Miller Replaces Vayhinger as College Administrator; Faculty Changes Made

E. H. Miller

Edward H. Miller, acting president of Cedarville College since September 15, 1950, first came to Cedarville to raise funds for the improvement and repair of the college plant. He was soon appointed to the Cedarville College Board of Trustees. When he was appointed vice president and business manager of the College, he resigned from the board to assume those positions.

Miller is a native of Buffalo, New York, received his education at Cortland, New York, Deerfield Academy, Massachusetts, and received his degree from Amherst College in 1930. Until he organized his own fund raising organization in 1945, he was engaged in manufacturing.

The Millers have two children, Edward H. III, a freshman at Denison University, and Mary Sharon, in junior High School. They recently moved from Springfield to the former Conley residence in Cedarville. Mr. Miller is a member of the Christ Episcopal Church in Springfield, and was a deputy to the 1946 and 1949 general conventions of the Episcopal Church.

Solicit For Television Set

The CC Student Council is soliciting funds for the purchase of a television set to be installed in the college rec hall.

Mrs. Lowe Replaces Gast

A major change in the administration of Cedarville College was effected by the board of trustees last August when they accepted the resignation of President Ira D. Vayhinger, effective September 15, 1950, and appointed E. H. Miller to the position of vice president and business manager, and acting president.

Dr. Vayhinger, who had been president since 1943, resigned to accept the pastorate of the Presbyterian Church in Fletcher, Ohio. He had originally come to Cedarville as business manager.

Three vacancies occurred on the college faculty during the past summer. Prof. Edith Stangland Blateric resigned to accept a position on the faculty of Buffalo State Teachers College, New York. Prof. Carrie Rife Jamieson retired from teaching, and Prof. James J. Hall resigned to return to civil service work.

Donald R. Edington returned to Cedarville College as director of admissions and instructor in the education and history departments. Miss Kathryn Randolph was appointed to head the women's physical education department. Mrs. Charles Duncan was appointed registrar. John Blazer was released as superintendent of buildings and grounds. Work students are performing his duties, under the supervision of Thomas Bellville.

Mr. Edington needs no introduction to recent students. He received his M. A. from Ohio University and has completed residence requirements at Ohio State University for his Ph. D. He taught at Cedarville College from 1947 to 1949.

Miss Randolph received her B. S. degree from Sargent School of Physical Education, Boston University, in 1950. She has done graduate work at Cornell University, where her father is a member of the faculty.

Mrs. Duncan is a native of Mount Pleasant, Pennsylvania, and received her education at Mount Pleasant Institute, Oberlin College, and Miss Conley's Business School in Pittsburgh. The Duncans moved recently from Springfield to Cedarville.

Alumni Association Elects 1951 Officers

Briefly, for the benefit of you who were not able to attend the Alumni meeting in the spring, I will recall and record some of the action of that meeting.

The Class of 1900 celebrated their 50th anniversary with a reunion that weekend. All but two of the living members were present. A member of this class, Mr. W. W. Iliff, was the speaker of the evening.

The new Association president, Howard Swaim '38, presided at the meeting and the following officers were elected: vice-president, Clayton Wiseman '41; recording secretary, Gloria Abels '47; corresponding secretary, Mabel Stormont '17; trustee, Dr. Harold Ray '29, and banquet committee chairman, Betty Sickles Hamman '49.

Wilson E. Spencer '35 spoke for the Columbus Alumni group in presenting a plan for contributing books to the college library as a memorial for Mr. Hostetler and gave the treasurer a sum of money to start the fund.

The Class of 1900 announced their intention of presenting an addressograph to the Association.

Committees appointed by the President are as follows: Alumni news chairman, Elizabeth Benham '41; Hostetler Memorial Book Fund, Jane Mills '39, chairman, John Check '49, Richard McKnight, Mabel Stormont, C. W. Steele, Gilbert Dodd, Carrie Rife Jamieson '04.

Miss Bost, director of music, played several piano selections preceding the speech. Following the program, a social hour was spent in visiting and viewing snapshots of former days by means of a projector which enlarged the pictures on a screen.

Cedarville College alums and students gathered on the campus September 30 for Homecoming activities. Margaret Swaney, a freshman from Cedarville, reigned as queen for the day, and was crowned during the halftime festivities. Rebecca Creswell and Mary French were her attendants. Ashland won the hard-fought game.

Sale Brings \$66,000

Cedarville College enriched its treasury by some \$66,000 as the sale of the college farm, equipment, and live stock was an outstanding success. Bidding was high and spirited, and caused the net profit to approximate 100%.

The livestock and equipment sale was held December 9 at the farm, and drew an exceptional crowd, considering the weather and the time of year. Auctioneer Joe Gordon pronounced it one of the best public sales he had seen in several years.

The 204-acre farm was sold to Leigh Ferguson for a bid of \$50,000. This property was purchased by the college seven years ago for \$110 an acre. The sale price was \$244 per acre.

A committee consisting of E. H. Miller, Rankin McMillan, and Karlh Bull handled the disposition of the land.

The selection of the recipient will be the annual function of a committee consisting of the president of the college, the dean of the college, and the director of athletics. The first award will be made at the 1951 commencement exercises, and will be an annual commencement feature thereafter.
