CEDARVILLE COLLEGE BULLETIN

December, 1969-January, 1970

NEW CAMPAIGN LAUNCHED

New Science Center

The campaign entitled "Three to Grow On" was announced in the last issue of the College Bulletin. This expansive program features the construction of three new buildings during the next three years: a new Science Center, a student union, and a men's dormitory.

All three of these facilities will become a reality when \$800,000 is received in gifts for the Science Center. Although the three buildings will cost \$2.2 million, the student union and men's dormitory can be financed through borrowed funds and the sale of bonds because they are income producing. You, as friends of the College are invited to have a part in raising the \$800,000 needed to build the Science Center.

The first regional campaign has been underway for the past two months in the state of Ohio. Eighty-eight volunteer committee members in Ohio have been personally inviting churches, individuals, and businesses to give toward this project. Six regional banquets have also been held in Ohio. Over 300 committeemen will be serving in other regional campaigns before the three-year national campaign is completed.

This issue of the Bulletin features pictures and descriptions of the new Science Center. Future issues will feature the student union and men's dormitory. People of vision will appreciate the importance of the science program as it relates to the over-all ministry of Cedarville College. Two-thirds of the young people in our country will be going on to higher education by 1976. Many young people from our churches become spiritually crippled by the supposed conflicts between science and the Scriptures as taught in most secular colleges and universities. Christian educators know that there is a harmony of truth whether it is revealed in the written Word of God or in His created world. We need to dispel the illusion that science is solely secular. All truth comes from God and it is agreed that the College needs this new Science Center in order that our students may be given a Christian world-life view that does not exclude science.

HOMECOMING 1969

Homecoming day, October 18, 1969, was a crisp, clear and exciting day for those who came to enjoy the Homecoming activities.

The theme, "Pressing Toward the Mark" was the challenge to which everyone was dedicated, especially the classes competing in floats. The theme was taken from the verse found in Philippians 3:14, "I press toward the mark for the prize of the high calling of God in Christ Jesus."

The campus dormitories had open house and were competing for an "appearance" award. Other college buildings were open for the many friends and alumni to re-visit.

The annual parade, through the business section of the village, was highlighted by Queen Evelyn Hare. Miss Hare is a senior majoring in elementary education. She plans to return to the mission field upon graduation. Float competition was won by the Senior Class, and the stationary display award went to Fellowship for World Missions.

Athletic events included a women's field hockey game with the Lorain Community College, and a cross-country match with Marion College and Grand Rapids Baptist Bible College and Seminary. The traditional soccer game was a 5-0 victory over Transylvania College.

FROM THE PRESIDENT'S DESK

Dr. James T. Jeremiah, President

One of the purposes of Cedarville College is "to encourage growth in Christian character in each student, and help the student accept his responsibilities in faithful Christian service."

Each Sunday it is my privilege to speak in a different local church and observe how this purpose is being fulfilled in the lives of many of our graduates. A few weeks ago the pastor of one of our churches informed me that one of our graduates who majored in chemistry while a student here, is employed in his profession and serving as the Sunday School superintendent. This is only one illustration of many which could be given to show that this purpose of the College is being fulfilled.

It is true that many of our graduates enter the ministry and go to the mission field, but it is our desire that all of them should be in "full-time" Christian service. By that we mean every student and graduate is encouraged to live for Christ every day, and serve every day as a witness for Him. Graduates who are faithful to the local churches speak well for their alma mater.

Everything possible is being done by the College to emphasize the importance of the spiritual life. From the beginning daily chapel has been a requirement. Spiritual Life Conferences are held during each year and chapel speakers come to us representing many professions and seek to relate to the students opportunities to serve Christ in these areas. Counseling by the student personnel staff, administrators, and faculty members is a vital part of this spiritual emphasis.

A number of months ago the Board of Trustees voted to call a man to spend his entire time working as the director of Christian service. Because of the growth of the College, this important phase of our educational program can no longer be done on a part-time basis by someone who is serving as a faculty of staff member.

