"FOR THE WORD OF GOD AND THE TESTIMONY OF JESUS CHRIST"

### THE "NEW" BETHEL

Our one building project this past summer centered in the area of Bethel Hall. This included some changes in Rife Hall, located next door to Bethel, and a complete renovation of Bethel.

Originally, this building was an army barracks. Before the present administration took over the operation of the college, it was moved to the present site. It is a two-story structure and is now used as a dormitory for men.

This picture of Bethel shows it as it is today, after masonite siding was placed on all of the exterior and new aluminum windows were installed. The building was completely insulated. The interior of the outside walls was paneled. New steel doors were installed and a number of other

changes were made. Much credit for the "new look" of Bethel goes to trustee, James Richardson, who was the contractor.

It cost approximately \$10,000 to make these changes. Money for this project was acquired through the sale of bonds. You will notice from the bond report on page 4 of this bulletin that the Series B Bonds are being sold quite rapidly. Some bond money will be used toward the construction of the new Student Center.

### MEET OUR FACULTY

The Rev. Cleveland McDonald was reared in Avon, Ohio and was saved at the age of 12 in the Avon Baptist Church. After graduating from the Avon High School, he then enrolled in the Moody Bible Institute, where he received the diploma from the Pastor's Course in August 1945. His ordination to the Gospel ministry took place in the Avon Baptist Church in September 1945.

Mr. McDonald's undergraduate work was taken at James Millikin University in Decatur, Illinois where he received the B. A. degree in 1948. While in Decatur he served as Pastor of the North Woodlawn Baptist Church and later as Assistant Pastor to the Rev. George Bates of the Riverside Baptist Church.

The summer of 1948 was spent at the Wycliffe Institute of Linguistics at the University of Oklahoma in language preparation for the foreign mission field. Following this, Mr. McDonald and his wife were accepted as missionaries to Brazil by the

Association of Baptists for World Evangelism and sailed for that land in 1949. While in North Brazil, they engaged in general evangelistic work, and Mr. McDonald was also on the faculty of the Bible Institute of Bom Fin, a training school for national Christian workers.

Due to health difficulties, they returned to America, and later he became Pastor of the Swissvale Baptist Church in Pittsburgh, Pa. Under his leadership the church came into the fellowship of the GARBC. While in Pittsburgh, Mr. McDonald did graduate work at the University of Pittsburgh, where he was awarded the Master of Letters degree in 1956. He was elected to membership in the honorary society of Phi Alpha Theta, and was listed in the University Book of Scholars in 1957.

Since September 1957, Mr. McDonald has served as Assistant Professor of Social Sciences at Cedarville College. He has continued his graduate study at Ohio State University in Columbus where he is a candidate for the Ph. D. degree.

## ALUMNI GIFT

The Alumni Association has recently given \$600 to the college for the purchase of a Simplex Master Time and Program clock. One wall clock, controlled by this master for the hall in the Administration Building, has also been purchased. As funds are available, additional clocks will be purchased for the rest of the college buildings.

Miss Gerry White, the secretary of the Alumni Association, is shown here admiring this new piece of equipment. All of the faculty members are grateful to the Association because they can now begin classes on time. The students also say "thank you," since the class periods cannot be prolonged.

On numerous occasions, we have received letters from churches requesting information about projects in which a Sunday School class or youth organization may participate. The clocks necessary to complete this time and program system are suggested projects. They cost \$18 each.

---

## THE PRESIDENT'S APPOINTMENTS

December 10, First Baptist Church, Bremen, Indiana; December 16-17, Bethel Baptist Church, Gorham, New York; December 31, Bethel Baptist Church, New Castle, Pa., January 14, Riverside Baptist Church, Decatur, Illinois.

## PROSPECTIVE STUDENTS

Many young people are looking to Cedarville for a Christian college education. Requests for applications are being received every day. We are encouraged by this interest on the part of our prospective students.

In order to acquaint the young people of our churches with the program of the college, we extend an invitation to high school juniors and seniors to a day on the campus. We will provide overnight entertainment and meals for small groups of students who may wish to visit Cedarville. Please send reservations in advance.

## OPPORTUNITY UNLIMITED

The expansion program of Cedarville opens the door for our friends to invest in "Opportunity Unlimited."

The new Student Center, the next building on the schedule, is an "opportunity unlimited" because it will provide so much for such a comparatively small amount of money. Not only will this structure be a gymnasium, but by moving other activities into the building we will have a student lounge, a book-store, an auditorium, more class rooms, and extra dormitory space. We hope to begin construction on this Student Center in the spring, but this will depend on your response to this need.

The greatest return on your investment in "Opportunity Unlimited" will be the lives of the young people educated in this Christian college. Workers in the local churches, in addition to pastors, missionaries, and teachers, have already gone forth to serve Christ.

# *Cedarville Students Collect \$41, Finance Coed's Call To Philippines*

CEDARVILLE — A Cedarville College coed, Nancy Grace Wray, received one of the finest gifts during a recent "surprise" birthday party held for her in the girl's New Dorm. Through the generosity of her fellow students she was able to talk over the telephone to her father in the Philippines whom she hasn't seen since July, 1960.

Someone suggested during the party that it would be nice if Nancy could talk with her parents who are missionaries in Iloilo City, Philippines. Her father teaches at the Doane Baptist Bible Institute under the Association of Baptists for World Evangelism.

The students soon collected \$41. A call was placed Friday evening but connections were broken soon after her mother answered.

Thinking that something was wrong, her mother cabled Nancy's father, who was in Manila at the time.

Students filled the dorm lounge to overflowing when Nancy placed the call Saturday at 6 p. m. and talked six minutes with her father.

"I was really surprised," Nancy said. "It was very nice that the students did this. I haven't seen or spoken to my parents for at least a year and it will be three or four years before I get a chance to see them again. It was the finest gift they could give!"

Born in Crawfordsville, Ind., Nancy went to the Philippines with her parents when she was three. Two brothers and two sisters also live in the Philippines.
