# ALUMNI COUNCIL REPORT

The following items were discussed at the August 27, 28, 1982, Alumni Council meeting and are reported to keep you up to date on the activities of your Alumni Association.

## Athletic Center

Alumni contributions for fiscal 1981-82 ending June 30 amounted to \$61,246.41, bringing the total alumni Athletic Center giving to \$121,064.81.

## Annual Fund

Alumni director Gary Kuhn reported a record breaking year. As announced in the April Aviso, the Annual Fund will now include all general fund, Torch Club, radio, and undesignated gifts. Excluded will be endowment, capital, and restricted gifts. With this new accounting method, the Annual Fund totaled \$50,967.80. The total giving by alumni for 1981-82 far surpassed last year's total by \$45,232, totaling \$182,578, a 33% increase.

## New Annual Fund

The Alumni Council accepted the college administrative challenge of \$100,000 for alumni giving for the 1982-83 Annual Fund. This is twice the amount received this year but realistically is obtainable since many Athletic Center pledges have been completed.

## Scholarship and Grant Endowment Fund

Four scholarships of \$500 each were awarded for the 1982-83 school year. The balance of this fund on July 1 was \$21,124.14. The council approved a letter appeal for the scholarship fund which offers a limited issue Christmas tree ornament created especially for Cedarville College.

## Summer Enrichment Conference

Committee chairman Don Leach shared the results of a questionnaire completed by those attending the conference. Attendance this year increased by 30 to a total of 98.

## Area Alumni Meetings

Two summer Heritage Alumni gatherings were: 1) dinner and Blue Jacket outdoor drama in Xenia, Ohio, with 28 attending; 2) ladies' luncheon on campus with 54 present. Fall and winter gatherings were approved and are listed in this issue of the Aviso.

Convinced that Cedarville was the place which would most adequately prepare him for the pastorate, Dave Dernlan arrived at the college in January of 1974. Having been saved in his mid twenties, 27-year-old Dernlan had a wife and three boys to support, plus one on the way, but he was still willing to follow God's leading in his life.

While at Cedarville, Dave assisted cross-country coach Elvin King and also coached wrestling for one year. He served as youth pastor at Washington Heights Baptist Church in Dayton, Ohio. Dave was a resident advisor for Williams, Patterson, and Bethel for three and one-half years. Regarding his experience as an R.A., he reminisced, "The students helped us to learn how to minister; they ministered to us as much as we did to them."

In June of 1977, three and one-half years after moving to Cedarville, Dave Dernlan was graduated, and in July of that same year he assumed the pastorate of Grace Chapel in West Liberty, Ohio, where he is currently pastoring. The next year after undertaking his duties at Grace Chapel, Dave began graduate work at Grand Rapids Baptist Seminary, Grand Rapids, Michigan, through correspondence work and summer sessions. He presently has nine hours of classes remaining before earning his M.R.E.

God has richly blessed and greatly used the Dernlans during their five years in West Liberty. A congregation which

numbered nearly 100 has grown to over 250. Rev. Dernlan stated, "We've seen myriads of young couples saved." He also added that they have been able to institute a unique family night, a once-a-month Wednesday meeting during which families participate together in fun or devotional activities.

Another activity in which Dave is involved is wrestling. All four of his boys, Tim, 8, Matthew, 10, Stephen, 12, and Jeff, 14, are active wrestlers under the coaching of their father. The Dernlans' wrestling began two years ago on the dining room carpet to simply provide them a family activity. All four boys have done remarkably well under his coaching.

This past year, three of the boys placed first in the Ohio State Amateur Athletic Union Wrestling Championship, and one placed second. The AAU involves international style wrestling and contestants ranging in age from 8 to 90. The boys' achievements qualified them for the regional tournament in Indianapolis, Indiana, which involved 65 wrestlers from 13 states. The Dernlans all placed high enough in that tournament to go to nationals in Lincoln, Nebraska, and at that meet, which involved 1700 wrestlers, Jeff placed fifth.

Although successful as a wrestling coach, Rev. Dernlan never wrestled in either high school or college. "I became interested in wrestling," he stated, "through my brother who coaches a state championship wrestling team in Michigan." All four Dernlan boys plan to continue wrestling during their academic careers, and Jeff and Stephen are looking forward to their first year of high school and junior high school wrestling, respectively.

