VOL. XX

DECEMBER-JANUARY, 1937

NO. 8

PUBLISHED BY CEDARVILLE COLLEGE AND ISSUED MONTHLY

Admitted as second class matter, Apr. 2, '15, at postoffice, Cedarville, O., under act of Congress of August 24, 1913.

NEW YEAR'S LETTER

1937 presents new opportunities. It welcomes our plans, efforts and prayers to devote ourselves to the best purposes and needs of life. We live to develop ourselves to the highest good, to help others to reach the true goal of their lives, and, in all, to glorify God.

Let not the resolutions for good, made on January 1st, fade out; but rather let us make anew these resolutions with each coming day. Try to live only one day at a time. Waste no time in vain regrets for past failures, dream not in impossible terms of to-morrow, but act in keeping with your powers, possibilities, and noblest purposes of the present.

May the new year deal kindly and generously with all of us; but if it does not, may we be given grace and use it to accept our lot with courage and patience.

The best we can do is to do what we ought to do and to be found faithful in our place and work.

Therefore, with a charitable disposition toward all, however we may differ from some, let us with sincere purpose, honest mind, and renewed vigor, consecrate ourselves fully to the task that is ours.

Yours sincerely,

W. R. McCHESNEY.

COME TO COLLEGE

You are young. You have a life to invest. You desire to make the most of your life. You should be prepared to give the best you can. A college education is one of the assets useful to many in making life count. College trained men and women, who have occupied places of influence and service, and today occupy them, are living proofs of the value of a college training.

In business, as leaders and organizers; in state as representatives, senators, governors, judges, and presidents; in church, as builders, counsellors, and ministers; in all walks and ways of life college men and women have been called to direct, promote, and maintain prominent and useful lines of progress. Today, a college training is indispensable.

Cedarville College offers you an opportunity to prepare yourself for a life's work. Whether you wish to teach, be an attorney, a physician, a minister of the gospel, a writer, a statesman, a farmer, a leader in business or industry, Cedarville College can offer you excellent courses of study, under capable professors, and in a wholesome Christian atmosphere, all calculated to give vision and training for a service in life worth while.

AMONG OUR ALUMNI

Our alumni are located in nearly every state of the United States and in foreign countries.

Our alumni are in every honorable pursuit of life. Many of them hold high and responsible positions in busi-1 ess, church, and state.

Eloise McLaughlin, '32, is one of our faithful and loyal graduates. She contributes liberally to the needs of her Alma Mater. Eloise teaches at Vandalia.

Another generous giver to Cedarville College is Carrie M. Rife. Carrie is the popular principal of Cedarville High School and the efficient President of our Alumni Association.

Chaplain Markle, '25, and Mrs. Eloise Davis Markle, 23, are now in California, and will soon sail for the Chaplain's new post in Tutuila, in the far Pacific.

We are glad to have Rev. Herbert Main, '30, and his wife, Mrs. Lucille Johnson Main, '24, located so near to us in the pleasant city of Loveland, Ohio.

A letter was received recently from Bruce Collins, '99, who is now Superintendent of Imperial County Schools, and President of the Association of California Public School Superintendents.

A meeting of a number of the alumni in and near Dayton was held at the Dayton Y. M. C. A. on Tuesday, November 23, in the interest of the college. President Mc-Chesney and Mr. John L. Dorst addressed the meeting. Those in attendance were: Rev. Ronald E. Boyer, Dayton; Dr. Daniel Brownlee, Dayton; Dr. W. P. Harriman, Dayton; Dr. V. E. Busler, Piqua; Dr. Guy Creek, Carlisle; and Dr. Earl McKinney, Springfield.

A wedding of interest to the alumni is that of Mr. Ralph L. Rife, '22, who was married to Miss Elen Louise Johnson, of East Liverpool, Ohio, at the home of the bride on Saturday, November 28. Mr. Paul Rife, '35, brother of the groom was one of the attendants.

We extend our sincere sympathy to Miss Wanda Turnbull, '35, on the death of her grandmother; and to Bruce Anderson, '14, on the death of his mother.

Fine reports come from friends of the Western Theological Seminary concerning Walter Kilpatrick, '34, and Franklin Trubee, '35. Both of them have congregations which they are serving, and are making A records in their seminary work.

Mr. Edward Irons, '32, and wife, the former Miss Margaret Pickering, are announcing the arrival of a daughter.

Rev. Clair McNeel, '29, has been called to the Presbyterian church at Liberty, Indiana.

LIMIT OF WORK

TIME REQUIRED

Ordinarily the completion of the requirements for the degree of Bachelor of Arts or Bachelor of Science takes four years.

Y. W. C. A.

The regular meetings of the Y. W. C. A. for the past two months have consisted mainly of joint meetings with the Y. M. C. A. in which special speakers gave addresses. Some of these speakers were Chaplain LaClede Markle. Rev. Duff of Yellow Springs, and Rev. Hill of Cedarville. Rev. Simester, of the Trinity M. E. Church, of Xenia gave the pre-Christmas address on December 16.

