"FOR THE WORD OF GOD AND THE TESTIMONY OF JESUS CHRIST"

## Running The Race

Just last week it was my privilege to enter one of our athletes, Jim Sprague, in the All-Ohio track meet at Berea, Ohio. The meet was open to all colleges and universities in Ohio. Jim finished a very fine third in the mile in the time of 4:24.3. Recently, in the Mid-Ohio Conference meet, Jim won both the mile and the two-mile on the same afternoon, and received a standing ovation for the feat. Jim, a sophomore from South Lyon, Michigan, is a member of Tri-Lakes Baptist Church of Brighton, Michigan. In the following paragraph, Jim gives his personal testimony:

"I am thankful that I have the Lord Jesus Christ as my personal Saviour, and that I can depend on him in everyday situations. In I Corinthians 9:24-27 Paul likens the Christian life to running a race. In my experience the parallel certainly holds true. In running, as in living for Christ, there are hindrances—burning lungs and tiring muscles contrasted with trials and discouragements. However, just as the runner overcomes these obstacles by rigid training, the Christian conquers through Bible reading and prayer. I am grateful that God provided a way whereby we may live victorious Christian lives!"

In our athletic program here we seek to hold forth our school motto: "For

the Word of God and the testimony of Jesus Christ."

As basketball coach and athletic director, I am enthusiastic about plans for the coming year. Our physical education program will be greatly enhanced not only by the new Student Union-gymnasium presently under construction, but by the addition of Mr. Lane Moody and Miss June Kearney. Mr. Moody will be an instructor in physical

education as well as coaching baseball and junior varsity basketball. Miss Kearney will handle physical education for women in addition to her teaching responsibilities. Miss Mackay, an authority on camping and recreation, will be assisting in the department.

The response of the pastors to the letter and brochure telling of the Physical Education Department has been most encouraging. Requests for additional copies of the brochure have been received from pastors in Iowa, Montana, and just yesterday, California. The brochure has been partially instrumental in leading some fine Christian athletes to enroll for the fall semester.

I have just completed my second year and it has been most enjoyable. What a privilege it is to train Christian young people today to be the leaders of tomorrow!!

If your church has need of programs or speakers for young peoples' groups, do not hesitate to contact us. We would also be happy to furnish help with your church recreational programs.

For the year 1962-63 a more extensive debate program has been planned. There will be opportunities for both novice and varsity debate teams. Students should consider this opportunity in your college planning for 1962-63.

## Debate

### Teams

The beginning of Intercollegiate Debating is one of the scholastic achievements that has marked the school year 1961-62 here at Cedarville College. In the fall of 1961 a course in Debate was offered by the Speech Department.

From this group evolved the debate teams which have had a very creditable season. The national collegiate debate subject for 1961-62 was: "Resolved: that the labor organizations should be under the jurisdiction of anti-trust legislation."

Because this was our first year in debate, our teams participated in the Novice Tournaments. Cedarville College was host to Ohio State teams here on our campus. From this first contest we had one win and one loss to Ohio State. Our teams participated in debate tournaments held at Ohio State and the University of Cincinnati. Each of these included three rounds of debates which means that both the negative and affirmative teams met 3 other colleges in debate. From these tournaments our record shows that we won the following decisions:

- 4 wins over Ohio State
- 1 win over Wittenberg College
- 1 win over Case Tech.
- 1 win over Capital University

The colleges to whom we lost include Ashland College, Youngstown College, Findlay College, and other Ohio State teams.

The students representing Cedarville College were Larry Baker, Mark Evans, Ron McDugal, Rita Millikin, Dan Park, and Margaret Stowell. Congratulations for this, the group pioneering in intercollegiate debate. The debate coach was Mrs. C. R. Maddox.
