CEDARVILLE COLLEGE

OPPORTUNITY...

“To improve the golden amount of opportunity and catch the good that is within our reach is the great art of life.”

— Samuel Johnson

OPPORTUNITY...

Does it sound exciting?

As you complete your high school experience and look forward to college and beyond, you are undoubtedly challenged when you consider what the future holds for you. Growth. Life-changing experiences. Independence. A career. New friends... perhaps a lifelong companion.

Does it sound inviting?

Good! Because we believe that you will find opportunities at Cedarville College which will help you make the most of the future's opportunities.

OPPORTUNITY... *to grow spiritually.*

How? Through everything at Cedarville. We believe that being a Christian involves having a personal relationship with Jesus Christ and then living according to His Word. It is a way of life, a relationship which affects everything that we do. Consequently, we feel that our spiritual concern should permeate every aspect of our college program. We require that each student testify of personal faith in Jesus Christ in his or her application for admission.

The Bible, which we view as the authority for faith, knowledge, and practice, is an integral part of our academic curriculum – every student takes at least a minor in Bible (six classes) before graduating. Forty-five minutes of each week day are devoted to our chapel program in which the college family listens to a message from Christian speakers representing many walks of life. Weeks of spiritual emphasis highlight each academic quarter. Film series and guest lecturers focus attention upon contemporary Christian issues and provide insight into practical Christian living. Classes are taught by dedicated Christian faculty who endeavor to integrate Biblical principles with course content and demonstrate a spiritual concern for their students.

Extracurricular activities and social events reflect a sensitivity for spiritual growth and encouragement. And, a thriving Christian service program sends students out to minister in groups and one-on-one both locally and around the world.

*If you desire spiritual growth,
the opportunity is here!*

OPPORTUNITY... *to grow socially.*

Seventeen hundred Christian students (55% women, 45% men) from 40 states and five foreign countries converge on a 100-acre campus surrounded by miles of tree-lined country lanes, acres of farmland and state parks, and the bustling midwestern cities of Dayton, Columbus, and Cincinnati, Ohio. That's social opportunity! But what about activity?

Over 20 student organizations invite involvement: concerts, plays, parties, contests, banquets, and film nights provide activity, enrichment, and fun. Fourteen intercollegiate and a variety of intramural sports produce excitement and provide an outlet from academic life. And the quiet, comfortable atmosphere of the Student Center promotes personal time with friends. These social opportunities can transform your college years into a time full of enriching relationships and memories, things which make college so special.

Vicki Butler, 1980

“Cedarville College made me a disciplined person. I was involved in many extra-curricular activities like athletics and music, and I had to work hard to make good grades. Now that I’m an accountant, I am thankful for the excellent academic preparation that I received. I can attest to the fact that I was well prepared to enter the business world.”

Vicki works as an accountant for the Gibson Greeting Card Company in Cincinnati, Ohio. While in college, she performed well in class, in concert (symphonic band), on the basketball court, and on the softball field. Before graduating with “highest academic honors,” she was named AIAW All-American honorable mention, first team All-Ohio Division III, and became Cedarville’s all-time leading scorer for women’s basketball.

Michael O’Quinn, 1980

“Cedarville College provided me with an accurate perception of the role of the Christian in today’s world. Members of the administration, faculty, and student body emphasized and exemplified the Biblical concept of high academic and professional achievement energized by genuine Christian commitment.”

Michael O’Quinn graduated from Cedarville College in 1980 with a degree in English. While at Cedarville, he led a Christian service ministry at the Dayton (Ohio) Juvenile Detention Center, coordinated the 1979 Student Body Project, and lettered in varsity baseball. He graduated with honors from University of Florida College of Law in 1983 and is now engaged in private law practice in Atlanta, Georgia, where he and his wife reside.
