ONE THOUSAND DAYS TRANSFORMED

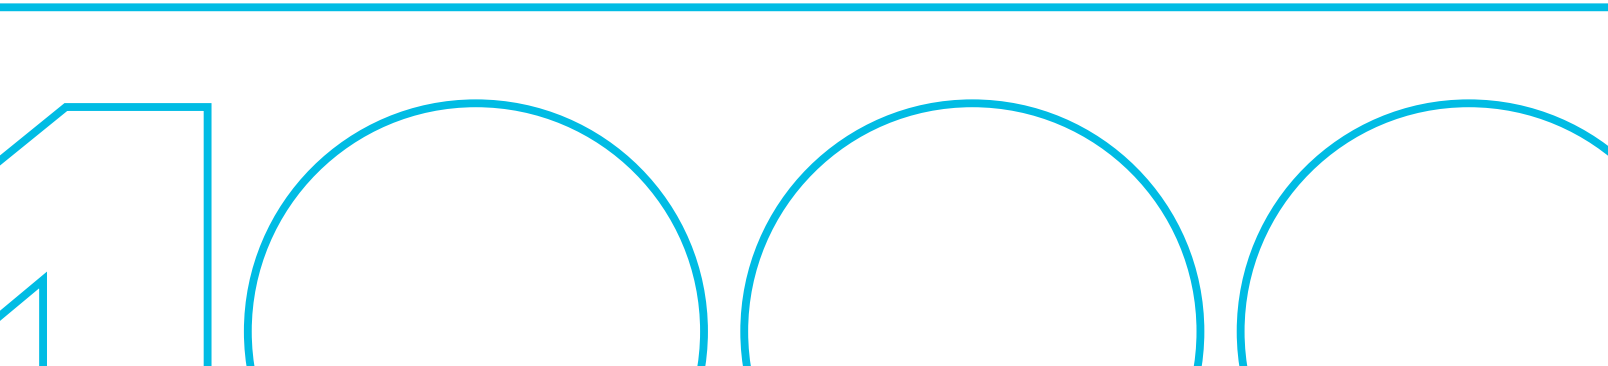

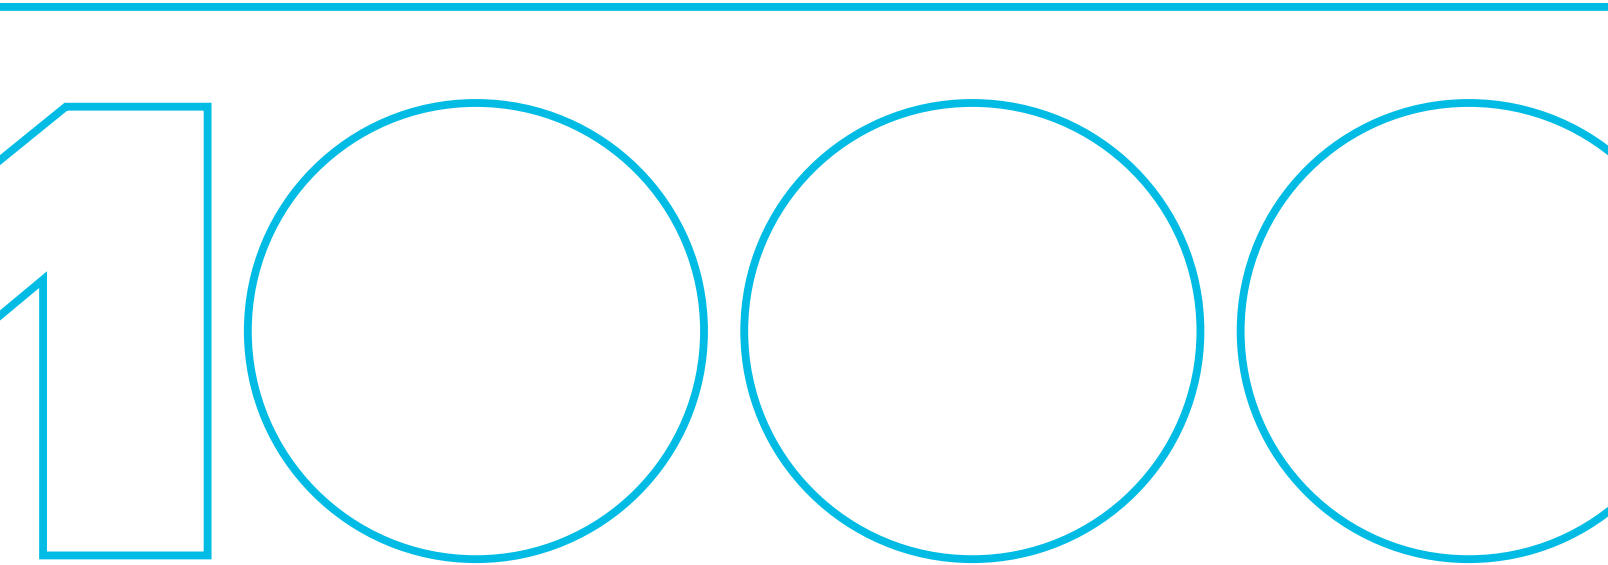

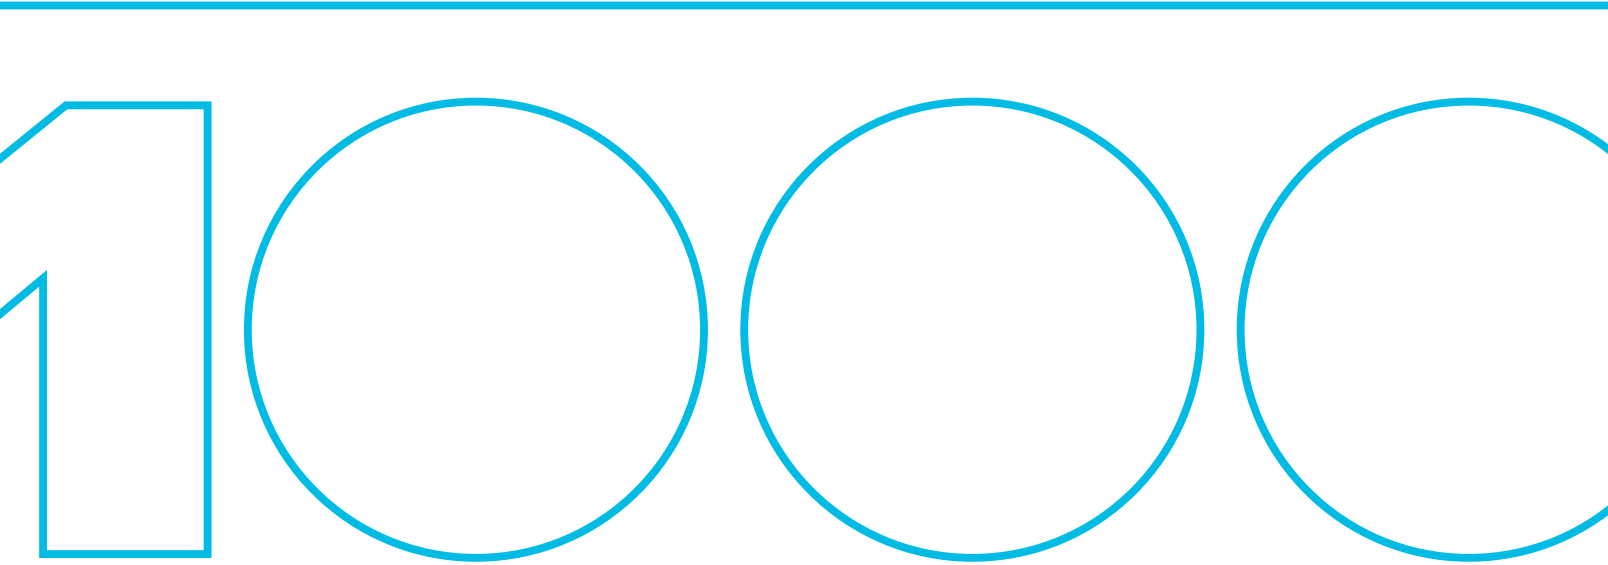

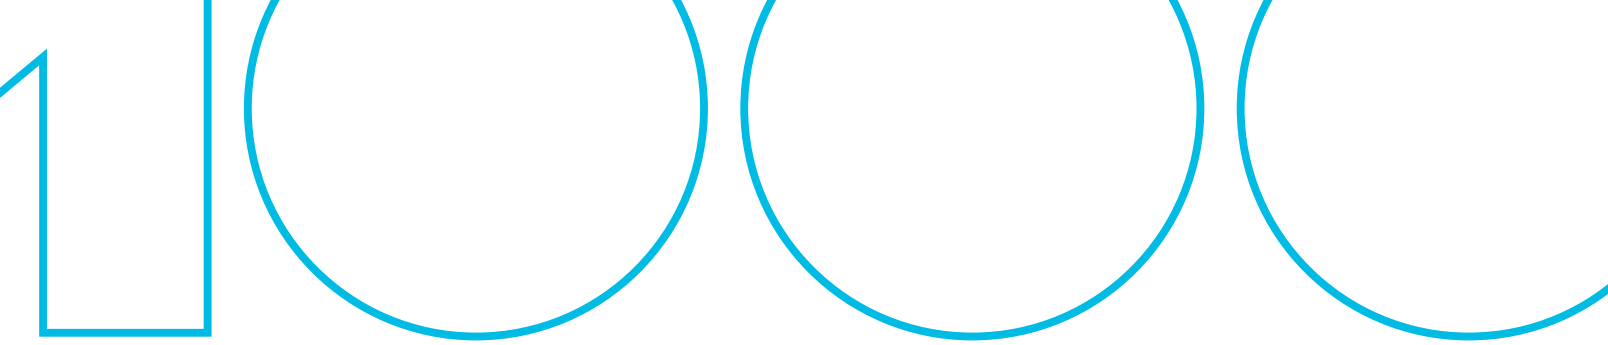

The Campaign
for CEDARVILLE

EXPAND OUR CAPACITY

\$92.5M Goal

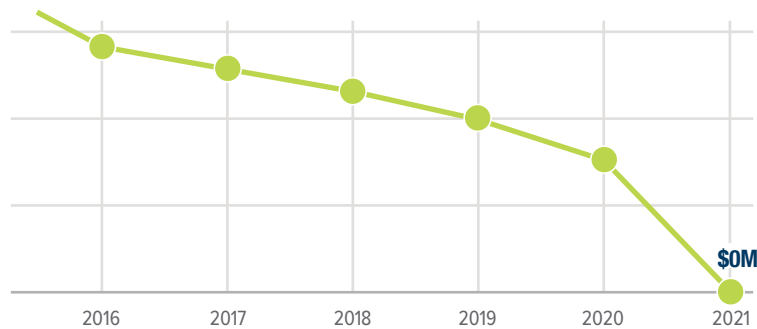

We must improve and add to our infrastructure in order to welcome, house, and educate the growing number of students who desire a university that is faithful to Scripture and marked by academic excellence. This distinctive mission, by God's generous grace, has resulted in transformational growth — even during a time when many universities have experienced declining enrollments.

ENROLLMENT GROWTH

In 2019, we began a 10-year campus master plan that will change the look of Cedarville's campus, enabling us to increase the number and scope of academic programs and enlarge the University's capacity to transform the lives of undergraduate and graduate students for the Word of God and the Testimony of Jesus Christ. And, through God's provision, we embark on these projects from a position of financial strength, unencumbered by debt.

