# About the College

Cedarville College is a Baptist college of arts and sciences with an enrollment of approximately 1800 students. The school is located in the rural community of Cedarville, Ohio, which is 25 miles east of Dayton and 12 miles south of Springfield.

The college program is designed to provide opportunities for students to develop balanced lives. Such lives are produced by an overall program which encourages academic, spiritual, social, and physical growth simultaneously. Student life, which involves each of these aspects, is consequently seen as an integral part of the college learning experience. Cedarville College's commitment to the Bible as the final authority for faith and practice extends into every area of student life and leads to a conservative pattern of conduct.

## From the President...

Dear Friend,

It is my privilege to introduce and welcome you to Cedarville College. God is blessing us in an unusual way. Over 1800 young people comprise our tremendous student body. Our motto describes us well: "...for the Word of God and...testimony of Jesus Christ."

At Cedarville, we care about the student as an individual. We are committed to developing young people intellectually, physically, socially and, most of all, spiritually. Together we work to provide one of the truly exceptional Christian education programs in the country. We offer 28 major fields of study.

Our athletic teams are also quite important to us. Cedarville's game plan is not just to produce winners, but to produce men and women who are prepared for life after athletics, with the desire to exemplify Christ in all that they do. Our dedicated coaching staff strives to see that goal met.

If you have questions, please write us. We desire to be of assistance to you. At Cedarville, you are important to us!

Sincerely,

A handwritten signature in blue ink that reads "Paul Dixon". The signature is fluid and cursive, with a large initial "P" and a stylized "D".

Paul Dixon, D.D.  
President

# From the Team...

*"Victory is not everything, but the greatest lessons in athletics come from the work, discipline, and dedication along the path to victory.*

*Our challenge as Christian athletes is not that God will help us win, but rather that we should develop the abilities God has given us that we might find satisfaction in knowing that we have done our best. This goal is not totally achieved in one race or even in one season, but if we persevere through our entire career and handle all the ups and downs, physically, mentally, and emotionally, we will have a good foundation of experience to which we can relate in our future years.*

*Our hope is that our personal faith in Christ might be reflected through our efforts both on and off the track."*

## About the Coaches

Men's coach Elvin King begins his 16th season as head track coach at Cedarville College. He is responsible for developing the National Christian College Athletic Association track championships. King has led the Yellow Jackets to four NCCAA titles (1975, 76, 83, 84) and he was named NCCAA "Coach of the Year" after each of those victories.

King received his B.S. in 1964 from Kent State University. He later earned his M.Ed. from Bowling Green State University.

John McGillivray is in his third year as the women's track coach at Cedarville. His 1984 squad won the Western Buckeye Collegiate Conference meet and placed third at the NCCAA. He is a 1970 graduate of Cedarville College. He earned his master's degree from the University of Dayton.

## Facilities

Cedarville possesses some of the finest athletic facilities for small colleges in the state of Ohio. The three-million dollar Athletic Center features a tenth-of-a-mile, four-lane mondo track. It includes high jump, long jump, and pole vault pits which make it functional enough to stage a complete indoor track meet.

For outdoor competition, Cedarville has a six-lane, all-weather asphalt track. It has been used on several occasions for the NCCAA Nationals.
