CEDARVILLE COLLEGE
CEDARVILLE, OHIO

SECRETARY OF THE FACULTY

April 27, 1915.

Miss Hazel Lowry,
Amelia, Ohio.

My dear Miss Lowry:-

In reply to your letter of April 26, I would say that I think you can get the State Provisional Certificate by taking work in the Cedarville Summer School. The following are the requirements for the certificate.

"Requirements for Admission.-Graduation from a first grade high school or its equivalent.

"Thirty semester hours of professional training are required for certification of college graduates.

"Practice Teaching and Observation of Teaching.--Three semester hours are required for practice teaching and observation of teaching, not less than half of which time shall be given to practice teaching, under the supervision of a training teacher.

"Each graduate shall receive a certificate signed by the director indicating that such graduate has completed satisfactorily all observation and practice work required. In no case is credit to be given in observation and practice teaching for experience in teaching in the past. In practice teaching not more than one recitation hour per day shall be credited, and not less than twenty-seven recitations shall be taught by each student.

"In addition to the practice teaching and observation work there shall be not less than twelve semester hours distributed among the following subjects with not less than two semester hours in each subject:

- (1) History of Education.
- (2) Science of Education, or Principles of Education.
- (3) Methods of Teaching, General and Special.
- (4) School Organization, including School Management and School Laws.
- (5) Psychology--General Psychology, Educational Psychology, Paidology."

All of the work you have had at Cedarville or at Wooster, which is of this nature will count towards meeting these requirements.

Very sincerely yours,

Leroy Allen.
