RE: OAISW Small College Basketball Tournament

Even though the deadline for entry is ahead of us--February 11--I wanted to get you this update concerning the tournament on March 3, 4, and 5. It looks as though we will have approximately 30 teams applying for entry, which unfortunately means some will have to be eliminated on the season's record and competition. I trust you will all bear with the committee as we make this decision.

The entry fee has been set at \$80.00 and should be paid at registration or before. Make checks payable to Cedarville College--OAISW State BB Tournament.

I am enclosing a list of motels and hotels and am starring the three that we have used the other years the tournament has been here. These are the closest ones to the college. I would suggest that you make reservations and then if you do not play in this year's tournament you can cancel them. The decision as to the teams in the competition cannot be made until after February 21 since this is the deadline for submission of record and schedule.

Perhaps some of you may be interested in the time schedule for the three days here:
