"FOR THE WORD OF GOD AND THE TESTIMONY OF JESUS CHRIST"

OUR FACULTY

We regret that three of our faculty have felt led to serve in other areas and therefore will not be with us this coming year. Mr. Robert Underwood, who taught education and served well as our registrar, will be teaching in the Yellow Springs, Ohio High School. Mr. Paul Wyland, who taught history for many years at Cedarville, will be teaching in the Daytona Beach Junior College in Florida. Mr. Sherwin Bowser, one of our physical education instructors, has been invited to serve on the faculty of Kings College. We wish the very best success for these men as they take up these new responsibilities.

Eight new teachers will join our faculty September 1st. As a result of these additions, the present departments of the college will be strengthened and we will be able to begin three new areas of instruction. We hope soon to develop adequate courses so that majors may be offered in Psychology, Speech, and Art.

The following new faculty members will meet their classes at Cedarville for the first time on September 14:

Carol L. Barker, B.A., Bowling Green State University in Psychology; ThB., Baptist Bible Seminary, Johnson City, N. Y. in Theology; M.A., residence completed, Bowling Green, in Psychology; pastor and assistant pastor for 12 years.

Alberta L. Chaffe, A.B., Cedarville College, in Social Science; Graduate studies, Indiana University, 1960-61, in Library Science.

Austin Elmore, Pastor for 28 years, A. B., Wabash College, in Botany; Graduate study in Botany, Indiana University.

L. B. Frye, Teacher, John Brown University; B. S., University of Missouri, in Mechanical Engineering; B. D., Grand Rapids Baptist Theological Seminary in Theology; Graduate studies in Physics, Michigan State University.

Ralph B. Gale, Pastor for 22 years; Graduate, Moody Bible Institute; ThB., Northern Baptist Theological Seminary, in Theology; M. A., Loyola University, in History.

John W. Reed, Pastor for 8 years; B.A., Bryan College, in English; B.D., Grace Theological Seminary, in Theology; M.A., Bowling Green State University in Speech.

James E. Russell, Art Instructor, Asbury College and John Brown University; B. A., Asbury College, in English; B. D., Asbury Theological Seminary, in Theology; M.A., Ohio State University, in Art.

Ruth E. Smith, B.Mus., John Brown University; M. Mus., Conservatory of Cincinnati.

COLLEGE PURCHASES ANOTHER BUILDING

During the past five years, Cedarville has been offered a number of homes which are located in the village, but we have not been of the opinion that they would serve our purpose and therefore we have not purchased them.

A few months ago the home located directly across Main Street from our gym, owned by Mr. and Mrs. Virgil Sticka, was placed on the market. The trustees have purchased this property for dormitory use. We expect to house at least twenty-five women in this new dorm when classes begin in September.

The total purchase price was \$17,750. By October 1st, we will need \$7,750 in cash. For your encouragement, \$3,260 of the needed amount has already been given by friends of the college. If everyone who reads this announcement will give \$10.00 to this fund we will have no difficulty reaching this goal.

Please keep in mind that this building has been purchased so your young people may be able to attend Cedarville this fall. If the trustees did not acquire this property your boy or girl may have been refused entrance into college. Remember this when you are debating whether or not you should give to help meet this need.

BETHEL GETS A FACE LIFTING

This is the first summer for the past three years when Cedarville has not been in a dormitory building program. This year we have been concentrating on improving some of our existing buildings. A great deal of work has been done to better Rife Hall while extensive remodeling is being done to Bethel Hall.

This work, under the direction of trustee, James Richardson, will not only improve the outside appearance of Bethel, but also make it more enjoyable to our students. It is estimated that this work will cost \$10,000. Funds for this project must come from our general fund. For this reason it is imperative that our friends and interested churches continue to support the college in a sacrificial manner.

It is our purpose, not only to build new structures for college use, but to care for the buildings already in our possession. In this manner our facilities will continue to serve our young people for many years to come.

WHAT ABOUT THE NEW GYM?

Our students will return to the campus and discover that nothing has been done to build the new gym and student center.

There are a number of reasons why we have not been able to begin construction on this much needed building. The first and most obvious reason for the delay is the lack of adequate funds. To date, \$11, 761.43 has been given to the gym fund. We are very grateful for this money because it speaks of sacrifice on the part of many. However, we cannot begin construction of the student center until we have much more in the account.

The first estimate given on the student center area of the building was much higher than first anticipated. We are all aware that building costs are always increasing, but we were not prepared for the \$100,000 estimate given for this first unit. Further study may bring this construction cost within reach, but we cannot expect too great a reduction.

This proposed building is of great importance to the growth of our college. Without it we cannot increase our enrollment beyond what it will be this September. When the new gym becomes a reality, then we can use the present gym for an auditorium, the present chapel for class rooms, and the present bookstore-lounge for dormitory space. Our future growth is, therefore, dependent upon the immediate construction of this new unit.

"SERIES B" BONDS

Our new dormitories have been constructed with money invested in the college by our friends. \$150,000 worth of "Series A" bonds have been purchased. Now a new series of bonds is available to those who wish to make a worthwhile investment. When you purchase Cedarville College bonds you not only enable us to provide better facilities for our students, but receive a 5% return on your investment at the same time.

The new bonds are now ready for delivery. \$5,600 worth of "Series B" have already been sold. If you are interested in helping us by investing your money, please write to the Bond Registrar for further information. This is not an appeal for your gifts, but an announcement of an opportunity to help yourself and Cedarville College at the same time.

OUR PURPOSE

"The purpose of Cedarville College, a Baptist College of arts and sciences, is to offer its students an education consistent with Biblical truth." This statement of purpose, along with the related seven-fold objectives are found on page 8 of our current catalog.

We believe that since the God of the Bible is the God of truth, whatever truth we discover and in whatever field of learning, will in no wise be out of harmony with what is revealed in His Word when the Bible and the discoveries of men are properly understood.

Cedarville, then, endeavors to make all of its courses Bible-centered. We make no apologies for beginning each class with prayer, and seek to encourage each student to claim God's promise for wisdom (James 1:5). We seek to lead each student to a personal life-time commitment to Christ, as the secret of true happiness.
