#### BOARDING CLUB

In order to insure good wholesome food at lowest possible cost to the students a Boarding Club is maintained in the Library building.

#### OPPORTUNITIES FOR SELF-HELP

Arrangements have been made by Expenses at Cedarville are probably which a limited number of students as low as can be found anywhere in from a distance, properly recommendthe United States and are much lower ed, may be given work sufficient to than in many other places. Expenses defray at least a part of their ex-

Assistance is given to students in can, therefore, better estimate them finding work. It is believed that no young man or woman, possessed of good health, energy, and determination, need be deprived of the advantages of a college education merely for the lack of means wherewith to defray expenses. Students who are working their way through college are honored by all at Cedarville College, and are given every encouragement and assistance in their laudable efforts to develop their powers and to fit themselves for higher spheres of use-

bureau was established for the benefit THE ALFORD of Cedarville graduates and students. An effort is made to find every student, former student, or alumnus who desires the services of the bureau, a to the College the church building, good position in which he can render formerly the property of the Reformefficient service and at the same time ed Presbyterian congregation (General earn a good livelihood. So successful Synod). This building, given by the has the bureau been that every senior donor as a memorial to his parents, who wishes to teach is nearly always employed in a good position before Mary B. Alford, has been named the campus in the rear of the Gymnasium. commencement. Our uniform experience is that, after a course taken ing the fall of 1925, Mr. Alford gave in Cedarville College, the services of \$20,000 on condition that the College our graduates are in demand and they find no difficulty in securing employment for their developed powers.

#### THE CEDRUS

An illustrated college annual, The Cedrus, published by the students, crystallizes the activities of the year into permanent literary and pictorial form.

#### CEDAR NEEDLES

A college paper published by the students. This paper endeavors to place before the public news items of interest in the various organizations.

#### CHAPEL

All students must attend chapel services which are held in the college chapel four times a week.

#### SUPERVISION OF WOMEN

direct supervision of the Deans of summer of 1908. The building is Women and are responsible to them seventy-two feet in length and fortyfor their conduct.

and the Students' Council, which is and College libraries have been comcomposed of two girls from the Senior bined, and new volumes are being add-Class, one from the Junior Class, and ed as needed. The leading periodicals

#### BUILDINGS AND EQUIPMENT

#### COLLEGE HALL

College Hall is the main building of the institution. It is a handsome edifice of pressed brick and cut stone. On the first floor are the chapel, class rooms and waiting rooms. On the second floor are recitation rooms. A large literary society hall and the college office occupy the entire third floor. Standing in the center of the beautiful campus, on the highest site in COLLEGE EMPLOYMENT BUREAU Cedarville, the building presents an In 1914, a college employment attractive and imposing appearance.

#### MEMORIAL GYMNASIUM departments.

In 1902, Mr. W. J. Alford presented the Rev. John Alford, D. D., and Mrs. "Alford Memorial Gymnasium." Durgive a like amount for the Memorial. The new building has an interior measurement of seventy feet by ninety feet. It has a seating capacity for assemblies of one thousand; and for athletic events it has a seating capacity of seven hundred. It is equipped with shower baths and running water. It has a large stage for plays and public gatherings. A well equipped kitchen provides for banquets and receptions. It is one of the most beautiful and best arranged gymnasiums in Southwestern Ohio.

#### THE CARNEGIE LIBRARY

In December, 1905, Mr. Andrew Carnegie donated \$11,695 to erect a library building for Cedarville College on condition that a like amount be added to the College endowment fund. This condition was fully met, and the building of brick and cut stone was All non-resident girls are under the completed and entered during the five feet in width, and contains all the Regulations governing conduct are modern library equipment with a caformulated by the Deans of Women pacity for 17,000 volumes. The village one from the Elementary Department, are kept on the reading tables.

#### SCIENCE HALL

Science Hall has been in use since September, 1923. It is a fine and imposing structure, 45x65 feet, located on the main campus just north of the Administration Building. It has a basement and two stories, heated by vapor, and is absolutely fire-proof. In the basement are a room and laboratory for Academic Physics, cloak rooms and toilets. The first and second floors provide space for Freshmen and advanced Chemistry, Physics and Biology. These rooms are furnished with the latest equipment for the study of the sciences. Electricity, natural gas and running water are available in all

#### ATHLETIC FIELD

The Athletic Field is a part of the main campus. Here are located the football gridiron and base ball diamond. The basket ball court is in Alford Gymnasium and the tennis courts occupy the entire space of the
