When Spring Comes  
Henkes, Kevin  
Illustrated by Laura Dronzek  
New York, Greenwillow Books, 2016  
978-0062331397

Tired of the frosty winter days? Tired of the sun hiding behind the gloomy clouds? Wait for spring to come. When spring comes it brings with it a range of wonderful things like flowers, rain, and even mud! Take an adventure to see what happens when spring finally comes. When spring finally arrives now it is time to wait for summer. Young readers will learn what happens when winter changes to spring. Sometimes spring cannot make up its mind if it should stay or go. This book is recommended for young readers to teach them about the changing seasons of winter and spring.

**Recommended.** *Jordan Oldham, Cedarville University, Centennial Library Intern*
