NCCAA National Office and Participating Schools in the first NCCAA National Invitational Golf Tournament

TOURNAMENT RESULTS AND ANALYSIS

Thanks to those schools who participated in the first invitational golf tournament. We had a great time and the weather was awesome!

This is just a follow up letter to send results and to get you excited for next year's tournament. Plans are already being made for the 1994 NCCAA National Invitational Golf Tournament.

The 1993 tournament was held at Apple Valley G.C., the home course for Mount Vernon Nazarene College and the NAIA District 22 Tournament. The weather was sunny and 75 degrees. We could not have had 2 better playing days. I believe the players and coaches enjoyed this first ever tournament for NCCAA golf schools. There is so much potential for future years! I can envision 15+ schools involved, a banquet with a nice speaker, etc.

CONGRATULATIONS TO SPRING ARBOR COLLEGE for winning the first invitational! Spring Arbor posted a 2-day winning score of 614, very fine score at this long course. As you see, Corey Casler shot 148 over the 2 days to become the first medalist in this event.

Thanks again for your participation. Tell other NCCAA coaches about the event and get them excited for next year.

Hit'em Straight,

Mel Severns
