## Clyde Walker Heads Alumni

After getting together during the fall football homecoming, the officers of the Cedarville College Alumni association decided to band together as an executive committee for the purpose of reviving interest in their alma mater. Their decision became a reality on Thursday evening, November 5, when the group met on the campus with Dean Gilbert B. Dodd. All officers were persent except the president, whose plans to attend were altered by an illness, and the secretary, who could not be reached in time for the meeting.

It was decided to publish an alumni bulletin containing news of the various graduates and former students of Cedarville college. Mrs. Lloyd Benham (Elizabeth Anderson, Class of 1941) was named editor. News items may be forwarded to Mrs. Benham either at Yellow Springs or at Cedarville college. All news will be appreciated. Another project that was discussed was the revival of a serios of alumni chapters throughout southwestern Ohio. Already a chapter is being organized in Springfield. Columbus has a thriving chapter which meets quite frequently. Dayton and Xenia were also mentioned as possible cities in which loyal alumni chapters might be devel-

The members of the executive committee also pledged their support to the Cedarville College 1000 Books campaign which is intended to replenish the college library with much needed up-to-date books and periodicals. This campaign will start with a kick-off dinner in December.

The alumni executive committee decided to hold monthly meetings. It is also planned to enlarge the committee. Many favorable comments have been received by the committee regarding the alumni-student homecoming chapel service held last October 17.

#### Dr. Steele Honored

President and Mrs. Vayhinger joined with members of the faculty and their wives to honor Dr. and Mrs. C. W. Steele at a testimonial dinner at the college cafeteria, November 12. Dr. Steele is on a year's leave of absence.

## Clark County Alumni Meet

At an organization meeting held in the Springfield YMCA November 5, several loyal Springfield and Clark County alumni set up a temporary committee to serve until a permanent organization of the group can be effected. A dinner meeting was set for Friday evening, December 3, at 6:30 p. m. in the Springfield YMCA. Letters of invitation have been mailed to all Springfield and Clark County alumni and former students.

The temporary committee includes Rev. Robert W. Ustick, Springfield; Rev. B. B. Fleming, Springfield; and Mary Helen Creswell, Springfield. Pres. Vayhinger, Dean Todd, Trustee John L. Dorst, and Myers Bose, a student, also assisted in the temporary organization.

In addition to the dinner and the permanent organization on December 3, the college will furnish a program, and representatives of the college will be present to outline the future plans of the college. All alumni, ex-students, and present students from Clark County are urged to attend.

# Borst Named To Clark Post

R. M. Borst, football, basketball, and baseball coach at Cedarville College from 1927 to 1932, was appointed recently to the post of assistant county superintendent of schools in Clark County. Borst graduated from Wittenberg College in 1927. After leaving Cedarville College in 1932, he was principal at Pitchin High School for six years, and has been principal at New Carlisle High School for the past ten years. Both schools are located in Clark County.

#### Dark Room Built At Science Hall

Prof. Elwood R. Shaw, assisted by John Blazer, recently completed work on a photographic darkroom in the science building. The room was formerly a storeroom in the basement of the building. Proceeds from the sale of photographs are invested in the purchase of photographic equipment and supplies. In addition to the prints made for the student body, numerous photographs are used in the college annual, the college bulletin, and in college publicity releases.

# Rowland, Marcum. Cedarville College In New League

Cedarville College became one of the five charter members of a new league, named the Mid-Ohio League, whose members ship includes smaller Ohio colleges. Other charter members are Bluffton, Ashland, Findlay, and Defiance. Other schools may join the league in the future. Several of the participating schools withdrew from the Ohio Conference to make the Mid-Ohio League possible.

The league program, to begin in 1949, will cover six sports. Home and home series will be scheduled in football, basketball, baseball, tennis, and golf, and one major track meet will be staged each year.

The new league, instigated by Ashland's coach George Donges, for the chief purpose of bringing the smaller colleges together in a conference, elected Mr. Donges as the league's first president. The Cedarville College faculty approved the entry of Cedarville College at a meeting held early in November. Coach Mendel E. Beattie is the athletic representative from Cedarville College, and Dean Gilbert B. Dodd represents the college faculty.

# FOUR NEW INSTRUCTORS ARE NAMED AT CEDARVILLE

Gilbert B. Dodd

Prof. Gilbert B. Dodd and Mrs. Dodd are not new to Cedarville, although this is his first semester as dean of the college. He has taught in the physical education department in summer school for several years here at Cedarville. He was born in Stroudsburg, Pa., and is a graduate of Stroudsburg High School. After graduation from Lincoln Junior College, Lincoln Illinois, he entered East Strouds-Teachers' College at East Stroudsburg, Pa., and received a Bachelor of Science in Education degree. He completed his study for a Master of Arts degree at Lehigh University, Bethlehem, Pa., and has recently taken up further graduate study at Indiana University.