Another involvement for Dave is his participation on the Alumni Council. He is currently serving the fourth year of his six-year term. A man of many hats, Dave has brought a wealth of wisdom, knowledge, and spiritual awareness to the Alumni Council. As the Alumni Council representative, Dave works with the student relations committee to bring alumni speakers to campus for special talks and group meetings. His support of the Cedarville College Alumni Association is greatly appreciated.

## New Plant Director

Leigh Hunt, the new director of physical plant, assumed responsibilities July 1, 1982. Leigh was one of the small group of about 100 students who came to Cedarville from the original Baptist Bible Institute of Cleveland in 1953.

"I've always had a desire to work at Cedarville College," Hunt said, "and was happy when they offered me the job." Hunt's position involves overseeing groundskeeping, security, housekeeping, and maintenance of college buildings and vehicles. Leigh has been involved in all phases of the building trade for the last 27 years - both in his own business and working for a commercial builder. "I really feel I have been training for this job at Cedarville," Hunt states. According to chief mechanic Jay Womack, "Leigh is not the stay-in-the-office type director. He is out and around with the staff and has taken a real interest in our jobs."

The Hunts have five children and reside at 2272 Stevenson Road in Cedarville.

# Alumni Summer Enr

The second annual Alumni Summer Enrichment Conference was a trip to Israel conducted on the campus of Cedarville College, June 30 through July 3. It proved to be an enjoyable outing for the 98 alumni and friends attending. A potpourri of class years was represented ranging from 1934 to 1979. Alumni from eight states brought children, grandparents, and friends. Representatives from the west included Cort and Carol (Wilson/Willeets '56N) Kretschmar of Mesa, Arizona, and Bryan ('78) and Marilyn Segerstrom from Waterloo, Iowa. From the east coast Charis Johnson ('66N) arrived from Monticello, New York, and Gene ('73) and Mary Lynne (Grable '69) Peterson of Lynchburg, Virginia, came from the most southern state. The John Propers from Canada attended the conference with son-in-law Richard ('72) and daughter Grace (Proper) Hockenberry. Alumni also came from as near as Springfield and Xenia, but they all went home excited about the conference and the experience of renewing old friendships and making new ones.

The speakers, Rev. David Levy from the Friends of Israel Gospel Ministries, Dr. Gerald Smelser ('77H), former superintendent of the Cleveland Hebrew Mission, and Dr. James T. Jeremiah ('73H), chancellor of Cedarville College, provided informative and spiritual challenges. Such phrases as "fantastic," "superb," and "a real blessing" were used to describe the impact of the speakers on conference participants. Dr. Jeremiah's slides of various sites in the Holy Land were breathtaking. They gave us the impression of being with him on one of his ten tours of Israel.

Marlene (Schonscheck '68) Gaffner coordinated the children's program which included 26 youngsters ranging from 6 months to 12 years. Cedarville area alumni responded to the need for volunteers to teach the children while their parents attended the adult sessions. Dwayne Frank ('60), Roy Carr ('68), and others contributed their vocal talent and provided special music for song leader Mike DiCuirci, professor of music.

A special feature of the conference was a visit to a nearby synagogue. The rabbi spoke frankly about his Jewishness as he thoroughly explained the symbols and items decorating the synagogue. That evening a special Passover Seder Service was held with Dr. Smelser explaining the significance of such items as the salt water, lamb shank, four cups, and three matzos used at the table. The menu included chicken matzo ball soup, farfel pudding, orange glazed chicken with matzo nut stuffing, and Passover carrot-nut cake. The meal was described as "unique," "delicious," "I'm glad Passover only comes once a year," and "pass the chicken, please."

The Maddox Hall Motel provided accommodations with one large private suite per family. The athletic facilities were available throughout the day including clinics by Dr. Murray Murdoch and Ron Coriell ('70) in tennis and racquetball, respectively.

The Summer Enrichment Conference alumni committee included: chairman Don ('68) and Nancy (Davis '68N) Leach, John ('60) and Sandy (Millikin '59) Entner, and Steve ('81) and Barbara (Beikert '77) Keller. It was the committee's desire to provide a low cost, spiritually enriching vacation for alumni. All responses indicated it was well worth the \$28. We hope to see you there next year!