Rev. Harold Green, who has served for eleven years as the pastor of the Faith Baptist Church in Greenville, Ohio, has accepted the invitation of our Board to serve as the director of Christian service. It will be his responsibility to care for the regular church services in the chapel on Sunday and arrange for Christian service opportunities for the students. Though his coming to us does not begin a new emphasis on the campus, it will enable us to enlarge and strengthen this important phase of Christian education on the Cedarville College campus.

In every way possible we desire to "hold forth the word of life in the midst of a warped and twisted generation, shining like lights in the world." As you pray for us we can accomplish much for God, and continue to fulfill the major purpose for which this College was founded.

CHRISTIAN SERVICE

DIRECTOR

Rev. Harold Green of Greenville, Ohio, will assume the new position of director of Christian Service on January 1, 1970. Rev. Green received his ThB in 1953 from the Baptist Bible Seminary.

The Falls Baptist Church of Falls, Pennsylvania was his first pastorate. After having served there as a student pastor for approximately one year he moved to Gary, Indiana to pastor a mission church, the Aetna Baptist Church. He was pastor there for four years.

The Faith Baptist Church of Greenville, Ohio was started by Rev. Green in October of 1958. Since pastoring this church, Rev. Green has served on the Scioto Hills Camp Board, the organizing board of the Sky View Ranch, and was elected to a second term on the Council of Ten of the Ohio G.A.R.B.C.

Rev. Green has four children, Janet, Kathy, Dann, and Larry. Mrs. Green is also a graduate of B.B.S., the class of 1952.

1969-70 YEAR VERSE

"... bringing into captivity every thought to the obedience of Christ;"

II Corinthians 10:5

CEDARVILLE COLLEGE

CHRISTIAN SERVICE CONFERENCE OVERFLOWS

On November 8, 1969, the Cedarville College campus organization, Swordbearers, conducted the Third Annual Youth Conference for the greater Ohio senior young people. Pre-registration indicated that attendance would greatly surpass that of last year. The facilities for the 250 who pre-registered were overflowed when over 300 visited the campus and assembled in the lecture rooms. Many were standing and seated in the hallway near the meeting.

The program theme, "Signs of the Time" was highlighted by guest speaker, Rev. James E. Lowden, who spoke on Communism, Dr. George Lawlor, Professor of Greek and Bible, who spoke on Ecumenicalism, and Rev. William Broughton, whose topic was Demonism. Dave Peters, a sophomore, assisted Rev. Broughton, in his discussion period and Mrs. Miriam Maddox, instructor in speech, conducted a reader's theatre on the book of Job.

The singspiration in the afternoon was a time of group participation and relaxation. Some attenders had traveled from Monticello, Indiana, Roxanna, Illinois, and Huntington, West Virginia. Sixteen Ohio cities were represented for this all-day youth conference.

Dave Peters, Larry Radcliff, Chuck Rowe, and Mr. Merle Slabaugh, advisor of Swordbearers, are already planning a program for next year.

CAMPAIGN LAUNCHED, continued from page 1

The Science Center pictured on page 1 will feature the present science building that will be remodeled and used exclusively for biological sciences. The present science building will be connected by a glass-enclosed corridor with a solarium located midway and the new Science Center will be constructed around the shell of Williams Hall. The first floor of this building will be used for physics and the second floor for chemistry.

Science Center Lecture Hall

Two large lecture halls will be attached to the north side of the building. The two lecture halls will seat 150 students each and can also be used for demonstrating scientific experiments of audio-visual projects.

Solarium

The solarium, located in the glass enclosed corridor, will provide space for a greenhouse as well as a picturesque setting for students' relaxation. The architecture of the solarium matches that of the two lecture halls which gives a pleasing appearance to the Science Center as a whole.

