NEW CURTAINS PRESENTED
FOR ALFORD AUDITORIUM;
NUMEROUS IMPROVEMENTS
SCHEDULED FOR SUMMER

Mrs. Clifford R. Maddox presented new blue stage curtains for Alford Auditorium to Dr. Jeremiah at the beginning of the chapel service on April 18. This was a \$1500 project of the Women's Auxiliary, an organization composed of the women faculty and staff members and faculty and trustee wives.

During the recent improvements to Alford Auditorium it was rewired to handle the new stage lighting, and the controls for the spotlights were put in the control booth in the back of the auditorium. This booth will be used to direct spotlights on the stage and will also be used by campus radio station WCDR-FM.

Many campus improvements are being planned for this summer if funds become available. The College Bookstore will be moved to a new location, and an infirmary is to be ready for use in time for next winter's flu season. A new sidewalk is to be put in from Patterson to Rife and Bethel.

A new sidewalk and curbing will be laid at the library, and the library steps will be repaired. Other improvements are further remodeling of Milner Hall, erection of an observatory, a parking lot for Bethel and Rife, and landscaping in front of Bethel.

TRUSTEES NAME
NEW GIRLS' DORMITORY
FOR DR. ARTHUR F. WILLIAMS

Dr. James T. Jeremiah, Cedarville College president, announced in the chapel service on April 18 that the new girls' dorm had been officially named Williams Hall in honor of beloved Dr. Arthur F. Williams, professor of Bible. The honor was given in appreciation of the years of service rendered to the school.

It began when the girls in the dorm signed a petition, which was later backed by the Student Council, and presented it to the administration and board of trustees of the College. The final decision was made by the trustees, and on March 9 they voted to name the "New Girls' Dorm" Williams Hall.

Since Dr. Williams graduated from Colgate University in 1928 with a B.A. degree until the present time, he has pastored churches, served on committees, and taught school.

From 1928 to 1933, he served as pastor of the Randall Memorial Baptist Church in Williamsville, New York; from 1933 to 1941, he pastored the Park Avenue Baptist Church of Binghamton, New York. The First Baptist Church of New York City was his third pastorate which he served from 1941 to 1947. It was during this time in 1942 that he received the D.D. degree from Wheaton

EDITORIALS

The new girls dorm has a name! (See story, page 1) It's about time—the name "New Girls Dorm" has been a tasteless one from the first day it was called "New Girls Dorm."

It's nice to have dorms and buildings named after people—especially someone as loved and respected as Dr. Williams. Certainly there is no one more deserving of such an honor on our campus. Thanks should go to the girls in the dormitory for their part in naming "Williams Hall." It must be encouraging to our administration to see the perceptiveness and initiative on the part of some students in this matter.

As the end of the school year looms dimly into view, we think of those who have labored so long and so hard for the betterment of our school with so little reward for their efforts.

Probably the toughest job on the campus is that of dorm counselor. They have the responsibility of dorm discipline, plus mountains of reports, evaluations, etc. They are subjects of criticism probably more than any other group of students on the campus. Yet for all this they receive a mere pittance of \$5 per week. Their assistants, also subject to much of the same, earn a mere \$2 per week. These deserve recognition for their efforts. We can be glad that some have taken these unwanted, but necessary, tasks. To them, we offer a hearty "Thanks"! It will be these folks who will probably bring the great-

est honor to their former school after they leave. Funny how it always seems to work that way . . .

Eight days before the publication of this issue of the Whispering Cedars, three young men were dismissed from this College for drinking alcoholic beverages. The Handbook of this institution expressly forbids such conduct from its students. It is our feeling that the discipline committee and the administrative committee should be commended for their prompt action in this matter, and for the action taken.

Those who will not conform themselves to Christian standards of conduct are not welcome at Cedarville College. Any prospective student reading this better reconsider coming to Cedarville if he or she has such a conduct problem. Better go somewhere else if you do—you'll save yourself (and Cedarville College) a lot of trouble.

NOTICE

All school bills are to be paid in full by May 15. This will save confusion at examination time and will help the College to meet its financial obligations.

STUDENT OPINION POLL

"How does Cedarville College compare in the difficulty of courses with the school from which you transferred?"

(School from which student transferred is in parentheses.)

Danny Thomas (Le Tourneau - Tex.): "Cedarville is definitely harder."

Gary Jacobs (Bay City Junior College - Mich.): "Cedarville is easier. Bay City is considered one of the hardest schools in Michigan."

Helen Meshew (Jackson Junior College - Mich.): "Cedarville requires more work, and the rules are also a little bit stricter."