EXTERNAL DEBT

Cedarville University will not mortgage the future to provide for the present, and we will not build and expand in ways that increase the cost burden for our students. Relying on the generosity of faithful partners, we are committed to wisely stewarding the resources God has entrusted to us as we transform Cedarville's beautiful campus through strategic infrastructure improvements, each with the unique opportunity for lives to be transformed by the Gospel for all eternity.

To Him be the glory alone!

In this campaign, we seek to raise funds to expand our capacity with six new facilities:

Scharnberg Business Center – \$32M Goal

This lakeside building will house our expanding School of Business Administration and entrepreneurship programs.

Athletic and Academic Expansion – \$8M Goal

The expansion includes a new athletic weight room, team room, and office/classroom space for new Master of Athletic Training and Physician Assistant graduate programs.

Chick-fil-A – \$7M Goal

This 300-seat dining and campus community facility overlooks Cedar Lake.

Welcome Center, Classrooms, and Academic Offices – \$35M Goal

This stately new facility will join several outstanding academic departments under one dome and offer a welcome center for campus guests.

Women's Residence Hall – \$7.5M Goal

A new women's residence hall will add much-needed housing for our growing student body.

Civil Engineering Center – \$3M Goal

The new center provides dedicated lab and instruction space for our newest engineering major.

MINIMIZE STUDENT DEBT **\$15M Goal**

Cedarville's education model combines academic excellence with intentional discipleship to produce graduates with integrity, a strong work ethic, and in-demand professional skills.

Our challenge is making sure every student who desires a Cedarville education can afford to enroll and will graduate unencumbered by excessive debt.

