KICKERS COMING BACK

After falling to a .500 season with a record of 4-4, the Yellow Jacket soccer team came back with two wins this week. The first over Central State University in a high scoring 5-3 win. Sophomore, Mark Price scored 4 of the 5 Cedarville goals, a single game record for Price in college soccer. He is also the team's leading scorer having tallied 9 goals thus far this season. Noel Hack, the team's second leading goal winner and rookie, scored the only other Cedarville goal.

-more-

The lone goal was scored by Wayne Anderson and assisted by Craig Herl in the Homecoming bout with Asbury College on Saturday. It was co-captain, Craig Herl's first action since an injury took him out of the invitational tournament opener with University of Dayton. The 1-0 victory for the Jackets advanced the record to 6-4 before playing NAIA District title contender Wilmington College on Wednesday, October 20.

The Jackets seem to be "pulling things together" as the season advances. Though injuries continue to pester head coach, John McGillivray's squad, the Yellow Jackets enjoy more depth on the bench than they have for sometime as they approach the final four games of the regular season and post-season tournaments.

#### SPIKERS START TO RE-GROUP

The Yellow Jackets underwent a hectic week with 8 matches. It started with losses to Mt. St. Joseph 7-15 and 4-15 and also lost to Capital 5-15 and 9-15. The women lost the next two matches to Ohio Wesleyan and Otterbein but kept the matches close with good consistent play. Friday, the team marked their second win of the year against Sinclair Community, and over the weekend, the Jackets lost to Mt. Vernon but won over Urbana. This week, the volleyball team began to turn around with excellent team volleyball.

Again, it was veterans Peggy Quigley and Karen Hobar showing their experience and talent by leading the team to post 2 more victories.

MEN'S CROSS COUNTRY

The Yellow Jacket men's cross country team placed higher than any other Cedarville team had before in the All-Ohio Meet this past Friday. The meet, held in Delaware, Ohio, was hosted by Ohio Wesleyan University. The men placed 14th overall out of the 34 team field which included all of the state's major colleges. This performance bettered the 15th place finish by the 1980 NCCAA national championship team.

Freshman, Tom Hill led the way for the runners again. He finished 37th with a time of 26:30 over the five-mile course. Craig Slater and Dave Schumaker came in close together finishing 88th and 91st with times of 27:32 and 27:33 respectively. Gary Anderson finished 105th in 27:49 while captain, Dean Johnson came in 116th with a time of 28:02 to complete the scoring.

Coach Elvin King was pleased with the finish, but he thought the men were still a bit tired from tough early week workouts. He is still confident that the team will continue to improve before the season is over. Dan Bisbee was rested because of an injury, and coach King described Anderson's race as "not a good one for him." All in all, the performance was another positive step in preparation for the NAIA District 22 Meet and the NCCAA Nationals. Coach King says they are hoping to peak at those two meets.

WOMEN'S CROSS COUNTRY

The women's cross country team competed for the first time in the All-Ohio Meet. Even though they finished 9th out of nine in the college division, Coach King said it was a good learning experience for them with major competition. It was the biggest meet the women had ever competed in.

Out of the 168 runners, freshman, Sue Vaughan finished 97th with a time of 21:08. Terri Schmidt was second for the women in a time of 21:40 to place her 110th. Carla Marling, Beth Britton and Rhonda Coventry rounded out the scoring by placing 136th, 151st and 153rd with times of with times of 23:33, 26:10 and 26:24 respectively.