Coaching and directing the physical education department at Fountain Hill School, Bethlehem, for four years was his first experience as an educator. During that time he also served as community recreational director. During the war, he was a physical education instructor for cadet training in the navy.

Before coming to Cedarville, Dean Dodd was director of physical education, health, and atnletics at Taylor University at Upland, Ind. While there, he developed a course in teacher training in physical education, beginning with two students and increasing the number of majors to seventy. He is a member of the American Football Coaches' association, the College Physical Education association. and was president of the Indiana-Ohio Conference.

Hobbies include all forms of athletics.

Rev. A. Frederick Huish

The Rev. A. Frederick Huish, an alumnus of Cedarville College, is the new professor of speech and dramatics at Cedarville College. In addition to his other duties, he is college chaplain and pastor of the United Presbyterian church of Jamestown, a post he has held since 1946.

Prof. Huish was born in London, England. He attended Leyton County High School, Leyton Technical School, Regent Street Polytchnic, London University, and received his Bachelor of Arts and Bachelor of Divinity degrees from Cedarville College. In England he was pastor of the Providence Baptist church at Kingston-on-Thames.

During the past war, Huish completed six and one-half years of British Army service in the movement control section of the royal engineers as a first lieutenant. He saw action in Egypt, Palestine, Italy, Algeria, and Tunisia.

Rev. and Mrs. Huish are the narents of an eighteen-monthold son, Geoffrey. Mr. Huish is directing the dramatic produc-tions of the college this year. He includes among his hobbies, music-violin, chorus, singing, ping pong, and tennis.

#### NEW COURSE INTRODUCED

Recognizing the growth of interest in the U.S.S.R. as a world power, Cedarville College has added a course in Russian History to its curriculum.

The course surveys Russia's history from the ninth century, when the first government in that area was established, to the present time. One of the aims of the course is to remove pre-judice toward the U. S. S. R. and replace it with an under-standing of the historical events that have caused Russia to develop as it has.

Teaching the course is Professor Donald R. Edington, who has devoted most of his graduate work to the study of Russia.

# Jackets Win Two Drop Six on Grid

The Cedarville College Yellow Jackets ended their 1948 football season, the third year of football since the war, with a record of two wins and six losses. This is not representative of the brand of ball played by our team, for we have found many promising freshmen who will form the nucleus of a strong team in 1949.

Suffering from three consecutive setbacks at the hands of Ohio Northern, Georgetown, and Ashland, the team journeyed to Bluffton to furnish the opposi-tion in Bluffton's homecoming game. The Bluffton warriors game. The Blufton warriors were surprised by an able Yellow Jacket eleven. With Sonny expected an easy victory, but Deemer, Portsmouth, Ramon McQuillin, Delta, and Herb Hood, Delta, providing the spark the Cedarville gridiron machine handed the Beavers their 19th straight defeat. Both teams scored in the first half, Bluffton on a short jaunt by Captain Jim Gleason, and Cedarville on a reverse pass, Deemer to Hood. Neither team converted. The ball remained between the thirty-yard lines until late in the second half, when our hard hitting fullback, Ray McQuillin, drove off right tackle and went 18 yards to score. Our Dayton place kicking specialist, Bob Hildreth, made good the extra point, and the game ended with Bluffton's desperate passes failing to alter the 13-6 Cedarville margin.

Fresh from their first victory of the year, Cedarville played host to Detroit Tech on the new gridiron in Cedarville, and, betore a large homecoming crowd, lost on a rain-soaked field, 19-0. The Detroiters capitalized on a pass interception, recovered a fumble, and blocked a punt, all deep in Cedarville territory, to chalk up all three touchdowns. Cedarville threatened only once.

Coach Beattie drove his boys hard after that homecoming deteat, and a determined band of Jackets journeyed to Morehead, Kentucky, to play the State Teachers' college there, ready to put up a good battle against a highly favored eleven. Aithough the final score read Morehead 40, Cedarville 0, this is not indicative of the dogged fight waged by the Jackets. The Ce-darville eleven turned on their passing offense and were able to move well against the boys from the south. The Cedarville line, composed of Ernie Stanley, Portsmouth, Jay Fry, Hamilton, Dillard Marcum, Hamilton, Clay Cottle, East Portsmouth, Don

rific game and deserve praise for their stellar play.