Through your support for scholarships, this goal can be achieved!

We can help make Cedarville more accessible to the next generation of students, ensuring they are equipped to serve and lead for the Word of God and the Testimony of Jesus Christ.

In this campaign, we are focusing on three ways to accomplish this goal:

The Cedarville Fund – \$5M Goal

The annual fund allows us to keep tuition low and budget scholarships through annual gifts.

Annually Funded Scholarships – \$5M Goal

Donor-funded annual scholarships provide immediate funding for pressing needs.

Endowed Scholarships – \$5M Goal

Endowed funds provide consistent, reliable funding for students with financial need or who demonstrate academic excellence.

TRANSFORM LIVES IN AND OUT OF THE CLASSROOM **\$10M Goal**

We are passionate about transforming lives in and out of the classroom. Through your support of *One Thousand Days Transformed: The Campaign for Cedarville*, we plan to fund four key initiatives:

Academic Programs – \$4M Goal

Invest in one of our outstanding academic programs and be a part of preparing the next generation of Christian nurses, engineers, teachers, and more. Choose a new or developing program, like Civil Engineering, Athletic Training, or PA Studies. Or maybe one of our leading-edge programs like Industrial and Innovative Design or Cyber Operations, which was named a Center of Academic Excellence by the NSA, the only Christian university to achieve that designation. Few Christian universities can match the breadth and quality of Cedarville's program mix. Every undergraduate degree includes a Bible minor and a liberal arts core, along with the required major courses for the more than 150 sought-after programs offered.

Global Outreach – \$3M Goal

We desire for every student to minister locally through a student organization and globally through a cross-cultural missions trip. These trips help our students develop a heart for the nations as they see the needs of a lost world firsthand and work alongside missionaries to help spread the Gospel of Jesus Christ. Many vocational missionaries started their ministry with a short-term trip. The importance of these trips cannot be overstated as we seek to fulfill the Great Commission in our lifetime. After participating in missions trips, students pray more fervently, give more generously, and go more frequently. Your gifts can help change the way they view missions forever.

Student Life and Chapel – \$2M Goal

The foundation of our student life philosophy is discipleship. We offer more than 120 student-led discipleship groups, 100 student organizations, and 25 intramural sports. Residence life staff come alongside students in daily discipleship, encouraging them to grow in their faith and make Christ central to everything they do. Every Cedarville student has at least one experience in common: weekday chapel at 10 a.m. It is the heartbeat of Cedarville's campus. Your support of this key priority will help us produce spiritually mature students who will flourish for God's glory.

Athletic Programs – \$1M Goal

Yellow Jackets play hard and go for the win, competing in 16 collegiate-level sports. In the past 13 years, 19 Cedarville teams have won national championships in the National Christian College Athletic Association, and 11 teams have competed in NCAA postseason competition. While celebrating championships and pursuing outstanding play, Cedarville teams serve each other and their competitors, honoring Christ as their ultimate goal.

PREPARE FOR THE FUTURE

\$7.5M Goal

While the majority of this campaign relies on current giving to succeed, a planned gift can contribute to the long-term sustainability of Cedarville University. We are committed to standing firm against cultural headwinds, and planned gifts provide assurance that financial giving will continue well into the future. It is a chance to leave a legacy for years to come.

As these gifts come in over the next decades, they will provide additional dollars to strengthen our programs and our commitment to the Word of God and the Testimony of Jesus Christ. We are able to confidentially talk through planned giving options that will minimize tax liability while caring for your priorities to provide for your family and help advance the causes that God has placed upon your heart.

Dear Partners in Ministry,

At Cedarville University, it is our privilege to steward the approximately 1,000 days students spend on our campus, and we are committed to make each of those days count with excellent academics and intentional discipleship in submission to biblical authority. We will never waver from our bold faith.

Building on our growth over the past decade, now is the time to join together to transform Cedarville University so that we might continue to see transformed lives on our campus. Join with us as we grow facilities that match the quality of our programs, as we establish scholarships that make a Cedarville education more affordable and accessible for all students, as we support student programs like chapel and missions trips that make the Cedarville experience truly unique, and as we work together to ensure the long-term sustainability of Cedarville so that students' lives are transformed for generations to come.

Would you prayerfully consider answering this bold call to faithful stewardship and Kingdom impact?

Partner with us to equip students during their 1,000 days at Cedarville for godly service and vocational distinction to stand for the Word of God and the Testimony of Jesus Christ.

In Christ,
