Cedarville College Bulletin

VOL. XX

MARCH, 1937

PUBLISHED BY CEDARVILLE COLLEGE AND ISSUED MONTHLY

Admitted as second class matter, Apr. 2, '15, at postoffice, Cedarville, O., under act of Congress of August 24, 1913.

CEDARVILLE COLLEGE GIRLS' DORMITORY

in memory of

or

given by

Cedarville College is very much in need of a dormitory to house at least forty girls for the present.

The Board of Trustees of the college recently purchased the John George property opposite the college campus. This makes an ideal location for the dormitory building. The cost of the building is estimated to be about \$25,000 to \$30,000.

Here is an opportunity for some friend of the college to render a great service in the interest of Christian education. It will be a permanent investment. It will be named after the person giving the building or in memory of a friend or member of the family. The trustees of the college are looking for some one or a number to make a gift for this purpose in the near future.

SUMMER SCHOOL ANNOUNCEMENTS

SEASON 1937

The first term of the Summer Session begins June 7 and closes July 10; the second term begins July 12 and ends August 14. Each term continues for five weeks, six days each week. Six semester hours of collegiate credit may be earned each term. Classes will be organized in any subject for which there is adequate demand. All credits earned in education and college subjects will be accepted towards the bachelor's degree, or the two-year diploma, provided the regular entrance requirements are met.

FACULTY

Members of the regular college faculty will be in charge of the work of the Summer School, supplemented by educators who are especially qualified for the work in which they will be engaged. The same efficient instruction will be given as in the regular college year.

WHO SHOULD ATTEND

The school is open to high school students, high school graduates, college students, college graduates, teachers in

service who need additional credits, and undertrained experienced teachers who are planning to meet the requirements of the State Department of Education under the provisions of the new certification law.

EXPENSES

Living expenses are as low at Cedarville as can be found anywhere. The tuition fee has been placed at the lowest possible figure. Laboratory fees have also been materially reduced for the Summer Session. The following is an estimate of the probable cost for each term:

| | | |
|----------------------------|-------|---------|
| Tuition for five weeks | ----- | \$20.00 |
| Boarding (estimated) | ----- | 20.00 |
| Furnished room (estimated) | ----- | 10.00 |
| Text books (estimated) | ----- | 5.00 |

\$55.00

The above estimates may in many cases be materially reduced.

SUMMER SCHOOL ANNOUNCEMENTS

FOR RENEWAL OR CONVERSION OF CERTIFICATES

Under the new certification law, "four-year provisional certificates may be renewed or converted into eight-year professional certificates, and the latter may be made permanent. A point system has been adopted under which certificates may be renewed, converted, or made permanent in accordance with the success and professional accomplishments of respective applicants.

"Following is a tabulation of the items included and the point significance of each:

| | |
|-------------------------------------|----------------|
| Additional training | 0 to 18 points |
| Reading Circle | 0 to 3 points |
| Membership in Teachers' Assoc. | 0 to 3 points |
| Attendance at Teachers' Meetings .. | 0 to 3 points |
| Educational Thesis | 0 to 10 points |
| Success in Teaching | 0 to 48 points |
| Total | 85 points |

"The achievement of a 50-point record by the beginning of the fourth year of teaching under a four-year provisional certificate will renew the four-year provisional certificate; 65 points will obtain an eight-year professional certificate, and 75 points will make the latter permanent.

"For Elementary Teachers, "additional training" means credit beyond graduation from a two-year normal course and applying toward the completion of a four-year degree course in the elementary, secondary, or special fields. Since two years of training are involved in this program, four semester hours will count one point."

"Success in Teaching" depends so much on adequate training, and progressive attitude that one can hardly rank high in success without the fullest preparation. Two-year normal graduates should continue their training to insure success, to protect the children from inferior instruction, and to earn additional points for renewals or conversion of certificates.

Since two years of training are involved in the above point system, 1937 graduates as well as earlier graduates will do well to attend the coming Summer Session, unless you are planning to take a year off to complete your training requirements.