If you have not received a copy of the brochure describing this program, please mail us the coupon below. We would like to share all of the exciting details with you.

I would like to have a copy of your brochure "Three to Grow On."

SERVICE AWARDS

Cedarville College personnel received special recognition during the President's Dinner at the beginning of the 1969-70 academic year. Service awards were presented by Dr. James T. Jeremiah to Dr. George L. Lawlor, Professor of Greek and Bible, Mrs. Miriam B. Maddox, instructor in Speech, Mr. Kenneth H. St. Clair, Business Manager, Mr. Charles Tarter, maintenance department, and Mrs. Ardeth Webber, assistant professor of Business Education for 10 years of faithful service with the College. A 15-year service award plaque was presented to Miss Bernice Mick ('55) for her service as the College Bookstore Manager.

VIETNAM PRAYER BAND SPEAKS OUT

Support of the Nixon Administration, whether in total agreement with its Vietnam war policies or not, was expressed by the Cedarville College student body as the Vietnam Prayer Band conducted a "positive demonstration" on moratorium day, October 15, 1969, around the flagpole on campus.

Larry Radcliff, a senior from Caldwell, Ohio representing the prayer group addressed the student body outside the Science Building after having led the students in prayer. Phil Stine, a freshman and also a Vietnam war veteran, gave his testimony and expressed the need for American honor in the Vietnam situation.

The meeting concluded with group singing of the National Anthem. College faculty specifically remembered the Vietnam situation in prayer before each of their classes throughout the day.

DOW CHEMICAL CONTRIBUTION

The Dow Chemical Company of Midland, Michigan has donated various chemistry lab materials, consisting of glassware and chemicals. According to Dr. Donald Baumann, Chairman of the Science Department, the total value of these materials is estimated to be \$3,800.

A major item in the donation was a chart recorder to be used for analytical research astronomy in the campus observatory.

Dow's growth, great diversification, and expansive research program makes equipment of all types available to colleges as new equipment is designed and utilized by industry.

FACULTY FACTS

Mr. David L. Matson ('60), assistant professor of Music, attended the 18th Annual Convention of the National Church Music Fellowship at the Sherman House in Chicago, October 29-31, 1969. Mr. Matson was elected to the office of Secretary for a two-year term.

Dr. Donald Baumann, professor of Bacteriology and Chemistry, attended the Ohio College Biology Teacher Conference in Wooster, Ohio, November 8, 1969. Mr. Austin Elmore and Mr. Larry Killian, associate professors of biological science, also attended.

Dr. Larry Helmick ('63) associate professor of Chemistry, and Mr. Burt Frye, associate professor of Physical Science, received research grants from the National Science Foundation. Dr. Helmick participated for thirteen weeks in a Research Participation for College Teachers Program at the University of Florida during the summer.

Mr. Murray Murdock, associate professor of History, was a panelist for a session on "How Christian Were the Founding Fathers?" at the Conference on Faith and History, at the Concordia Teachers College, River Forest, Illinois, October 3-4, 1969.

Dr. Robert Gromacki, professor of Bible and Greek, was the main speaker at the Fall meeting of the Garden State Fellowship of Regular Baptist Churches at Franklin Lakes, New Jersey, September 30, 1969. He gave three messages on "The Changing Character of Pentecostalism."

Miss June Kearney, associate professor of Physical Education, was elected secretary of the Miami Valley Field Hockey Association.

Miss Kearney has also been named coach of the United States handball team by the U. S. Olympic committee.

Mr. Jack Payne, assistant professor of Music, attended October 29-30, 1969, the Annual National Church Music Fellowship Convention in Chicago.

Mr. Dwayne Frank, assistant professor of Education, Mr. Brad Moore, associate professor of Education, Miss Irma Dodson, assistant professor of education, and Dr. Merlin Ager, chairman of the Education Department, served as panelists on "Child Development" for the Toledo, Ohio, Emmanuel Baptist Christian Day School PTO on November 3, 1969.

