## Alumni Meet

Cedarville's Alumni Association held its annual banquet and business meeting in the College gym on Saturday evening, June 4, 1949. After the delicious dinner served by the Ladies Advisory Board, the new class was welcomed by Montgomery West ('43). The response was given by Norman Potts of the Senior class.

The president, Clyde Walker ('39) presided over the business meeting. The following new officers were elected: President, "Puddy" Anderson Benham ('41); Vice President, Howard Swaim ('38); Corresponding Secretary and Treasurer, Mabel Stormont ('17); Recording Secretary, Jane Frame Mills ('39); Banquet Committee, Lenora Skinnell McMillan ('35); Resolution Committee, Beatrice Pyles Vermillion ('34) and Olive Brill Carlson ('36); Trustee, David Bradfute ('16).

A motion was made and carried that all alumni pay dues of fifty cents (50c) per year in order to have funds for the publication of the alumni news letter and other expenses. (The Treasurer will be glad to receive your fifty cents at any time.)

Mr. Vayhinger gave his annual report on the progress of the college since the last meeting, and announced the retirement of Dr. C. W. Steele from the faculty. The Alumni are sorry to see Dr. Steele leave, and wish to express their appreciation for the fine service he has given the school for so long.

Eleanor Bull McCallister ('35) presented a group of vocal solos, accompanied by Mrs. Margaret J. Huish.

The principal speaker of the evening was Dr. Clyde A. Hutchison, Jr. ('34), who spoke on nuclear energy. Dr. Hutchison is at the University of Chicago where he has been doing research in this field.

A social hour followed the close of the meeting, and members spent the time renewing acquaintances and catching up on the news of former students and faculty.

## DRIVER COURSE ADDED

The midyear meeting of the board of trustees was held December 9, at the College. Following the meeting, president Vayhinger announced that a three-hour course for instructors of automobile driver training classes will be added to the curriculum for the second semester beginning January 27.

## Steeles Honored at Banquet

The highlight of the 1949 fall homecoming for Cedarville College alumni was the banquet at which tribute was paid to Dr. and Mrs. C. W. Steele, who have retired after serving the College for twenty years. President Ira Vayhinger presided, introducing four prominent speakers to express the gratitude and respect of all alumni and friends.

Eulogizing Dr. and Mrs. Steele were Dr. R. A. Jamieson, pastor of the Cedarville United Pres-

byterian Church, Dr. Paul H. Elliott, pastor of the Cedarville First Presbyterian Church, Dr. John W. Bickett, pastor of the Clifton United Presbyterian Church and also representative of the College Board of Trustees, and Dr. Ronald E. Boyer, home missions superintendent of the United Presbyterian Church.

Dr. Steele then replied to his many well-wishers, relating a few of the many incidents which brightened his teaching career.

## Annual Alumni Dues Reinstated

As you have read, it was decided at the spring meeting of the Alumni Association to reinstate \$.50 per year alumni dues. Payment is acceptable at any time and remittance may be made to the treasurer, Miss Mabel Stormont RR Xenia.

Since we are having the alumni letter printed this year in conjunction with the Cedarville College bulletin, we will be needing your small contribution even more than before to defray our part of the printing expense.

Please help us out in this one small way. Whether you do or do not determine whether there will be anymore newsletters sent to you.

We have received letters beginning like this—quote "Hurrah for the Cedarville College Bulletin! My husband and I each received a copy of the Alumni Number—we are always so glad to have news of the college and of former students." Signed Lois M. Marmop. This is only one instance to illustrate appreciation. Your dues payment will certainly be more concrete evidence yet that you enjoy receiving the news and want to continue receiving it!

Mrs. Lloyd Benham (Puddy Anderson) '41

## \$300,000 Work Fund Drive

Cedarville College has begun a campaign to raise \$300,000 for a "New Work Fund." J. Earl McClellan is campaign chairman and E. H. Miller is campaign director. President Vayhinger is also devoting much time to the campaign.