UNDERTRAINED EXPERIENCED TEACHERS

According to the regulations of the State Department of Education, "All undertrained elementary teachers who have not obtained life certificates under the old law must qualify, by September 1, 1938, for elementary provisional certificates by completion of approved two-year normal courses, and all high school and special teachers who do not hold life certificates in their respective fields, must qualify by the same date for four-year provisional certificates by completion of approved four-year courses. Those who continue to teach while completing their training may do so on temporary certificates, requested by their respective superintendents (county, city, or exempted village) and granted by the Director of Education on condition of satisfactory progress in training during each intervening year."

The completion of the following curriculum entitles one to the two-year diploma from Cedarville College and the four-year State Provisional certificate:

A Major Study (a study selected by the student and consisting of three years of collegiate work in some subject of study ordinarily taught in secondary schools, for instance, English, Latin, Biology, or History). In order to major in any subject, the student must have the prerequisite high school units required by the Department of Education of the State of Ohio. The following are the number of units prerequisite to each study: English (public speaking, literature, rhetoric) 3; history (political science, civics) 2; social science (economics, sociology, ethics, philosophy, logic) 1; biological science (biology, zoology, botany, physiology, agriculture) 1; physical science (physics, chemistry) 2; earth science (geology, geography, physiography) 1; mathematics (algebra, geometry, trigonometry, astronomy, statistics, etc.) 2; French 2; German 2; Greek 2; Latin 4. One semester of collegiate credit in any subject may be offered in lieu of each unit of the high school prerequisite in that subject, except in Latin.

Two Minor Studies (consisting of two years of collegiate work in subjects of study ordinarily taught in secondary schools). The same requirements as to prerequisite high school units apply to the minor studies as to the major study, as stated above. Required work as well as elective may be counted toward the major and minor studies.

Elective studies in addition to those specified above to an amount sufficient to make a total of one hundred and twenty semester hours.

PRACTICE TEACHING

Opportunity will be given for practice teaching in the elementary field, but it must be done the first term. Our facilities are limited, therefore, anyone needing practice

teaching must make application before June 1, 1937. The fee is two dollars and fifty cents per credit hour. All inquiries relative to practice teaching, or any other matters concerning the summer school should be addressed to

A. J. HOSTETLER,
Director of Summer School,
Cedarville, Ohio.

MUSIC DEPARTMENT

Although the Mixed Chorus has several prospective dates ahead for rendering "The Holy City" which was given in the Cedarville Presbyterian Church on March 21st, they are working at regular rehearsal time on a new program, "Trial by Jury," a melodramatic opera by Gilbert and Sullivan, which will be given at The Annual Sing Fest on April 29th.

Also on this occasion clever and interesting performances will be given by The Girls Glee Club, and the two Men's Quartets.

This Annual College Sing Fest will climax the work of the various organizations of the Music Department in an evening of light entertainment, clever and witty musical sketches and fun. We invite all of Cedarville's friends to come to the Sing Fest on April 29th at 8 p. m.

April 18th at 2 p. m. will be the second broadcast over WHIO, Dayton. The College Quartet (three of whose members are graduating this year) will give a splendid program of sacred music, and Miss Basore, professor of Public Speaking will read a sacred drama. Be sure to listen in! April 18th.

On March 19th the Quartet and Miss Basore gave an entertaining program before 300 pupils of the Mason Jr. and Senior High. They plan to visit a number of High Schools in Miami county on April 8th, and are available for future dates wherever friends want them.

BASKETBALL BANQUET

Cedarville College gave special recognition to its basketball team by honoring them at a banquet on the evening of March 17 in the Alford Memorial Gymnasium. Dinner was served by the Ladies' Advisory Board of the College to over a hundred students and members of the faculty. The tables were beautifully decorated with shamrocks and lighted tapers in keeping with St. Patrick's Day.

Mr. John L. Dorst was the toastmaster for the occasion. In behalf of the student body Mr. James Anderson gave the welcome to the basketball team. Mr. Harry Wallace, a member of the first team for four years, responded for the players. Dr. McChesney gave a brief history of former basketball teams of Cedarville College.

Letters and numerals were presented to the members of the squad by Coach John W. Ault.

As a fitting climax to the evening the crowd was entertained by Mr. Clifford Bearmore, Alliance, Ohio, who showed motion pictures of the Olympic games held last summer in Berlin, Germany.

The banquet was quite a success and it is hoped that it may become an annual affair.