Mr. Richard McIntosh, dean of students, attended the autumn meeting of the Ohio Association of Student Personnel Administrators in Hueston Woods, Ohio, November 6-7, 1969. Mr. Thomas Loper, dean of men, also attended this meeting.

Mr. David Gidley, director of Financial Aid, attended the Ohio Association of Student Financial Aid Administrators in Hueston Woods, Ohio, December 3-5, 1969. Mr. Richard McIntosh, dean of students, also attended.

Miss Joy Mackay, assistant professor of Christian Education, conducted a workshop and seminar at the Christian Camping International Convention in November at the Ridgecrest assembly grounds in North Carolina.

Mr. Kenneth St. Clair, business manager, Mr. James Rickard, accountant, Mrs. Dorothy Spencer, cashier, and Mrs. Marabeth Elmore, receptionist attended October 28 and 29, 1969, the 11th Annual Conference of the Midwest Association of Business Administrators of Christian Colleges in Chicago.

Mrs. Stella Smith, food service consultant of Cedarville College, was a featured speaker at the 11th Annual Conference of the Midwest Association of Business Administrators of Christian Colleges in Chicago. The conference in Chicago was held October 28 and 29, 1969.

NEW STAFF

Miss Diane Lewis is the new assistant to the Dean of Women in the student personnel office. She received her B.S. degree in Mathematics Education in 1963 from State University of New York. In 1965 Miss Lewis received her M.A. degree in Student Personnel Work in Higher Education from Syracuse University. Before assuming her present position, she was residence hall advisor at Eastern Michigan University in Ypsilanti, Michigan for two years.

Miss Linda Olson, former student at Cedarville, is now secretary in the student personnel office.

Mr. Al Grisham, of Norwalk, California, joins the College maintenance department as electrician. He was formerly employed by Sears and Roebuck Co.

Mr. Lyle Filson and his son, Earl who were formerly self-employed in the Tiffin, Ohio area have joined the maintenance department as carpenters.

Mr. and Mrs. Horace Grover, of Whitehall, Wisconsin are employed in the housekeeping department and will maintain the gym-student center.

Mr. and Mrs. Paul Vinson are on the housekeeping staff and will be in charge of the library.

BIRTHS

Dennis Arnold to Don (NG) and Dorothy (NG) Davidson November 5, 1969 in Milwaukee, Wisconsin.

Laura Beth to Robert and Barbara (Ferry) Thomas ('56) October 5, 1969 in Cleveland, Ohio.

Jennifer Lynn to George ('68) and Joyce ('68) Goodwin October 12, 1969 in Grand Rapids, Michigan.

Charlotte Denise to Charles ('60) and Wanda (NG) Horn of Bozeman, Montana.

Bryan Todd to Paul and Joan ('64) (Bryant) Mattucci August 3, 1969 in Akron, Ohio.

Kent Theodore to Mr. and Mrs. Ted Oakley ('67) on July 29, 1969 in Springboro, Ohio.

MARRIAGE VOWS

Mr. Douglas Lightly ('67) was married to Jane Hess ('69) on July 5, 1969 in Bunker Hill, Illinois. They reside in Winona Lake, Indiana, where Doug is in his last year of seminary.

Mr. Boyd Griffith ('65) and Kathy Johnson ('68) were married August 22, 1969. Kathy is teaching in the Xenia, Ohio area and Boyd is working at the Cedarville College Press. Boyd and Kathy have been accepted for missionary service with Trans World Radio in Bonaire, Netherlands, Antilles. They will be producing music for Spanish and Portuguese broadcasts.

STUDENT FACTS

The College Choir will participate with the Springfield, Ohio, Symphony Orchestra for the presentation of Hector Berlioz' "L'Enfance du Christ," on December 6, at the Memorial Hall in Springfield, Ohio.

