ABOUT THE COLLEGE

Cedarville College is a Baptist college of arts and sciences with approximately 2,400 students. The school is located on a 100-acre campus at the north edge of the village of Cedarville, Ohio, a quiet town with a population of approximately 3,000. The village and its surrounding area have

long maintained a reputation for providing a wholesome environment for learning.

Though located in a rural community, Cedarville is conveniently situated in the center of a triangle formed by Columbus, Dayton, and Cincinnati which allows easy access to three of the fastest-growing metropolitan areas in the nation.

Since its founding in 1887, Cedarville has coupled a balanced liberal arts program with a fundamentalist, theological position in regard to doctrine and patterns of conduct. All classes are taught by dedicated Christian professors who integrate the knowledge of their respective fields with biblical perspectives.

In keeping with the liberal arts concept, the curriculum centers on a basic program of general studies, including biblical education, communications, humanities, physical education, science and mathematics, and social science. The college offers over 75 programs of study.

ABOUT THE FACILITIES

Cedarville is recognized for having some of the finest athletic facilities among any school its size in the nation. The spacious Athletic Center features a one-tenth mile, four-lane mondo track. The building serves as host for several indoor meets plus provides a place for interval training in the winter. The Yellow Jackets track and field complex is touted as one of the best in the state of Ohio. It features a nine-lane polyurethane track as well as multiple field event areas. The irrigation system on the grass infield coupled with the track's drainage capabilities helps minimize maintenance on the entire facility. The track's versatility allows the Jackets to host several meets including the NCCAA Championships. Cedarville's home cross country course is located at John Bryan State Park near Yellow Springs which is approximately five miles from the campus. The Yellow Jackets hosted the NCCAA Championships from 1978 through 1992, and the meet will return there in 1995.

ABOUT THE COACHES

Elvin King has spent more than two decades as a coach in the Yellow Jacket men's track and cross country programs. He started the women's track and cross country programs in 1980.

While he continues his head coaching duties in cross country, King resigned as head track coach in 1990 to devote full attention to the distance program. This has resulted in continuity from cross country to track and has provided more coaching time to both programs.

King is responsible for developing the National Christian College Athletic Association track championships, and he served as meet director of the NCCAA cross country championships for 15 years. His men's and women's teams have won a combined 12 NCCAA track and cross country titles. King's efforts earned him induction into the Cedarville College Athletic Hall of Fame in 1988 and the NCCAA Hall of Fame in 1993. He is also a past president of the Ohio Intercollegiate Cross Country Association. King is a 1964 graduate of Kent State University and earned his master's degree from Bowling Green in 1967.

LONG DISTANCE COACH

PAUL ORCHARD—HEAD TRACK AND FIELD COACH

Paul Orchard assumed the Yellow Jacket head track and field coaching position in 1993. He is responsible for the sprinters, hurdlers, horizontal jumps, and weight events.

Orchard came to Cedarville after spending six years at the University of Akron. He served as an assistant coach for the Zips' track and cross country programs plus coordinated all of their recruiting.

Orchard previously served as a graduate assistant women's track coach at Miami University where he earned his master's degree in 1986. Orchard competed for four years in track and cross country at Taylor University prior to graduating in 1983.

JOHN MCGILLIVRAY—ASSISTANT TRACK COACH

John McGillivray is in charge of coaching the vertical jumps. He was a Mid-Ohio Conference pole vault champion prior to graduating from Cedarville College in 1970. He received his master's degree from the University of Dayton in 1976.

McGillivray, who served as interim head track coach in 1993, is also head coach of the Yellow Jacket men's soccer program. He was inducted into the Cedarville College Athletic Hall of Fame in 1991 and the NAIA Hall of Fame in 1994.

Women's Cross Country — 1985, 1991
Women's Track & Field — 1985, 1986, 1994
Men's Cross Country — 1978, 1979, 1985
Men's Track & Field — 1975, 1976, 1983, 1984

NCCAA NATIONAL CHAMPIONS

Cedarville's commitment is to schedule competition that will challenge the best athletes on the team. The cross country and track and field schedules include only one meet per week, usually on Saturday. This helps to eliminate class conflicts and allows for proper training and rest.

In order to keep a balance, some competition consists of smaller invitationals where the younger athletes can gain confidence. The National Christian College Athletic Association (NCCAA) provides an opportunity for solid national competition among Christian schools and has always been a highlight of the season.

FROM THE TEAM

Victory is not everything, but the greatest lessons in athletics come from the work, discipline, and dedication along the path to victory. Our challenge as Christian athletes is not that God will help us to win, but rather that we should

be able to look back on the season and be satisfied with the quality of effort that we gave. This goal is not achieved in one race or even one season, but if we persevere through our entire career and handle all the ups and downs, physically, mentally, and emotionally, we will have a good foundation of

experience to which we can relate in life. Our desire is that our personal faith in Christ be reflected through our efforts both on and off the field of competition. We want our enthusiasm for running to permeate our lives now and set a standard for the challenges we will face later.

Jane Romig Brooker*

OLYMPIC HOPEFULS

"God knew as He directed me to attend Cedarville College that my life in four years would completely change. Since I did not run in high school, the coaches were sensitive to my needs. They were cautious of injury while at the same time training me to run quality races.

"The team members experience a bond that will always be remembered. Runners understand runners which allows lifetime friends and memories to be established. The competition between teammates in no way hinders friendships, but actually strengthens them.

"My experience at Cedarville was invaluable. It gave me a solid base and confidence towards reaching my potential as a runner for God's glory only!"

BROOKER'S RECORD BOOK

- * Inducted into NAIA Track & Field Hall of Fame (1994)
- * Represented United States at World Indoor Championships in Toronto (1993)
- * Placed 4th in 800 meters at U.S. Indoor Track & Field Championships (1993)
- * Competed in U.S. Olympic Trials (1988, 1992) and training for 1996 trials
- * Olympic Festival 800 meter champion (1991)
- * Outstanding Female Performer at NAIA Indoor Nationals (1986)
- * Four-time NAIA Track All-American
- * Three-time NAIA All-America Scholar-Athlete
- * Two-time Wheeler Award Winner as NCCAA Track & Field Athlete of the Year
- * Eight-time NCCAA Track Champion
- * Two-time NCCAA Cross Country Champion
- * Best 800 meter time — 2:01.13

Rob Moore**

Jane Romig Brooker (far right) maintains her pace in the 1500 meter run at the '88 U.S. Olympic Trials.

Rob Moore, a four-time NAIA All-American, is attempting to qualify for the 1996 U.S. Olympic Trials in the marathon.