Art Thompson (Ohio State University): "Classes and courses are quite similar anywhere, and it's up to the student to make of them what he will. On the whole, Ohio State is not much different than Cedarville."

Sandi Kidder (Goshen College - Ind.): "There is about the same amount of work required here as at Goshen, but the grading scale is much higher at Goshen."

Stan Seevers (Bob Jones University - S. Car.): "I'd say that requirements were about the same at both schools, although Bob Jones has more and larger departments."

Jim Engelmänn (Flint Junior College - Mich.): "Cedarville is much harder. I didn't have much homework at Flint. However, I did take quite a few metallurgical courses."

STUDENT WIVES HOLD ANNUAL BANQUET

The Student Wives held their annual banquet on Friday, April 26, at 6:30 p.m. in the Student Center. This is a banquet for the members of the organization and their husbands. It was a Pot-Luck dinner and featured a special program with Jerry Wagnitz acting as master of ceremonies.

College. His last pastorate before coming to Cedarville was the First Baptist Church in Elyria, Ohio, from 1947 to 1953.

In 1953, Dr. Williams came to Cedarville College as Dean of Students and professor of the English Bible and served in this capacity until 1960. At the present time, he heads the division of Bible and Christian Education and is professor of Bible.

Dr. Williams has had many other activities other than his duties as a pastor and a professor. Among these were the Board of Directors of Shelton College, of which he was a member from 1942 to 1953; chairman of the Chaplaincy Commission of the American Council of Christian Churches from 1942 to 1952; a member of the Council of Fourteen of the General Association of Regular Baptist Churches; and a member of the Executive Committee of the Association of Baptists for World Evangelism.

CC DRAMATIC DEPARTMENT TO PRESENT "THE ROBE"

On the evenings of May 10 and 11, at 8:15 p. m. in Alford Auditorium, the dramatic department of Cedarville College will present a play entitled "The Robe," written by Lloyd C. Douglas. This will be the first play ever presented on the Alford Memorial Auditorium stage and the first use of our equipment, particularly the new stage curtains presented to the College recently by the Ladies Auxiliary.

Mrs. C. R. Maddox is the director of the play, with Paul Gathany serving as student director and Aloha Patch as stage director. Miss Ruth Smith, assisted by a number of faculty wives, is responsible for making the costumes for the play.

Mr. Russell and the students in the art department have been busy in recent weeks creating typically Roman props which will be used as background.

"The Robe" is the story of the crucifixion of Christ and tells what became of the clothing He had on at the time of the crucifixion. The robe passed into the hands of some soldiers on duty, and, because of the influence of Christ's life, many of those who came into contact with the crucifixion were deeply affected and gained a full knowledge of Christ. The play portrays the sufferings of the early Christians, the martyrdom of Stephanos, the influence of the emperors Tiberius and Caligula, and, finally, the martyrdom of Marcellus and his wife, Diana.

The lead parts of the play are held by Jon Barker, playing Marcellus; Joe Stowell, playing Demetrius; and Mona Ballard, playing Diana. The cast is as follows:

Marcellus	Jon Barker
Demetrius	Joe Stowell
Diana	Mona Ballard
Melas	Richard Davidson
Sarpedon	Richard Davidson
Paulus	David Fisher
Tiberius	David Fisher
Sarah	Donna Roost
Phoebe	Donna Roost
Pilate	John Stockwell
Quintus	John Stockwell

SENIORS TO TAKE GRADUATE RECORD EXAMINATION

The Graduate Record Examination, published by the Educational Test Service, covers three different areas: aptitude, special field interest tests, and the area test which consists of natural science, humanities, and social science. The area test will be given to all graduating seniors for use in comparing our general education with that of other colleges. This test is considered valid in determining what a person has learned outside his specialized field.

The test has been given in past years, and the administration plans to continue its use in the future. This year it is being given on a larger scale and is required of those receiving diplomas.

It is hoped that the G. R. E. can continue to be used because it is one of the things desired by accrediting agencies and the Ohio College Association. The test will be given here at the end of the senior year, but it can be given from the freshman year on up. Many colleges and universities are using the G. R. E. in giving honors awards and often set certain standards which must be attained on the test before graduation. This will not be done here immediately, but it will give us some idea as to whether our students and our teachers have measured up to standards that would be expected of us and which we hope to work toward.

Another test to be given at the beginning and the end of the sophomore year is the General Culture Test, covering five areas including social studies,

literature, science, mathematics, and fine arts. It is hoped that by giving the two different forms of the test, one at the beginning and one at the end of the year, progress can be measured. This General Culture Test will also serve as preparation for the G. R. E. in the senior year.