Y. W. C. A.

For the first time in many years the Y. W. C. A. held an undisturbed mock wedding at the home of Miss Beatrice McClellan Friday, March 19. The girls came to an "old

clothes" party, dressed in all manners of costumes, only to find the McClellan home decorated for the wedding.

The bride was Miss Mildred Beard, Bowersville; the groom, Miss Dorothy Anderson, Cedarville; and the preacher, Miss Esther Waddle, Springfield. Other attendants were chosen from the college girls.

Following the mock ceremony a reception was held in the living rooms of the McClellan home.

DAYTON ALUMNI CHAPTER

On March 9th the second meeting of the Dayton Alumni Chapter of Cedarville College met. The meeting was held in the parsonage of the First United Presbyterian Church, Rev. Ronald E. Boyer, '35, Pastor. Rev. and Mrs. Boyer are very hospitable and thoughtful entertainers. The evening was spent in games. The members who were present brought a pot-luck supper and excellent refreshments were enjoyed.

Mr. John L. Dorst, Business Manager, was present and presented the needs of the college and his plans for meeting them. Dr. and Mrs. McChesney, also were in attendance, and President McChesney endorsed the business manager's plans. William Nagley, '28, made an earnest plea to enlist students for Cedarville College from the various high schools of Dayton and community. For the past several years quite a number of students have been coming to Cedarville College from Dayton and surrounding communities. Rev. Boyer, Dr. Harriman, Mr. Rodger Stormont, '30 and Miss Hutchison also made helpful remarks.

It is planned to hold the next meeting early in May and very special arrangements are being made to enlist the interest of all of our alumni and students in and about Dayton, and also prospective students from the same areas.

Dr. Harriman, '12, is the president of the chapter, and his address is 80 Oxford Avenue. Dr. Carrie E. Hutchison, '04, 624 Harries Building, Dayton, Ohio, is the secretary of the chapter.

ORIGINAL BOY SCOUT SPEAKS

Sergeant Chapman, Fairfield, gave a very interesting speech to the combined Y. M. C. A. and Y. W. C. A. on Wednesday morning, February 24. He told of his experiences in England where in his boyhood days he was one of the sixteen boys of the first scout troop organized in the world. Sergeant Chapman told how the motto, the handclasp, and many other scout traditions originated. He spoke in an unusual and delightful manner.

—Whispering Cedars.

DR. ROLLIN WALKER

Dr. Rollin H. Walker, Professor Emeritus of English Bible at Ohio Wesleyan University, gave three very challenging and inspiring addresses in the college chapel programs on March 3, 4, and 5th.

Dr. Walker in his first address preached on the scripture, "I have come that ye might have life and have it more abundantly." He decried the many teachers that lack enthusiasm in their work. In his second address he told of the great power possible through prayer. On Friday morning, Dr. Walker told of the application of Jesus' principles to our social problems.

In all of Dr. Walker's talks we could see a radiant personality shining through. Knowing Dr. Walker is to know what life can be and what it can mean to other people. As we look back upon this experience, we are able to realize better than ever before that true religion always makes life more abundant.

THE HOLY CITY

The Cedarville College Mixed Chorus, under the direction of Mildred Watt Bickett, presented the sacred oratorio, "The Holy City," by A. R. Gaul, on Sunday evening, March 21, in the First Presbyterian Church. It was a beautiful and impressive service.

JUNIOR PLAY

The Junior Play, "Yours Truly Willie" presented on March 30 was a "howling" success. Roy Linton, in the title role, gave an unusually fine performance. All the members of the cast played their parts exceptionally well. Miss Glenna Basore directed the play.

"To be glad of life, because it gives you a chance to love and to work and to plan, and to look up at the stars; to be satisfied with your possessions, but not contented with yourself until you have made the best of them; to despise nothing on the world but falsehood and meanness, and to fear nothing except cowardice, to be governed by your admirations rather than by your disgusts; to covet nothing that is your neighbor's except his kindness of heart and gentleness of manners; to think seldom of your enemies, often of your friends, and every day of Christ; and to spend as much time as you can with body and with spirit, in God's out-of-doors—these are little guide posts on the footpath to peace." —Henry W. Dan Dyke.
