NAIA

The NAIA logo is a circular emblem with the letters 'NAIA' in a bold, white, outlined font. Inside the circle are silhouettes of various sports: a basketball player, a soccer player, a tennis player, a volleyball player, a basketball player, and a soccer player. The logo is set against a blue background that is shaped like a map of the United States.

1984 NAIA OUTDOOR NATIONAL CHAMPIONSHIPS

33rd Annual Men's
4th Annual Women's

May

24-25-26, 1984

CHARLESTON

A blue map of South Carolina is shown in the bottom left. A large orange star is positioned above the map, with three orange comet-like streaks pointing towards a smaller star on the map. The word 'CHARLESTON' is written in white capital letters below the star.

National Association of Intercollegiate Athletics

The National Association of Intercollegiate Athletics (NAIA) is a completely autonomous association, currently administering programs of intercollegiate athletics at 530 fully-accredited colleges and universities of moderate enrollment. The fundamental tenet of the NAIA is that intercollegiate athletics is an integral part of the total educational program of the institution. This belief is strongly reflected in the governing documents, activities and organizational structure of the Association.

HISTORY AND PURPOSE

Established in 1940 as the National Association of Intercollegiate Basketball (NAIB), the NAIA emanated from a "National Small College Basketball Tournament" inaugurated in 1937 in Kansas City, Missouri. The conversion of the NAIB to the NAIA came in 1952 when the organization expanded beyond just basketball and added national championship events in golf, outdoor track and field and tennis. Football, cross country, baseball and swimming were added to the championship event calendar in 1956, and wrestling (1958), soccer (1959), bowling (1962-78), gymnastics (1964), indoor track and field (1966), ice hockey (1968) and volleyball (1969-1980) were later additions.

Of major significance to the NAIA, was the establishment of the women's division within the Association on August 1, 1980. The NAIA decision to offer competitive opportunities and championships in women's athletics was passed by the membership following two years of study and proposals by an ad hoc committee on the implementation of a women's division into the NAIA structure. Currently, the Association conducts nine championship event programs for women in the sports of basketball, cross country, gymnastics, indoor track and field, outdoor track and field, softball (fast pitch), swimming, tennis and volleyball.

The initial purpose of the NAIA — to provide national championship athletic opportunities to institutions below the so-called "major" level — has indeed been well served. The Association clearly outlines its own responsibilities and those of its members: a sound athletics program, administered and controlled by those responsible for the administration of the institution. This means direct supervision in caliber of competition, financing of the program and taking steps to assure that financial assistance is made available only through the institution and under the same general policies as aid to all students. In short, the basic premise is that the athletics program is a basic component of the overall general educational process and not an entity apart.

ADMINISTRATION

The governing body of the NAIA is the National Executive Committee, composed of 10 persons elected by the membership. The Executive Committee is responsible for establishing the policies and determining the overall direction of the Association. The Executive Committee hires the Executive Director, who conducts the business and day-to-day operation of the National Office headquartered in Kansas City, Missouri.

The District is the basic unit of the NAIA. The Association is organized into 32 geographical districts spread over the 50 states and a part of Canada. Each District is governed by a District Executive Committee, the chief officer of which is the District Chair. The District Executive Committee establishes a program of championship events in various sports and individual/team champions of those district events are qualified to compete in NAIA Area and National Championship competition.

Eligibility rules within the NAIA govern all play in all sports recognized by the Association, not just post-season play. All eligibility guidelines must be adhered to by all members, including those holding dual affiliation with other associations. Certification of eligibility of all NAIA student/athletes is accomplished through a network of individuals which includes the faculty athletic representative of each institution, the District Eligibility Chair and the National Eligibility Committee.

MEMBERSHIP

Any four-year college or university and upper level two-year institution in the United States and Canada which awards the bachelor's degree or equivalent, may hold active NAIA membership. Active member institutions must be fully accredited by an appropriate accrediting agency or commission.

OBLIGATION OF MEMBERSHIP

Member institutions must conduct their intercollegiate athletic programs with the standards of the regulatory Associations in which they hold membership, and the NAIA. They must pay their annual membership dues and be in support of the policies of the NAIA. Where institutional rules and standards are stricter than those of the regulatory group or the NAIA, those rules and standards of the institution are recognized and supported by the NAIA.

