HOMECOMING
ISSUE

HOMECOMING 1980

Dear Alumnus:

Undoubtedly, you have noticed a change with this issue of AVISO. After several years of "piggy-backing" with the TORCH, the Alumni Council has decided we can give you a better publication if mailed at a separate time. This will accomplish several things: 1) allow us to upgrade AVISO as a separate publication of Cedarville College; 2) give the public relations staff at the college more time to efficiently handle both publications; 3) provide us more versatility in reporting past activities and upcoming dates of importance. I hope you'll enjoy our new approach to the publication.

In the Spring 1980 issue of AVISO, the Alumni Association announced the development of a \$500 scholarship known as the Jack Willetts Memorial Scholarship. The award was made at the June 1980 Commencement. Senior John Hart was the recipient. He was presented the award and plaque by Mrs. Carol Willetts. The picture below was taken at the Alumni Homecoming Awards Luncheon where John was again honored for the benefit of the Alumni.

ALUMNI PRESENT AWARDS

At the Saturday afternoon Alumni Awards Luncheon citations were read for the Honorary Alumnus Award given to J. Dale Murphy and the Alumna of the Year Award to Maryalyce Jeremiah. Those present also enjoyed special music by Dave and Darlene (Fitch '69) Murdoch.

MARYALYCE JEREMIAH'S CITATION

While yet a student, Maryalyce Jeremiah gave promise of excelling in her profession of coaching young people in basketball. As a player she captained the women's volleyball team, co-captained the women's basketball team, established the current record highest point average per game, and earned the 1965 Most Valuable Player award. Graduated from Cedarville College and Central State University in 1965, she earned her master's degree in 1967 and her doctorate in 1973 from The Ohio State University. After her baccalaureate graduation, Maryalyce played basketball for a team which earned a berth in the 1967 AAU tournament in New Mexico.

From 1969 to 1977, Dr. Jeremiah taught physical education and coached basketball at Cedarville College. Competing against teams from schools often many times the size of her college, her teams twice were tournament runners-up to Ohio's state champions, once won the state tourney and placed further in the regional, and once participated in the N.I.T. tournament held in Boston, Massachusetts. While a faculty member, Maryalyce authored a textbook on teaching/coaching, and playing basketball.

J. DALE MURPHY'S CITATION

Since his graduation from Gales College in 1931, where he finished three years of work in two, J. Dale Murphy has utilized his time and energy both for business enterprise and service to others. He has successfully owned and operated Cedarside Dairy for twenty-five years and two restaurants for ten years. During the past decade he has engaged in real estate brokerage and land development.

For the past forty-four years Mr. Murphy has held membership in the Walnut Ridge Baptist Church and its choir. Since the age of twenty-five he has served a total of thirty-four years as church trustee, many of those years as chairman and church moderator. He has since been elected deacon. After selling his restaurants, he devoted to Walnut Ridge Baptist Church over two years of full-time work as building committee chairman and general contractor/developer of his church's new building and now chairs the committee planning the next expansion of facilities.

For nineteen of its twenty-five years, Mr. Murphy has led the Baptist Builders' Club as its chairman. For thirty-two years he has held various board positions as a trustee of Iowa's Clear Lake Camp and has been instrumental in developing the property they acquired. He presently serves on the board of Hiawatha Baptist Mission. Since 1939 he has missed only four of the annual meetings of the General Association of Regular Baptist Churches.

JEREMIAH'S CITATION *Continued from Page 3*

For the past two years, this alumna has coached The University of Dayton's Women's Basketball Team. During the 1978-79 season, her team won the state regional competition, placing second in the national women's tournament with a record of 33 wins and 3 losses. During the 1979-80 season, Coach Jeremiah and her team have compiled a 35-wins and 3-losses record, winning the state, regional, and national tournaments to bring a national championship to the University of Dayton. In two nationally recognized rankings, Maryalyce has been named "Coach of the Year," and she has received citations of merit from the Ohio legislature and the City of Dayton.

Concomitant to Maryalyce's coaching accomplishments has been the quality of her Christian life. She and her Cedarville team left a mark for Jesus Christ on their athletic opponents to such an extent that newspapers reported it. God has used her to claim for Himself her colleagues and students alike wherever she has coached and taught. No one who has worked with Maryalyce has remained long oblivious to the witness of Christ in and through her. The Alumni of Cedarville College hereby express their appreciation of God's work through Maryalyce Jeremiah on her commitment to excellence.

MURPHY'S CITATION *Continued from Page 3*

When Baptist Bible Institute of Cleveland acquired Cedarville College, Dale Murphy exhibited his interest in Christian education by accepting appointment as a trustee of the school in 1953. He has participated since in the progress of the institution by chairing its Board of Trustees for several terms. He currently serves as vice-chairman. One administrator has recently noted that during almost three decades of activity Dale Murphy has not missed more than two or three board meetings, whether committee or full session, a record bespeaking the steady, quiet faithfulness of his service to others. Dale Murphy stands as one reason why the state of Iowa has long served as a resource of manpower and finances for the programs and progress of Cedarville College. We, the Alumni of Cedarville College, hereby express our appreciation.

ALUMNI NIGHT

For those of you who missed the reminiscing, the fellowship, and the renewing of acquaintances during the Homecoming weekend, plan now to attend Alumni Night, Saturday, February 7.

Alumni are invited to a reception and fellowship hour at 2 p.m. in Room 22 of the Student Center Gymnasium. A tour of the new campus buildings is scheduled just before supper in the dining hall.

The fearless and somewhat out-of-shape alumni will take on the fastbreaking J.V. team at 5:15 p.m. The varsity team hosts Walsh College.

SUMMER ALUMNI ENRICHMENT WEEK

Under the excellent direction of Mrs. Sandra Entner and a committee of Alumni, the Alumni Council has decided to provide a family vacation opportunity with some educational and spiritual enrichment opportunities for Alumni and their families. The college will provide housing and recreation facilities plus a separate program designed for children.

Be certain to mark Wednesday, July 1, through Saturday, July 4, on your calendar and consider attending this pioneer outreach program of your alumni association.

"JOCK" MURRAY: CITIZEN OF THE YEAR

The *White River Valley Herald*, Randolph, Vermont, reports that the most important honor which Randolph Rotary awards each year is the designation of Citizen of the Year. Chosen as recipient for the current year was John "Jock" Murray, a 1934 Cedarville College secondary education English major. Remarks at the presentation were, "To a gentleman who has served his community with much, much more than that required of one man."

After college, Jock returned to his native Vermont as a teacher of romance languages. Having a love of all sports, he quickly won the friendship of local youngsters by sharing his athletic talents with them. He taught continuously in Randolph until 1943-44 when he was made principal. In 1952, he became Superintendent of Schools and continued in that capacity until his retirement in 1969.

The *Herald* states that his sense of humor and wealth of stories have delighted audiences of every age, and over the years he has been an outstanding influence for the good of his community. This was a well deserved honor for one of Randolph's favorite citizens.