Wilmington college stated, that they would meet an inferior, mediocre opponent during their Dads' night celebration. Coach drilled his charges all week to stop the vaunted Quaker passing attack. This practice paid off as the Jackets held the Quakers to seven yards gained on one completed pass! Mc-Quillin again provided the spark by his brililant running, tackling and all-round spectacular play. After he set up the first touchdown by carrying the ball to the twelve, several penalties set the Quakers back to the one-yard line, where Gerald Billups, Prichard, W. Va., drove over for the score. Wilmington had scored earlier in the half and the teams left the field at the intermission with the score tied, 6-6. Warned by Coach Beattie that the Wilmington boys would come out fighting the second half, Cedarville went out with blood in their eye. Halfback Leo Shaughnessy, Akron, grabbed a deflected pass intended for Hood and went over to score. Jackets then stopped every Wilmington thrust to end up with a 12-6 victory. The Cedarville team played as a unit and every member of the squad displayed brilliant play in the heart-warming victory.

The season finale found the Yellow Jackets at Rose Polytechnic Institute at Terre Haute, Swank, Union, Dave King, Sci- Indiana. The Jackets started otoville, and Hood, played a terearly and scored on four plays,

## Cornfield Made Into Gridiron

Those who witnessed Cedar-College's homecoming ville game between Detroit Tech and the Yellow Jackets on College Field in Cedarville were amazed to see the fine condition of the gridiron. Adjoining the campus on the north side, the present gridiron was a thriving cornfield just three years ago. During the past two years, the field has been used by Coach Mendell E. Beattie's charges for practice purposes. This year it was decided to ready the field for the homecoming game. Previously

with McQuillin going over from the 12. Hildreth's attempted conversion was blocked. Rose Poly came back to knot the score before halftime, 6-6. The Engineers came back fast in the third quarter and scored on a line buck from the one. The extra point was good, and the Cedarville boys found themselves on the short end of a 13-6 score. rinding a spark, the Jackets twice drove to the five-yard line in the fourth period. second drive, a Shaughnessy to Jim Wagner (Hamilton) pass clicked for a touchdown. Bob Rowland, Hamilton, attempted the plunge for the extra point, but was stopped inches short of the goal, and the game ended 13-12 in favor of the home team.

Leo Shaughnessy.

the home games were played at Cox Field, Xenia.

Starting on Monday, October 11, a force of student volunteers assembled on the College Field and began to work on the gridiron. The field was laid out and lined. New goal posts were built and erected. Posts were set and wire stretched to keep spectators were erected on the north side of the field. A generous coating of white paint was applied to the goal rosts and the posts holding the restraining wire. Players' benches were constructed and "downs" and "ten yard" markers were made. The areas surrounding the playing field were cleaned and mowed, making much more space available for spectators and parking. To top off the new field, much time was spent in decorating the goal posts and restraining wires in the colors of Cedarville to further welcome the returning alumni. On Friday, October 15, the job was completed. Two hundred twenty-five man hours of labor were given by the students.

The completing of these tasks was an extensive and comprehensive enterprise. Under the leadership of John Blazer, su-perintendent of buildings and grounds, together with the advisory assistance of Coach Mendell E. Beattie and Dean Gilbert B. Dodd, the students of Cedarville College completed the task. Further improvements contemplated include a leveling off of

the playing field and the erection of lights to permit playing of night football games in Cedarville.

Football was revived at Cedarville in 1946 following a long absence from the campus. In former years, the games were played on what is now the college baseball diamond. Many historic football contests involving Cedarville and athletic foes such as Wittenberg, Antioch and Wilmington, were waged on this field. This baseball field, one of the finest college diamonds in this section of Ohio, is also used by the Wilberforce State College and the Bryan High School nines.

The addition of the gridiron has strengthened the already expanding intrmural and intercollegiate athletic program of Cedarville College. The college is now qualified to train physical education teachers and athletic coaches, and is recognized by the state department of certification.

The students, who participated in the building and improvement of the field were William Dunlap, Hamilton; Kenneth Judy, Cedarville; Donald Nock, Dayton; James Ross, South Webster;

# Homecoming Is Big Success

Despite the loss of the home-coming game to Detroit Tech, the 1948 homecoming celebration was judged a great success. The three-day affair began Friday, October 15, and ended with a student-alumni chapel ser-vice in the college chapel October 17. Rev. Merle Rife, Mus-kingum College, and a member of the Cedarville class of 1916, was the speaker.

The homecoming banquet was held in Alford Gymnasium, followed by a dance at the high school. Numerous alumni and college officials spoke at the banquet table. The affair was so successful that a basketball homecoming was discussed. The date will be set for January or February.

The 1948 homecoming queen, Carrie Cullum, of Springfield, and her attendants, Eloise Ru-