The Cedarville College Women's Athletic Teams are now participating in a league for volleyball and basketball. The league includes five colleges: Wilmington College, College of Mount St. Joseph on the Ohio, Western College, "University of Cincinnati, and Cedarville College. Miss Marylyce Jeremiah ('65), assistant professor of Physical Education, was elected secretary-treasurer of this league.

Judy Stamatis, a senior majoring in physical education, has been named as a coach by the U. S. Olympic Team for team handball. Judy was also selected to the 1st team of the Miami Valley, (Ohio) Field Hockey Association which participated in the Great Lakes Sectional Tournament in Kalamazoo, Michigan on November 15, 1969.

ALUMNI OF NOTE

Rev. Horace Ward Jr. ('61) has been appointed dean of students at Lee College, Cleveland, Tennessee. On August 30, 1969 Rev. Ward received his Ph.D. degree from Ohio State University where he has majored in guidance counseling and developmental psychology. He has recently taught in the psychology department at Lee College.

Mr. James R. Halvorsen ('67) received the Master of Science degree from Iowa State University on May 24, 1969.

Mr. Richard Pettit Jr. ('67) has received an assistantship to Miami University for his Ph.D. this fall. Mr. Pettit received his masters in history from the University of Dayton in April, 1969.

Manny Pereira ('66) is a 1st Lieutenant in the U. S. Air Force and is an aircraft maintenance and analysis officer.

Mr. Maurice L. Stone ('58) is on the faculty of the Slippery Rock State College in Slippery Rock, Pennsylvania.

Miss Geraldine Henry ('41) has retired from the Northeastern High School in Clark County, Ohio after teaching thirty-five years in the Northeastern school district.

Dr. James Wisecup ('50) has been appointed Piqua, Ohio Superintendent of Schools. Dr. Wisecup, a native of Cedarville, is a former Piqua teacher and elementary school principal. He has taught classes in educational administration at Wright State University, Dayton, Ohio the past year.

Mr. Marv Stephens ('65) is a faculty member of the science division at Malone College, Canton, Ohio. Marv recently received his Ph.D. from the University of Nebraska.

Mr. David Fetzer ('64) was one of seventy-six graduates from the Dallas Theological Seminary May 16, 1969. Dave received his masters degree in Christian Education and also received the Loraine Chafer Award in Systematic Theology.

\$2,648.15	123	\$127.00	\$.20

Rev. Cliff Boessel ('59) speaking to 175 Alumni gathered at the noon buffet.

Dave and Vicki Jensen ('65) duet.

Campus focal point immediately following the Homecoming Parade.

The Cedarville College Alumni Association announced on Homecoming, October 18, 1969, the newly elected Executive Committee. Pictured above are (left to right), Ty Bryant ('64), Alumni Director; Jody Grosh ('66), Secretary; Rev. Larry Czerniak ('64), President; Bill Riter ('64), Treasurer, and Ron Grosh ('68), Vice President. This committee plans to meet on a regular basis to discuss the opportunities of the CCAA during the next two years.

The Homecoming Queen, Ev Hare, and her court.

Mr. Dave Kerney, student body president, presenting the Queen.

The Queen's Court enroute during parade.

Alumni activities included the Class of 1964, 5th year reunion, where approximately forty classmates gathered for fellowship, slides, and a buffet dinner. Approximately 175 attended the Saturday noon alumni buffet which was "emceed" by newly elected, Alumni Association President, Rev. Larry Czerniak ('64).

Rev. Cliff Boessel ('59) brought a brief challenging message entitled "Wise and Willing." Rev. Boessel is pastor of the Bethel Baptist Church of South Toledo, Ohio. Dave and Vicki Jensen ('65) and Rev. George Zinn ('67), brought messages in special music.

Rev. Czerniak presented awards to: alumni who had traveled the greatest distance - Mrs. Pat (Micka) Eskolin ('64) from Miami, Florida; most recently married - Boyd (65) and Kathy (68) (Johnson) Griffith, August 23, 1969, and the most recent addition to a family - Rev. Dave ('63) and Donna ('63) Jeremiah, Janice Dee, very recently adopted.

