ALUMNI COUNCIL REPORT

1. Council Expanded—Recent Alumni Association election results were extremely close! The number of ballots tallied was three times greater than the last election. The three new council members are: Mrs. Deborah (Bush '68) Haffey, Mr. Donald Leach ('68), and Dr. Ronald Grosh ('67) who is returning to the council. They will serve a six-year term.
2. Annual Fund—Record-breaking year! Alumni have continued to support Cedarville College by surpassing the \$100,000 annual fund goal with a record giving of \$104,379.83 which is a \$21,923 or 26.5% increase over last year. Alumni Director, Gary Kuhn, believes the alumni phonathon was the major reason for the successful year.
3. Athletic Center—Alumni contributions to the Athletic Center for fiscal 1980-81, ending June 30, amounted to \$30,585.90.
4. Scholarship and Grant Endowment Fund—The balance at the beginning of the 1981-82 fiscal year was \$17,000. Three \$500 scholarships were awarded for this school year.
5. Summer Enrichment Conference—Sixty-eight alumni and their families attended this first annual, spiritually enriching vacation opportunity on campus. Alumni attended from as far east as Connecticut, as far west as Iowa, as far north as Michigan, and as far south as Florida. Class years ranged from 1959 to 1980. A committee will soon begin work on next summer's program—a concentrated study of Israel: its people, land, and heritage.
6. Homecoming—To encourage greater attendance at the Alumni Awards Luncheon, the cost has been kept to a minimum. Alumni children will be entertained in a separate room during the awards program. Heritage alumni have a special invitation from student leaders to tour the campus.
7. Alumni Office—Moving! In conjunction with the college development department, the alumni office will be relocated on the ground floor of remodeled Williams Hall. Other departments moving to this building are academic records and student personnel.

Jeremiah Receives Doctorate

Pastor Jeremiah served as Director of Christian Education at Haddon Heights Baptist Church in New Jersey for two years before accepting a call to the pastorate of Blackhawk Baptist Church in Fort Wayne, Indiana. While serving at Haddon Heights, he was ordained by that church in 1967. He also did graduate work at North Texas State University and Grace Seminary.

Under Pastor Jeremiah's ministry, Blackhawk has grown from a nucleus of 35 members to an average attendance of 1400 in Sunday services. Blackhawk operates a Christian school of about 300 students in grades K-12. Pastor Jeremiah also has television and radio ministries.

Recently, Dr. Jeremiah accepted a call to pastor Scott Memorial Baptist Church in San Diego, California.

Dr. Jeremiah has served on the board of trustees of Cedarville College for the past two years. He and Donna are the parents of four children.

The commencement activities honored 276 graduating seniors at the President's Banquet on Friday evening, June 5. Pastor David Jeremiah was the speaker. Over 1000 seniors, parents, and guests attended.

At the Cedarville College 85th Annual Commencement, the Doctor of Divinity degree was conferred upon Reverend David Jeremiah.

David graduated from Cedar Cliff High School, Cedarville, Ohio, in 1959 and from Cedarville College in 1963. Also in the busy year of 1963, he pastored a church in Thurston, Ohio, married Donna Thompson in June, and entered Dallas Theological Seminary in September. During seminary years he worked as Director of Youth/Music at Northwest Bible Church, Fort Worth, Texas, and was graduated from Dallas Theological Seminary in May of 1967 with a Master of Theology Degree.

Grier—Awarded

Professor James M. Grier, Associate Professor of Philosophy and Biblical Studies, was awarded the Alumni Association's Distinguished Educator Award at Commencement, June 6, 1981. The following statements were made by Alumni Council representative Dr. Ronald Grosh ('67).

"The first award being presented today goes not to a senior but to a colleague, a member of the Cedarville College faculty on the platform behind me. It should, however, interest the seniors and their visitors.

"The Cedarville College Alumni Association established an award several years ago, an award which has been given only once before. It was presented six years ago to Dr. Robert G. Gromacki for the example of his scholarship and industry in contributing through research and publication in Biblical studies to a constituency far beyond this campus.

"Today, on behalf of the more than five thousand alumni of Cedarville College and particularly on behalf of the approximately two thousand

graduates and hundreds more students who have been influenced by him since he came to this institution in 1969, I am authorized by unanimous decision of the Alumni Council to announce that the Alumni Association's Distinguished Educator Award is hereby presented to Professor James M. Grier.

"We, the alumni of Cedarville College, hereby express appreciation to our sovereign God for His grace and providence in your life that have led you to the quality of the stewardship of your mind which you evidence. Thank you for your obedience and for your commitment to Jesus Christ and to the whole counsel of God."

Professor Grier was presented with a framed certificate and a gift of \$400.

For those who care

One Liners

In July the Kresge Foundation notified President Paul Dixon that Cedarville College had been named the recipient of a \$200,000 challenge grant for the Athletic Center. The grant is conditional on the college receiving gifts and commitments of \$500,000 to complete the \$2 million campaign.

Cedarville College hosted its 4th Annual Pastors' Conference September 14-17. Joseph M. Stowell ('66) was the keynote speaker.

Stan Rosenthal and David Levy of The Friends of Israel from Collingswood, New Jersey, will be sharing a three-part seminar on October 6-8, 1981.

The new nursing department is in the last stages of preparing the application for final approval by the Ohio Board of Regents and the Ohio Board of Nursing Education for a program leading to a Bachelor of Science in Nursing degree.

Among the ten new faculty joining Cedarville are these alumni: Ann (Rodgers '76) Rich, M.A., C.P.A., who will teach accounting; Sandra (Welch '64) Harner, M.A., who will teach English; and Kurt Moreland ('76), M.A., who will teach speech.