STATE OF WEST VIRGINIA OFFICE OF THE GOVERNOR

As Governor, I am proud to have this opportunity to welcome everyone to the 1984 National Association of Intercollegiate Athletics Outdoor Track and Field Championships.

To the athletes participating in this year's competition, I wish you the very best of luck. I know you have worked long and hard to reach this goal.

Your participation in this competition at Laidley Field shows not only your determination to excel in sporting events, but your dedication to individual improvement. That dedication is a very important quality which will prepare you for whatever life offers you.

I hope that those of you who are from out-of-state enjoy your stay in Charleston, and I hope that you find time to explore some of the historical sites and the beauty West Virginia has to offer.

On behalf of all West Virginians, welcome and best wishes for a most enjoyable weekend.

Sincerely,

 John J. Ruckefeller IV
 Governor

NAIA Outdoor Track and Field Championship for Men and Women

It gives me great pleasure to have the opportunity to welcome you to the City of Charleston, West Virginia for the 1984 National Association of Intercollegiate Athletics Outdoor Track and Field Championship. As a runner, I know what this event means to each and everyone of you.

Best wishes to you all, and I hope you have a most enjoyable time.

Sincerely,

James E. Roark
Mayor

Welcome from Harry Fritz

In just two months the 1984 Olympic Games will be underway in Los Angeles. The 1984 NAIA National Championship Meet is a qualifying event for the trials that precede the LA Games and top performances here in Charleston could mean the difference for several competitors. We congratulate the athletes who have met the demanding qualifying standards in order to compete for national honors and an opportunity to "go for it" and win a coveted berth on the USA Track & Field Team in the Olympic Games.

By its very nature, a large track & field meet of this calibre requires dozens of competent officials. The success of this championship meet depends in large measure on the effective work of certified Accutrack operators, judges, starters, announcers and other specialists whose expertise and dedication often go unnoticed. Charleston and the Kanawha Valley area are blessed with exceptionally well-qualified and experienced track & field officials.

The NAIA is very indebted to the Charleston area business firms and service clubs whose sponsorship of events is so necessary in the financial underwriting and enhancement of this national championship. We especially want to recognize Mike Reed, Event Chair, and James Hamrick, Meet Director and their committees for a quality job.

We know that the knowledgeable fans here today will enjoy national-level competition in one of the nation's finer facilities. The people of Charleston have every reason to be proud of Laidley Field.

The NAIA extends its appreciation to the national business sponsors, such as the Harry Gill Company and Accutrack. In addition to sponsoring the Hall of Fame Banquet, at each NAIA Championship Meet, the Gill Company provides a scholarship for the most valuable male and female performer.

NAIA Officials

George Glass, Director of Athletics and track and cross country coach at Taylor University, Upland, Indiana, is serving as president of the NAIA Coaches Association for 1983-84.

A subsidiary of the NAIA, the NAIA Coaches Association includes more than 1000 men's and women's coaches and is charged with responsibility for carrying on a program beneficial to the coaches of the Association.

NAIAC provides coaches in all sports with a strong voice in establishing rules and standards in each sport. The All-America Awards program is the responsibility of the Awards Committee, which is represented by the officers of NAIAC.

Roger Jenkinson, Chair of the Department of Geography at Taylor University, Upland, Indiana, is representing the NAIA National Executive Committee for the National Men's and Women's Outdoor Track and Field Championships. Jenkinson currently serves as the Fourth Vice-President of the NAIA.

All NAIA championship games, meets and tournaments are under the direct supervision of the 10-member National Executive Committee, the governing body of the Association elected by the membership at the Annual Meeting of the organization. The Executive Committee hires the Executive Director who conducts the day-to-day operation of the Association from National Headquarters located in Kansas City, Missouri.

NAIA Record Holder

Learn a skill you can take to the bank.

