Dear Fellow Alumnus:

A record enrollment at Cedarville College will find many improvements and an exciting year ahead. Almost one thousand students will discover a newly-constructed lounge at Patterson Hall, a refurbished Harriman Hall, another dorm--a renovated home near Harriman Hall, and numerous other improvements in the physical plant. Soccer practice will begin, initiation will properly introduce freshmen to college life, and Dr. Charles Ryrle, of Dallas Theological Seminary, will set the pace with a spiritual challenge at the annual Fall Bible Conference, October 4-8.

Several other important events are contributing to an air of expectancy at Cedarville. A visit from an examining committee of North Central Association of Colleges and Secondary Schools is expected for this fall. Plans for a ground breaking for the new Science Complex are in the offing. Approximately \$380,000 has been received to date for that project. A bond issue in the amount of \$1,500,000 is being floated. And, among the events in the artist-lecture series will be a visit from former astronaut John Glenn. Shortly, top-secret meetings to plan floats, late hours of stuffing chicken wire, and perhaps, studies--all sustained by cider from Baldwin's Orchard--will mark the beginning of Homecoming festivities.

Homecoming (October 16) will again feature a variety of activities centered around a theme taken from Psalms 106:8, "Showing Forth the Power of God". The Alumni Center, implemented so successfully last year, will again provide a focal point for fellowship. It will also offer all the ham and chicken one can eat for \$2.00. The Class of 1966 will hold its five year reunion and should be receiving further word on it soon.

Alumni will be involved in several activities between now and Homecoming. A nomination committee is preparing a slate of officer candidates to be elected. Suggestions for this slate, along with possibilities for Honorary Alumni and Alumni of the Year awards, will be appreciated. A proposal to move the annual spring meeting from Graduation Day to a time during and at the G. A. R. B. National Conference will be considered. Opportunity for Alumni to express themselves on these matters will be provided soon.

Funds received through June 30, 1971, in the fifth Annual Alumni Giving drive totaled \$17,019.00, a new record and up from last year by 23.2 per cent. The average gift size also increased, to \$47.67: but the percentage of donors dropped to 19.8 per cent. The chart below lists the final class ranking in the competition. Awards will be presented at Homecoming.

RANK	CLASS	AVERAGE GIFT SIZE	PERCENT OF DONORS	AMOUNT GIVEN
1	1964	\$ 68.01	23.0	\$1,904.32

	Pre-'54	76.89	15.2	2,614.33
	Total			\$17,019.00

The Alumni Associate program, entitling individuals giving a minimum of \$25.00 to free admission to home basketball games and to artist-lecture series, a bookstore discount of ten per cent up to ten dollars, and campus meals at cost for special events, has been expanded. It now includes free admission to drama events. The second year Associate Cards are being mailed to those eligible.

A list of those who have contributed during the last fiscal year is included. Those Alumni who qualify as associates are designated with an asterisk. Each alumnus should check to see that the data is correct.

In addition to our financial support, Cedarville College needs our earnest prayer. As the challenge and potential grows larger, so do the hazards and problems. Let's especially pledge to remember the school as a busy new year begins.

May the Lord guide you in your daily endeavors.
