the portion of the estate designated to the College will help train young people for many years to come.

We are very grateful for the interest of one of our friends in thus remembering the College in her will.

The Endowment Fund of the College has been slowly, but steadily, growing during the past two years. All money received from the matching-gift programs provided by a number of business concerns, is placed in this fund. 'As mentioned above, money acquired from estates is placed in endow-

ment. In addition, some of our churches, and a number of individuals, have made contributions to aid the College in this manner.

THEY ALSO SERVE

We are most grateful for the many individuals and churches who contribute regularly to the General Fund of the College. Without these gifts, we could not meet our financial obligations, since the student's tuition and fees does not pay the total cost of his education.

Some churches not only give financially, but also aid by working on special projects. One of these churches is the First Baptist Church of Galion, Ohio, Rev. Wilfred Booth, pastor. Each year, since the present administration has operated the College, this church has conducted a 'Harvest Home' service during the Thanksgiving season.

This year, President Jeremiah and the girls' trio held services on the Sunday designated, and in behalf of the College received the many items of food which the members of the church had contributed. One of the College trucks went to Galion to bring this food back to the College.

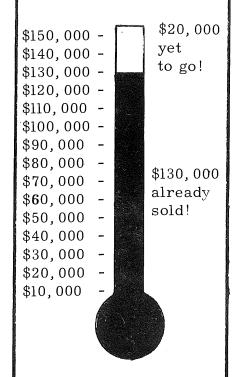

We appreciate this great contribution on the part of the Galion church. Perhaps your church may be interested in a Cedarville College project. Remember, there are many ways you can serve your college in addition to giving of your money.