The success of the campaign is very important to alumni and students, as it will provide the funds to repair all college buildings, furnish all classrooms with new lights, build a women's dormitory, provide more scholarships, and increase the endowment, permitting higher salary schedules for the underpaid faculty members. Also included in the plans is another farm to furnish jobs for male students, and a sewing shop to afford work for College women.

## Carlsen New Publicity Director

Two faculty members have new positions, President Ira D. Vayhinger announced last week. Prof. Frederick M. Carlsen has been appointed publicity director of Cedarville College, succeeding Prof. Howard L. Wise. Prof. Wise was appointed manager of the Cedarville College Book Store.

These changes came about when Dr. F. A. Jurkat, who had operated the book store as a business for many years, was forced by ill health to relinquish the book store, turning its assets and liabilities over to the college. The college in turn appointed Wise to manage its new business. He had been acting in that capacity for Dr. Jurkat for the past three months.

Dr. F. A. Jurkat

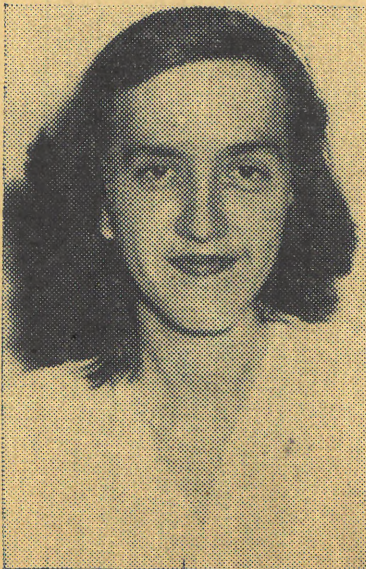

After three months of medical treatment, Dr. Jurkat is still unable to return to his teaching duties in the language department. Marked improvement during the past week led him to predict his return at the beginning of the second semester. His language courses this semester have been taught by other members of the faculty, and Mrs. Gilbert B. Dodd.

Two Named To National Who's Who

In November the faculty of Cedarville College informed two students that they had been elected to Who's Who Among Students in American Universities and Colleges.

These two students, Miss Naomi Conner, Cedarville, and William Osman, Manchester, were elected to this place of honor on the basis of scholarship, leadership, and character.

Miss Conner, twenty years of age, was born April 12, 1929 and graduated from Cedarville High School in 1947. Entering Cedarville College in the summer of 1947, she has worked in the college office as a typist during her three years in college.

Most of the students know her as the young lady who presides at the piano during convocation period. Her hobbies are music and all sports.

Naomi has been an active member of the Caravaners for three years, a member of the Dramatics Club in 1947-48, the Y. W. C. A. three years, Chi Sigma Phi Sorority two years, Future Teachers of America two years, and a member of the women's basketball team in 1948. She was secretary of her class during her sophomore year, and is treasurer of the senior class this year. Naomi won the Women's Bible reading Contest in 1948, and was pianist for the Eight Plus Club last year. Her crowning achievement was her election as Cedar Day Queen in 49, and her coronation at the Cedar Day festivities last May. She plans to graduate with a B. S. in Elementary Education, and teach in elementary school.

Mr. Osman, twenty-seven years of age, was born in Manchester, December, 20, 1922. He graduated from Manchester High School in 1940. After graduation from high school, Bill entered the United States Army where he remained for five years, reaching the rank of staff sergeant. After his discharge from the army, he entered Cedarville College.

Bill is a member of Kappa Sigma Kappa Fraternity, and is a member of the Future Teachers of America. He is the hard working editor in chief of the 1950 Cedrus. He was married to Miss Patricia Dunn in 1945 and they reside in Cedarville.

Bill plans to graduate in June 1950 with a bachelor of arts degree, in June 1951 with a bachelor of science degree, and in August 1951 with a bachelor of science in education. When he receives all his degrees, Bill plans either public school teaching or a career in the U. S. Army.

