The Elvin R. King Cross Country Course

A new era began in Cedarville University cross country with the opening of the Elvin R. King Cross Country Course. The venue was dedicated and named in honor of CU's Hall of Fame coach during Homecoming Weekend on Oct. 7, 2006.

Elvin King coached track and cross country at Cedarville University for 41 years before retiring following the 2009 fall season. He was especially known for the Lady Jacket cross country program which he started in 1979.

King guided Cedarville to the 2001 NAIA Women's Cross Country Championship which remains the school's only NAIA title in any sport. The Lady Jackets became the first NAIA school to claim the All-Ohio Cross Country Championship in 2008 and they totaled nine NCCAA banners to go along with 12 conference trophies.

The Elvin R. King Cross Country Course, located at the north end of the campus just east of State Route 72, was constructed on 150 acres of property and was designed and built under the direction of former athletic director Pete Reese and King. Athletes run entirely on a grass course that includes rolling hills.

This unique venue, which meets all of the NCAA requirements for a cross country course, hosted its first meet on Sept. 16, 2006 with the 16th Annual Cedarville Invitational. Nearly 1,000 runners

participated in eight races and both Yellow Jacket teams won the first-ever college races on the course.

Cedarville continues to host the annual Friendship Invitational and is the site of the All-Ohio Championships on Sept. 28th. Besides the high school and junior high competitions in the Friendship Invitational, the course will host the OHSAA Southwest

District Championship on Oct. 19th. The Ohio Heritage Conference has also staged its championship meets on the course.

The primary cross country courses are the 5,000 meter layout (college women, high school boys & girls) and the 8,000 meter course (college men). There is also a 3,200-meter course for junior high competition as well as a 6K (NCAA women) and a 10K (NCAA men). Ample parking is available on site for up to 500 vehicles just west of State Route 72 on campus grounds.

The Yellow Jackets called John Bryan State Park as its cross country home for the better part of four decades. The beautiful site served as host of the NCCAA Championships from 1978 through 1992 and again from 1995 through 2005. It also hosted the annual Cedarville Invitational, the NAIA District 22 Championship, the Mid-Ohio Conference Championship, the American Midwest Conference Championship, and a number of high school meets.