The Cedarville College Alumni Association presented the Honorary Alumni Award to Mrs. Ruth Underwood, the College post office manager. The Alumni-of-the-Year Award was presented to Miss Bernice Mick ('55), the college bookstore manager with 15 years service.

The Annual Alumni Giving Class Award was presented to the class of 1961, who ranked No. 1 among 15 classes in total contributed (\$2,261.00), percentage of participation (38.7%), and average gift size (\$188.42 average from 31 donors). This enthusiasm enabled the association to increase by 65% their total gifts over that of last year's campaign. Miss Marlene Bresson ('61), Class Agent of the Class of 1961 was the recipient of the Class Agent-of-the-Year Award.

Approximately 80 alumni remained in the buffet room for the brief business meeting, and then joined hundreds of friends, other alumni, parents, prospective students and community friends in the area of the soccer field. Homecoming in 1970 is planned for October 16th and 17th.

1969 SOCCER RECAP

The Yellow Jackets' soccer team repeated their second place standing of last year in the Mid-Ohio Conference. The final record this season was 6-6-1. Mid-Ohio Conference victories were against Bluffton College, Defiance College, and Malone College. The sole defeat was to Wilmington College 1-3, the Mid-Ohio Conference Champions.

Coach Randy Ross's team was chosen as the leading team in offense in the state. Jim Cavey, a freshman, was selected as first in the state in season scoring with a total of seventeen points. Bob Austin and Sam Mc-Millin were both third in the state with twelve points each.

With only three men graduating, Joel Nitz, Andy Gathany, and Dave Draxier, Coach Ross feels that his team will be strong in returning players next season.

Jim Buzzard, goalie, was selected as the most valuable player.

Coach Ross and the team are visiting various churches and youth groups in the Ohio area and presenting special programs of music and testimonies.

ENGAGEMENT

Miss Sharon Boylan, instructor of Foreign Languages was engaged to Mr. Lee Hahnlen who is a senior and also is on the College campus security staff. A June 13, 1970, wedding is planned in Ames, Iowa. Lee plans to attend seminary.

ALUMNI OF NOTE, cont. from page 4

Mr. Pete Reese ('59) is athletic director at the Los Angeles Baptist College and Theological Seminary in Newhall, California and is active in the speakers bureau in the western states.

Mr. John Lawlor ('63) received his Th.M. degree from Grace Theological Seminary May 28, 1969. John is presently pastoring the Walnut Street Baptist Church, Jersey Shore, Pennsylvania.

WCDR - FM 90.1 MHZ STEREO

The Cedarville College radio station, WCDR-FM, under the direction of Paul Gathany, resumed broadcasting November 5, 1969. Programming is now automated by the installation of four tape decks, two random selected carousel cartridge decks, program switch, and time clock. The automated system, when programmed properly, performs most of the functions normally performed by a board operator. By operating automatically ten hours a day, students can gain experience in other more necessary areas of broadcasting. Approximately 100 hours of stereo programming will originate from WCDR-FM each week.

The radio staff conducted a local radio survey last spring to determine listener preferences concerning types and length of programs, listening times, and the penetration of FM and FM stereo receivers. Valuable data have been accumulated and will be of interest to the programming department of WCDR. In listenership the station came in third place in the county. This is ahead of two commercial stations.

It is hoped that the FCC will approve an application for increased power. The present power is 3.6 kilowatts, and the application is for 37.7 kilowatts. Upon approval by the FCC, the transmitting tower will be re-located 3½ miles southeast of Cedarville and the height increased to 400 feet.

SEARS MAKES GRANT

The College received two grants from the Sears and Roebuck Company Foundation. One was for \$500 toward the "Three to Grow On" campaign, and an additional gift of \$300 was designated for the purchase of books for the library.
