## January

January 1, Sabbath: "I leave it all to thee." "Another year! Lord, let me by thy side meet all its changes, and be thou my guide, I leave it all to thee—the sunny day, or the rough winter—only be my stay, and help me through its passing hours to be a faithful servant in the world for thee, to occupy the time till thou shall come to call me up to thine eternal home, when I shall see thy face and like thee be, and in thy presence rest eternally." Dear Lord attend our faltering step throughout another year.

January 15, Sabbath: It is just twenty one years this evening since Mr. Mc and I were married. On this anniversary evening it seems but a short distance to the old home. We see that old home, and Father and Mother and brothers and sisters just as we left them. Yet most have gone and all have changed. Life has a different expression—a grander meaning. We are compelled to take up life more earnestly. To do this each must resolve that— "This one thing will I do most gratefully. I will accept the life God gives to me, and wear it proudly, wear it patiently, moulded and

fashioned by his mighty hand. He gives to me the life that he has planned and bids me take and see and understand. Among the millions of eternity, plain as thou art, there is no one like thee. Mrs. Peters much worse this afternoon. Uncle Joe and I there this afternoon and evening. 8 July Sabbath. Fred, Harlan, Clara and Jason at Sabbath School and church. Fannie, Homer, Clayton, and Florence at home. Mr. Mc. and I went off to Mr. Peters this morning--they seemed so sorrowful we could not find in our heart to leave them--we went with them to their church in Selma. Rev. Timmons (?) and Rev Johston (?), colored brothers, \_\_\_ the funeral services. Text "I have fought a good fight, I have finished my course, I have kept the faith: therefore there is laid up for me a crown of righteousness, which the Lord the righteous judge shall give at that day: and not me only, but unto all them, also that love his appearing." The first speaker \_\_\_ these words and the second took them up and made further semantics (?)--altogether we certainly felt that, under the circumstances, it was good for us to be there--notwithstanding what their mistakes might be yet it was pleasing to see that they were resting all upon Jesus and where (I

think she means “were”--Tabitha) in earnest in trying to lead others to him. After the Services we followed the remains to the Cemetery at Black Some (?) Bridge and saw the remains of this sister laid away to rest till the resurrection day. It was \_\_\_ (?) when we reached home the children were home from church our good woman Mary Lancaster came home with them and she and Fannie had a nice dinner ready. It was quite pleasant but very warm this A.M. This Evening late quite a heavy shower fell. Mrs. Walker spoke as she was passing up to Charleston to wait on some sick person there. 22 July Sabbath ---ite and bright day, Fred, Harlan, Clayton Jason and Clara at Sabbath School. Our women rode down with them (?) and ---. Fannie Homer and Florence at home (?). Mr. Mc and I at church \_\_\_\_\_ Mr. Morton’s text (?)--“For I have learned in whatsoever state I am there with to be content” Christianity adapts (?) -- to all the trials and vicissitudes and hardships and trials of life. Subject of the text Christian Contentment. What is Christian Contentment? Notice the important (?) lesson learned: Christian Contentment means to be satisfied with the allotment (?) of God’s providence. We learn this state of contentment in Christs School--\_\_ kept so close to the master that we become like him. We can learn this spirit of contentment from the Bible. Let us never forget that our happiness does not depend upon external circumstances--we are people miserable (?) and happy under all circumstances . We should be content for all the \_\_\_ of earth are transitory. Soon all the distinctions (?) of earth will fall away--Soon all will be on the same level. For that silent land there are not titles--for the great and humbles ones of earth meet on the same level. Out of Christ everything and everyone is \_\_\_ ----- --\_\_ is in the possession of the love and \_\_\_ of Jesus makes us rich both for time and eternity.

29 July. Sabbath quite a lovely Sabbath. Fannie not well, as usual-she and Harlan and Florence at home. Fred, Clayton, and Jason and Clara at Sabbath School. Mr. Mc and Mr. Y. C. McMillan and I at church sermon by Mr. Morton. text--“My grace is sufficient for thee: for my strength is made perfect in weakness.” Sometimes there is some trouble that annoys us and like Paul we pray that the trouble may be removed--but the answer comes my grace is sufficient for thee. The subject of the text is a divine supply for ever human want. It means that we do not have the needed grace to do the work required. We are called to do hard work in the family--to train up our children for God and heaven not because we are able to do it of our selves but because God has promised us the help when we go forward that we need--if we only look to him we will receive fresh supplies day by day from his hand. We are to determine our duty not by our own strength but by the promise and power and grace (?) of Almighty God. We should use what power we have and trust in God for the rest. What we need to bring our children and friends to Christ is not so much to pray for a change in their hearts but get close Jesus our selves and be made like him to be able to \_\_\_ his glorious grace--to be filled with his love and spirit then shall be a power in his hand to draw others to this loving Saviour.

After preaching Fred went to Aunt Jane's and attended the Young Folks meeting in the eve and came home after dark. Mr. J. C. Mc with us.

30 July. Monday. Bright Clear day--it is getting very dusty (?). [...] We had a nice time in the parlor this Eve listening to Mr. J. C. go over the history of grandfather McMillan and our great grandfather McMillan. Our great grandfather McMillan fled to this Country times (?) of the persecution in Switzerland (?) (these last three words--"persecution in Switzerland"--were rubbed out--Tabitha). He came in the year of 1792. His name was \_\_\_ McMillan. His wife, our great grandmother McMillan's name was Jane Harvey. For five (?) months after he came to Chester district South Carolina he sent for this family and they came over. Our woman, and Harlan and Homer at home with Florence Mr. Mc and I at church--Mr Morton's subject of discourse--How can religion be revived in the heart, in the home and in the church. Too much importance can not be attached to reviving religion in our heart and in our home--it is in the home that lessons and impressions for time and eternity is made. It is to be more concerned about the salvation of our sons and daughters than about anything else in the

world. Let us neglect everything else but let us never forget the interests of our immortal soul-- nor the interest of the souls of those that God has entrusted to our keeping.