The Secret Pal Christmas Party was held at the home of Prof. and Mrs. C. W. Steele on Wednesday evening, December 16. The mystery surrounding the Y. W. for the past month was climaxed when the girls discovered the identity of their secret pals. As a token of their appreciation for the interest which she has shown in the welfare of the Y. W., the girls presented Mrs. Steele with a Christmas plant.

FACULTY DINNERS

Early in the first semester the faculty enjoyed a steak roast with all the side dishes accompanying it at Bryan Park. Just before the holidays they met at the home of Rev. and Mrs. Dwight R. Guthrie and had a turkey dinner. Both affairs were delightful and we especially enjoyed the always hearty welcome of Rev. and Mrs. Guthrie.

ACTIVITIES OF THE DEPARTMENT OF MUSIC

The month of December with its broad range of appropriate Christmas music brought many extraordinary musical activities to the campus.

The College Mixed Chorus of 36 members, eighteen men and eighteen women, gave a beautiful Christmas Convocation of Sacred Music on December 13th which was attended by a crowded house including the student body and many friends from the neighboring communities. This was a candle light service of carols and anthems, and special solos given by the following soloists: Beatrice McClellan, John Richards, Kenneth Sanderson and Fred Lott. Mr. John L. Dorst gave some remarks on "The Ministry of Music."

In a similar program, the Mixed Chorus was heard over WHIO Dayton on December 6th; at the Methodist Church, Cedarville, December 7th; and at Waynesville High School on December 17th. This chorus has won an outstanding reputation with their singing this year, and the many favorable comments have encouraged them to broaden their field of performance into towns and villages further away from Cedarville. They are available for either sacred or secular programs wherever their expenses can be paid and a full house to hear them can be guaranteed.

The College has recently purchased a beautifully toned Steinway piano for the chapel; and, to initiate it, the first Music Recital of the year was held on December 15th at 4 P. M. The following students of the Music Department gave a good performance of their work in either voice or piano: Beatrice McClellan, Ruth Flory, Jane West, Lois Fisher, Martha Jane Creswell, Wayne Andrew, Raymond Sisson, and the Girls' Glee Club.

The recent public appearances of the Girls' Glee Club of sixteen members have been made more attractive by their new uniforms—orange sweaters and blue skirts with lyre insignia in orange and blue on the front of the sweater.

The two men's quartets have been giving some interesting programs, and together, as a Men's Double Quartet, have arranged a worthwhile sacred program to be given in churches.

The whole work of the Music Department shows evidences of increasing interest in good performance and skill in the many phases of the art of music.

' DEBATE NEWS

Twelve students answered the call for intercollegiate debaters. The question to be used is the one chosen by the Mid-West Debate Conference: Resolved: That the extension of consumers' cooperatives would contribute to the general welfare. We plan to enter four teams in the yearly tournament at Manchester College, North Manchester, Ind. Two teams will enter as Group A and two will enter as Group B. Heretofore we have had two teams to enter the tournamment. We are also planning to hold two debates each with Rio Grande, Wilberforce, and Bowling Green University. It looks like a big season, with the prospects of about thirty intercollegiate debates.

BASKETBALL SEASON

Cedarvile College basketball team will meet its regular Northwest Ohio Conference opponents; Bluffton, Defiance and Wilmington. Although our conference is small, the rivalry is intense, and we are expecting a number of excellent games. In addition to the Conference schools, the Cedarville schedule includes Otterbein College, Rio Grande College, Franklin University, and the Y. M. C. A. team from Springfield.

Twenty-one candidates have reported; and although the majority are small in height, there are a number of clever players in the group. At present the first squad includes Joe Waddle, Blutcher Gibson, Howard Swaim, Harry Wallace, Roy Linton, Clyde Walker, Gale Ross, Russell Roberts, Earl Stitsworth, Kenneth McNeal and Cecil Thomas. Five of these boys graduated from Greene County schools and the rest are from nearby counties.

So far three games have been played: the first, a win taken from the Y. M. C. A. of Springfield, the second lost to Otterbein, and the third, a victory over our Conference rivals, Bluffton.

TO PROSPECTIVE STUDENTS

Cedarville College is expecting the largest enrollment in its history in 1937-1938. Plans are being made to extend an intensive canvass for a large Freshman class.

Cedarville College offers various curricula and degrees, which fit any, completing a course of study, for a life's work. We have been most successful in placing our graduates in good positions. The social life of Cedarville College is of a high and wholesome character. Cedarville College offers its many phased activities and opportunities to its students at a very low cost. We aim to furnish a good college training at the lowest possible cost to the student.

For instance, books, boarding, furnished room, tuition and other fees for thirty-six weeks run from only \$350 to \$400. Send for catalogue and full information to the President, Cedarville College, Cedarville, Ohio.

WHISPERING CEDARS

Students, faculty, and friends unite in praise of the staff of Whispering Cedars. The paper has been par excellence. Untiring efforts have been put forth by the staff to make the paper attractive in style and matter.

THE CEDRUS

Pictures are being taken for the 1937 annual. The Cedrus will be out for distribution in May. The pictures this year will emphasize the individual presentation rather than the group. The Cedrus will be larger than usual. You should send your order in at once to the Cedrus Staff, Cedarville College, Cedarville, Ohio.