Donald F. Kyle, M.D. ('28N), a resident of Cedarville since he was 12 years old, was recently honored as recipient of the 1982 Ohio State Fair Outstanding Senior Citizen Award for Greene County. Dr. Kyle graduated from Cedarville High School and attended Cedarville College for two years, transferring to The Ohio State University.

"Becoming a physician was not a great revelation," he recalled. He was the second youngest of eight children and the son of a minister who encouraged all of his children to graduate from college. He chose to study medicine and was graduated from The Ohio State University School of Medicine in 1933 after which he served a residency at the Springfield City Hospital. In 1935 the young, newly-married physician returned to his hometown of Cedarville to set up his practice.

## Outstanding Senior Citizen

Forty-seven years later he still averages over 40 hours per week, somewhat less than the 60 hours per week pace he used to maintain.

Beginning in 1976 when the Donald F. Kyle Medical Center opened, Dr. Kyle saw patients there four days per week. The Kyle Medical Center, named in his honor, is located conveniently across from the campus north of Maddox Hall. His personal medical office is next door to his home in the center of Cedarville's business community. "Most everyone knows I'm here," states Dr. Kyle. Nearly everyone of the 2,700 Cedarville residents at one time or another have seen or been seen by Dr. Kyle. He is as familiar to alumni as to local residents, having served as the college physician for nearly all of his years in Cedarville. His involvement with the college runs deeper than being an alumnus and its physician. He served as a trustee for nearly a decade in the 40's and 50's.

Now that Dr. Kyle is no longer Cedarville's only practicing physician, he hopes his medical work will gradually decrease. He doesn't expect his retirement to be sudden, and he anticipates visits to hospital patients, the college health center, and a few necessary house calls in addition to the hours at his personal medical office.

Dr. Donald Kyle is an individual with admirable dedication, possessing an unselfish nature, willingly giving of his time, abilities, and energies to help his college and community. Our regard for Dr. Kyle was expressed at a special chapel service by presenting to him a plaque which read: "In recognition of faithful medical service to Cedarville College, with high regard to one of God's most gentle gentlemen."

## When We Come Back Home

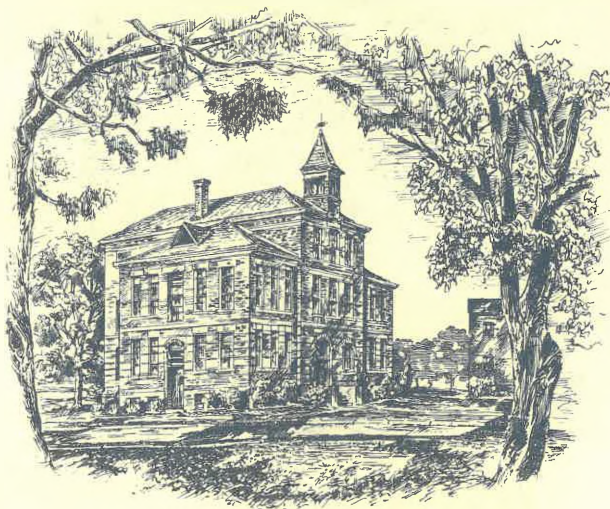

When we come back home—when we come back home!  
O, the weary roads we travel and the alien lands we roam,  
Till one day there comes a murmur of a half-forgotten song,  
And we think about the orchards and the streets where we belong,  
And the friends we left behind us, and the golden days of yore—  
Then the world grows all the better, for we're going home once more.

When we come back home—when we come back home!  
O, the call has reached each one of us from Panama to Nome,  
And we've sighed and sort of chuckled of the days that used to be  
When the world was not much bigger than the fields that we could see—  
And we've learned there is no welcome half so fine in other lands  
As the one that's waiting for us in the homefolks' hearts and hands.

When we come back home—when we come back home!  
Now the years are shaken from us just as light as wind-flung foam;  
And again we have and hold them—all the half-forgotten joys  
That we did not know were precious when we were but girls and boys—  
Then we close our eyes and see it—see the creek, the streets, the mill,  
And the heart beats to a home-song as we dream of Cedarville.

—Wilbur D. Nesbit  
1871-1927

former resident of Cedarville