**In today's job market, you need a skill that's in demand.
A skill you can take to the bank.
The Navy fills 2,000 jobs a week in
sophisticated technical fields;
electronics, aviation, mech-
anics, inventory, computers
and many more. Fields with a
future.**

**Get one of the Navy's jobs and
you get today's most sophisti-
cated technical training using
today's most modern methods and
equipment. Then, you get the kind
of on-the-job training and experi-
ence that makes you one of the best.**

**You master your job. And you're
rewarded like the professional you are.
The Navy pays you \$550 a month from
the start. As you get better, so does
the pay. And you get medical benefits
plus allowances for food and housing,
all on top of your regular salary.**

**If you want a skill you can take to the
bank, invest some time talking to
your local Navy representative:
(502) 582-5174 or call
toll-free 1-800-327-NAVY**

RODNEY MILBURN
Southern-Baton Rouge, LA
110 Meter Hurdle Record Holder

Respect: It's part of the job.

Now that you have your high school diploma, you have plenty of career opportunities available to you. And plenty of places to go to get the required training. But there's one place that can give you the training for over 300 different skills, plus a share in more than 200 years of pride and tradition. Sure, the Marines are a tough team to join. But that makes everyone who makes it that much better. See your local recruiter, or call this toll free number 800-423-2600.

Marines

Maybe you can be one of us. The few. The proud. The Marines.

Learn a skill you can take to the bank.

In today's job market, you need a skill that's in demand. A skill you can take to the bank. The Navy fills 2,000 jobs a week in sophisticated technical fields; electronics, aviation, mechanics, inventory, computers and many more. Fields with a future.

Get one of the Navy's jobs and you get today's most sophisticated technical training using today's most modern methods and equipment. Then, you get the kind of on-the-job training and experience that makes you one of the best.

You master your job. And you're rewarded like the professional you are. The Navy pays you \$550 a month from the start. As you get better, so does the pay. And you get medical benefits plus allowances for food and housing, all on top of your regular salary.

If you want a skill you can take to the bank, invest some time talking to your local Navy representative: (502) 582-5174 or call toll-free 1-800-327-NAVY

**The same company
that insures the
1984 Olympic Games
can insure your home,
your car, your business.**

As independent insurance agents, we represent several major companies so we can give you a *choice* of the best possible insurance protection from companies you can trust – like Transamerica Insurance, Official Insurer of the 1984 Olympics.

We'd like to tell you about the new and broader Transamerica policies for your home, condominium, mobile home or car (and how you can save when both your home and car are insured with Transamerica!).

If you own a building or business, ask us about the new Transplan II or Transplan 7 commercial policies that can help you cut costs and eliminate gaps and overlaps.

Call us now for a free quote or an insurance survey. You'll get personal service from our team of insurance experts and broad protection from the company with the strength and savvy to insure the 1984 Olympics.

THE ARMY GUARD CAN OFFER YOU...

EDUCATIONAL ASSISTANCE

First, we offer the Student Loan Repayment Program which REPAYS a major portion of outstanding Federal student loans, up to \$10,000.00.

Secondly, you can also receive the Federal Educational Assistance Program which offers you up to \$1,000.00 PER YEAR for a total of \$4,000.00 for your college education expenses.

Thirdly, you are eligible for the State's Educational Encouragement Program which provides 100% FREE TUITION AND FEES to any State supported college (based on legislative funding).

A combination of these programs could offer a qualified individual up to \$12,000.00 in educational expense assistance over a six-year enlistment period.

ENLISTMENT BONUS

Some jobs in the West Virginia Army National Guard come with a \$1,500.00 Enlistment Bonus for non-combat skills or a \$2,000.00 Bonus for combat skills.

DELAYED TRAINING/SPLIT TRAINING OPTION

You can join the Army National Guard now and delay *up to 9 months* before attending training.

You can "*Split*" your training in order to avoid school or work conflicts. After attending your Basic Training phase, you can delay your Advanced Individual Training for *up to 1 year* after completion of Basic Training. You can use this option to schedule your training so that you won't miss high school or college, or to be available at your civilian job during peak work periods.

LEADERSHIP TRAINING

If you qualify, you may elect to complete the West Virginia Army National Guard Officer Candidate School. Upon completion (approximately 1 year part time) you will be commissioned a 2D LIEUTENANT in the Army National Guard. OCS provides you with many of the leadership skills that today's corporations desire.

The West Virginia Army National Guard can give you all of this for ONLY 39 DAYS A YEAR!

Be One of West Virginia's Finest!
