ABOUT THE ITA

The Intercollegiate Tennis Association is beginning its 52nd year of supporting and guiding college tennis. Founded in 1956 as the National Collegiate Tennis Coaches Association, its initial purpose was to express the wishes of Division I tennis coaches to the NCAA.

Since then, the organization has expanded to include coaches representing over 1000 collegiate tennis programs from NCAA Divisions I, II, and III, NAIA, and junior/community colleges.

In cooperation with USTA, ITA formulates rules specific to collegiate tennis. These are published yearly in the official "rulebook" for tennis, Friend At Court, and govern college play at all levels.

ITA is the "voice" of college tennis, and seeks in numerous ways to enhance the visibility of tennis as a collegiate sport. ITA sponsors regional men's and women's tournaments throughout the country each Fall. Regional champions advance to national championship events in October.

Cedarville University is represented in ITA's operational structure by Murray Murdoch and Dee Morris. Dr. Murdoch has a long history of ITA involvement, and currently serves on the Executive and Budget Committee. Dr. Morris has served as women's NAIA Ranking Coordinator for a number of years.

ABOUT CEDARVILLE UNIVERSITY

Cedarville University is an accredited, Christ-centered Baptist university of arts, sciences, professional and graduate programs. The school is located on a 400-acre campus at the north edge of the village of Cedarville, Ohio, a quiet town with a population of approximately 3,000. The village and its surrounding area have long maintained a reputation for providing a wholesome environment for learning.

Though located in a rural community, Cedarville is conveniently situated in the center of a triangle formed by Columbus, Dayton, and Cincinnati, which allows easy access to three of the fastest-growing metropolitan areas in the nation.

Founded in 1887 by the Reformed Presbyterian Church, Cedarville College was established by individuals who had a vital interest in the spiritual welfare of young people. In 1953, the operation of the College was transferred to the trustees of Baptist Bible Institute of Cleveland with the goal of enlarging the Institute's ministry. The name Cedarville College was retained, and the school continues to perpetuate the original purpose of its founders. The school credo, "...for the Word of God and testimony of Jesus Christ," reflects this commitment. The institution became known as Cedarville University in 2000.

Since its founding, Cedarville has coupled a balanced liberal arts program with a conservative theological position in regard to doctrine and patterns of conduct. All classes are taught by dedicated Christian professors who integrate the knowledge of their respective fields with biblical perspectives.

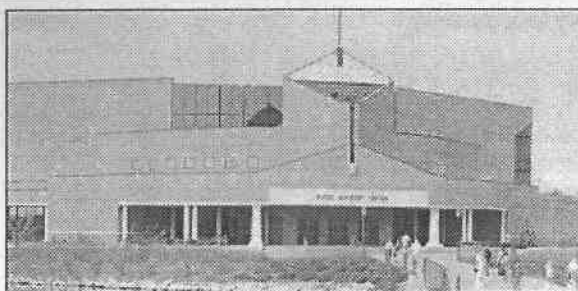

In keeping with the liberal arts concept, the curriculum centers on a basic program of general studies, including biblical education, communications, humanities, physical education, science and mathematics, and social science. Students choose a major field of concentrated study related to their abilities, interests, and career goals. The University offers more than 100 undergraduate and graduate programs of study.

The University recognizes that students must live and work in a society where computers and computer networks are an essential part of everyday life. To equip students to function effectively in this environment, Cedarville launched CedarNet, the award-winning campus-wide computer information network. CedarNet, which allows access to the Internet, the world-wide web, and OhioLINK, links computers in every dorm room and office on campus. The University has been a recipient of the CAUSE Award in the category of campuses with operating budgets of under \$100 million. This award recognizes the nation's most outstanding use of campus technology. Also, Cedarville has been identified as one of the nation's "100 Most-Wired Campuses" by Yahoo! Internet Life magazine.

Cedarville views individual ministry involvement to be a vital and necessary part of each student's education and personal growth. The Christian Ministries Division provides training and assistance to the hundreds of students who volunteer for any of the more than 150 different ministries each semester.

Cedarville attracts students from most every state and nearly 65 percent of the student body comes from out of state, including more than 30 international students.

Residence hall living is considered an integral part of the educational process with approximately 75 percent of the student body residing on campus in University housing.

WELCOME

Welcome to Cedarville University!

Our University is excited to host the 2008 Wilson/ITA Regional Tennis Tournament. We are always pleased to have the opportunity of having student-athletes, coaches and fans from other parts of the Midwest on our campus.

Cedarville University is a co-ed institution offering Christ-centered education in the liberal arts and sciences. The University enrolls approximately 3,100 students in undergraduate and graduate programs. Students come from nearly every state and several foreign countries to study in more than 100 different programs, including Business, Education, Engineering, Nursing, and Liberal Arts.

Cedarville's athletic program includes 16 sports (8 for men and 8 for women) and cheerleading. We compete in the American Midwest Conference, and are members of both the NAIA and the NCCAA. We are committed to the NAIA "Champions of Character" program as well as the NCCAA goals promoting both outreach and ministry through sport.

Thanks for coming to our campus. May God bless you!

Dr. Alan Geist
Athletic Director
Cedarville University

WILSON/ITA Regional Men's & Women's Championships

Wilson Racquet Sports partners with the Intercollegiate Tennis Association to sponsor singles and doubles championships for all levels of college tennis each fall. These tournaments are the only singles and doubles competitions available to college players; all other tournaments feature team competition. The tournament at Cedarville is one of eight for NAIA/ITA tennis programs. Other sites are: Auburn-Montgomery University (AL), Georgetown College (KY), Embry-Riddle University (FL), University of Illinois-Springfield, William Jewell College (MO), Oklahoma Baptist University, and Point Loma Nazarene University (CA).

Singles and doubles champions from each of the men's and women's regional tournaments advance to the National Championships at the Copeland-Cox Tennis Center in Mobile, Alabama on October 16-19. Last year's men's doubles champions were Matt Lantz and Jordan Hoy from Spring Arbor University - they placed seventh at nationals. The women's singles champion last year was Kristen Gillman from Ohio Dominican University. Kristen, a two-time Midwest Regional champion, placed eighth at the national event. Last year's women's doubles champions, Stephanie Strong and Raelyn Althoff of Huntington University, were unable to attend the national event due to a schedule conflict. The midwest region was represented by runners-up Eva Delk and Lisa Massey of Indiana Wesleyan - they placed eighth at Mobile.