'Fighting Quakers' Or Is It 'Biting Quakers'???

Wilmington Puts 'Bite' on Jacket

Revenge for the 1948 defeat tasted sweet for at least one Wilmington player in their football (?) game with Cedarville. Evidently, by the looks of the above photo, the Quakers were "starved" for a victory over the Yellow Jackets after losing to them in football, basketball, baseball (twice), and tennis during the 1948-49 season. This photograph of a Cedarville player was snapped four days after the Wilmington game, and the toothmarks still were plainly visible.

Finish Third In Mid-Ohio League

The Yellow Jackets of Cedarville College took third place in the first official Mid-Ohio League championship contest by defeating Defiance. The two teams had been tied until their meeting. Ashland took second place by beating Bluffton, 20-0, the same afternoon. A Bluffton victory would have placed Cedarville and Ashland in a tie for second.

The 28-26 win over Defiance closed the football season for Cedarville, giving the Yellow Jackets a record of three wins, six losses, and one tie. All the victories came on the home gridiron, over Bluffton 34-0, Huntington 28-14, and Defiance. They dropped their fourth home game to Wilmington, 32-6. Georgetown (Ky.) tied the Jackets, 0-0; other games were lost to Morehead 29-6, Ohio Northern 32-2, Ashland 32-21, Findlay 42-0, and Rose Poly 34-32.

The locals scored 157 points against their opponents' 230, with Homer Burton accounting for 84 of these points with 14 touchdowns. Last year the Jackets posted only two victories—over Bluffton and Wilmington.

Coaching Alumni Show Successes

Cedarville College has always attached a great deal of importance to its program of training physical education teachers and athletic coaches. Further emphasis and improvements have been made since Mendell Beattie became head of the department. A great many students are attracted to Cedarville College because of its athletic coach training plan.

This past year, 1948-49, has been a banner year as far as basketball coaching success is concerned with Cedarville College Alumni. Tom Rudisill ('47) made the best record. Rudisill's New Vienna High School team, after a very excellent win-loss record for the season, took the Clinton County championship, the Xenia Class B sectional championship and lost to Lockland Wayne at Springfield in the Southwestern Ohio regional tournament. Howard Swaim ('38) coached his Dixie High School team to a highly successful season that culminated in a second place berth in Montgomery County B tourney and a place in the Xenia B sectional. Clyde Walker ('39) piloted his team to a second place in the Greene County B tourney and a place in the Xenia B sectional. Walker's Cedarville Indians played Swaim's Dixie boys in a closely fought contest which interested many of the C. C. Alumni. Bill Troute ('48) had an up and down season at Spring Valley High School, his first year of coaching basketball at the Greene County School. Bill is also serving as the Xenia City Director of Recreation along with his teaching. Harry Wallace ('37) had a scrappy five at Silver creek High School as did Conner Merritt ('48) at Jeffersonton. Edward Irvine ('48) had a streak of tough luck at Ross Township with his injuries and lack of experienced material.

Cagers Have Won Two; Lost Four

The Yellow Jacket cagers have given a good account of themselves in their first six games, winning the two games played with colleges of comparable size, and losing four to large schools. The two victories came on the home court, and both were close until the final minutes. Bliss College, Columbus, and Villa Madonna College of Covington, Kentucky, have returned engagements on the floors.

The Jackets were within a minute of a third victory as they led Dayton, 40-39, in the final minute of play at Xenia last week. A last-second goal deprived them of the upset. Dayton had won easily in the previous meeting. Morehead State and Cincinnati won the other games.

Coach Mendell E. Beattie led John Townsley, Walt Blateric, and Ernie Stanley back from last year's first five, and veterans Bucky Shumate, Bill Dunlap, Flo Butts, and Dean Harner also back. Ed Brill, Jamestown, is the most promising freshman on the squad.