YELLOW JACKETS EXTEND BASEBALL RECORD TO 6-1

The C. C. baseball team boosted its record to 5-0 with a convincing double win over Defiance on April 20, winning the opener 12-3 and grabbing the night-cap 9-1. Both games were 7-inning contests.

Cedarville made maximum use of walks, hit batsmen, and Defiance errors in the first game, as they needed only 6 hits to win their fourth game of the season. Four of the hits were good for three bases, however, and each figured in the scoring. A two-out triple by Tom DeLanzo in the third inning scored Norris Smith, who had become Cedarville's first base runner via the walk route. The Jackets held onto the slim one-run lead until the fifth, when they tallied 5 times in a rally featuring Denny McDonald's bases-loaded triple. Defiance came back with 3 in the sixth, including a two-run homer by their pitcher, Bill Frederick, but the Yellow Jackets bombed for 6 more runs in the sixth inning, then held Defiance scoreless in the seventh to wrap up Norris Smith's third win without a setback.

In the second game big Charlie Wilkins won the second game of his college career, striking out 12 and walking only two as Cedarville continued their fine offensive show. A bases-loaded single by Bud Connell in the Cedarville first got C. C. off and running to a 2-0 lead. Defiance touched Wilkins for a run in the third, but a triple by Connell in Cedarville's half of that frame sent two more runs across and put Cedarville out of reach. The Yellow Jackets added 2 more runs in the fifth inning and add-

ed a final 3 in the sixth to win their fifth game going away.

Cedarville cracked 7 triples and a double in the doubleheader, including 3 three-baggers by McDonald, two coming in the first game and one in the second. DeLanzo had two of the long hits, and Connell and Larry Meek one apiece.

The Yellow Jacket baseballers were defeated by Bluffton's Beavers 6-3 on April 26, only to come back the next day to beat Bluffton 8-3 to split an important Mid-Ohio League two-game set at Bluffton.

Cedarville suffered its first setback of the season in the opening game as left-hander Dan Shilling held the Jackets to only four hits while walking the same number. Bluffton pounded Cedars hurler Norris Smith for 13 hits. Smith had control trouble, walking 7 as he lost his first game of the season. His record is now 3-1.

The Jackets snapped back the next day, however, to take an 8-3 decision from the Beavers. They scored all the runs they needed to win in the first inning when they pushed across four tallies. Singles by the first three Cedarville hitters, Tom DeLanzo, Ted Ocheltree, and Denny McDonald scored the first run. Bud Connell walked before McDonald scored on a fielder's choice. Jim Grafton was safe on another fielder's choice, Connell scoring, and scored himself on Larry Meek's sharp single. The Jackets scored twice more in the fourth and

TRACK TEAM PLACES SECOND IN TRIANGULAR MEET; LOSES TO WILMINGTON

The Cedarville thinclads placed second in a triangular meet April 19 as they met with Taylor and Grace on the Taylor campus. The final score was Taylor 99, Cedarville 27, Grace 24.

Jim Sprague of C. C. won both the one and two-mile races, in times of 4:40 and 10:19 respectively. Gene Culley placed second in the high hurdles (17:8) and third in the 220 low hurdles. Dave McDonald placed second in the broad jump with a leap of 19'6 1/2", and was third in the high jump at 5'8". Cedarville was second in the mile relay at 3:42:5.

Wilmington defeated Cedarville in a dual track meet April 26 at Wilmington. The final score was 77-32.

Cedarville took five first places in 12 events, but took only one second in the meet. Jim Sprague, star C. C. mile, won both the mile (4:38.6) and two-mile (11:28.3) runs. Dave Gordon won the 100-yard dash (10.7) and the 220-yard dash (23.6). Sprague also won the 880-yard dash with a time of 2:09.2. Cedarville's Bud Davis placed second in the high jump with a leap of 5'8".

The Jackets garnered 4 third places, including the 880-yard dash (Jim Joiner, 2:17.1), the high jump (Dave McDonald, 5'6"), the discus (Jon Barker, 87'11"), and the broad jump (McDonald, 19'6 3/4").

TENNIS TEAM DROPS TWO; WINS ONE

The Cedarville tennis team dropped their first match of the season to Wilmington, losing 7-0 in a match at Central State on April 20. However, they came back to defeat Rio Grande 7-1 in a match at Chillicothe on April 23.

This year's tennis team includes the following players: Tom Thatcher, Don Entner, Bob Auffort, Ed Eastman, and George Tulloch.

The C. C. tennis team dropped their record to 1-2 as they lost to Wilmington April 27, 5-2, in a match at Wilmington.

Cedarville's only winners were number one and number two singles, Tom Thatcher and Don Entner.

BASEBALL (continued from page 6)