The 1980-81 student body project, a jogathon, was the most successful fund-raising endeavor the students have ever been involved in. This year's project total was over \$67,000.

For several years, Dr. McGoldrick has been doing research for this book. He plans to complete the manuscript by 1982.

Coming Artist-Lecture Series attractions include David Ford, bass, on October 3; The Hutsah Puppet Theatre presenting *The Hobbit* on November 7; and Diane Bish, organist, January 29, 1982.

Dr. Murray Murdoch, a specialist in American history, and Dr. James McGoldrick, professor of history and a native of Philadelphia, conducted the fifth study tour of the Philadelphia area, offering four credit hours.

After the announcement that Williams Hall was to be remodeled into offices and classrooms during the summer, the men of Williams held a memorial service in the gymnasium on May 21. Speakers remembered Williams and its famous (or infamous?) past. To end it all, they lived up to their name by carrying President Dixon to the hall and throwing him in the shower.

Two Cedarville graduates were recently honored as the top students in their academic discipline at the Dallas Theological Seminary. Floyd Saunders Elmore ('77) from Kettering, Ohio, received the Henry Thiessen Award in New Testament and the W. H. Griffith Thomas Scholarship Award; and Paul Russell Thorsell ('76) from Hudson, Ohio, received the Charles A. Nash Award in historical theology.

John ('64) and **Judy (Marcellus '67) Bigelow** report plans to canvas most of Valdez, Alaska, with the help of two college students working under the Missionary Apprenticeship Program. They are thankful that new people have attended their services and rejoice that they were able to rent their "Sunday" building for a week of Vacation Bible School.

Norm ('64) and **Evelyn (Thoms '64) Nicklas**, São Paulo, Brazil, report much growth in their new church in the large housing project of Itaquera. They plan to have their first baptismal service in September at Camp Maranatha and expect a great day of fellowship with members from their other churches.

Mark ('67) and **Beth (Ziegler '67) Trimble** have moved to Manaus, Brazil, to serve at the seminary and mission. They had about 60 students last semester and would appreciate your prayers as they seek to prepare laborers that are desperately needed for this harvest field.

Joe ('68) and **Sharon (Tallman '68) Hollaway** report their support for New Zealand is 100%. They have been involved in five-day Children's Bible Clubs and four-night Adult Bible Studies as they await the approval of their visas.

David ('69) and **Darlene (Durkee '67) Fidler** report an urgent need for an elementary teacher and a high school teacher in Chittagong and Malumghat, Bangladesh. School began in July with the mothers teaching. Praise for the approval of a second electric meter to separate the hospital and housing compounds which should save several hundred dollars per month.

Sami and Roxanne (Butler '69) Kanani, District of Columbia, report a challenging and fruitful year for Campus Bible Fellowship. Obstacles were overcome as they received acceptance as an official campus group on three campuses.

Deceased

Susan (Martin '65) Lane, 38, of Montague, Michigan, died May 23, 1981. She is survived by her husband, **Lloyd Lane** ('66), and two daughters, **Kristine**, 14, and **Julie**, 11. For the past four years she had taught at White Lake Christian School, Montague.

Riter Accepts New Position

"The time has come for a change in our ministry," says William R. Riter, chairman of Cedarville College's business administration department. In June, Bill assumed the position of manager of Campus Management Services with Management Decisions Development in Fairfield, Ohio. The company installs campus computer systems such as the one Cedarville recently purchased.

First as student and then teacher, Mr. Riter has been affiliated with the college for over twenty years. He has known the business department practically from its inception. In 1960, the business program's second year, he came to Cedarville as a student under Mr. Kenneth St. Clair, department chairman.

After graduating with a degree in business accounting he was certified by the state of Illinois as a C.P.A. and received a master's degree from the University of Illinois. Bill returned to Cedarville as a teacher in the business department and later became both acting and full chairman of the department.

One classroom in Milner Hall comprised the domain of the business department during Mr. Riter's first year as fledgling teacher. Over the years, he has seen the program grow from a faculty of three (two full-time, one part-time) teaching fewer than 100 students to nine professors and over 340 students. The course requirements for a major in business administration have expanded from 48 to 80 credit hours.

Mr. Riter recalls a time when there were no electronic calculators. Now, computers offer an emphasis in this rapidly growing area which promises to be one of the most exciting fields of the eighties. This is the field Mr. Riter is now entering full time. He states: "Lots of pieces have contributed to my preparation for this position—I have learned much through the courses I've taught, the people I've talked with, and my individual reading. My background in accounting, teaching, and computers will be helpful in my new position."

An advisor to the classes of 1969 and 1975, he has also attended and labored in the development of Shawnee Hills Baptist Church in Jamestown, Ohio. Electronics intrigues him, and he admits a penchant for live steam model railroading. He and his wife Ardith, a Huntington graduate and private piano teacher, have two girls, Lynn, 10, and Amber, 5. They found a house in Springdale, a suburb of Cincinnati, a few minutes from work and a Christian school.

Alumni Secretary

If you have called the alumni office recently, the friendly voice you heard was that of Glenda Womack who joined the office staff as secretary on February 2, 1981. She moved from Churubusco, Indiana, with husband Jay who is employed in the college maintenance department. Glenda and Jay are better known as the parents of basketball star Mark Womack. They have two daughters, Carla, a sophomore at Cedarville, and Marcia in high school. The Womacks became interested in the college and in the young people after visiting many times on campus and attending basketball games. They believe the Lord led in the sale of their business, thus opening the door

for them to come to Cedarville. Glenda enjoys her work, especially the computer, where she keeps up to date the records of the alumni. So, please keep her informed when you move.
