**Hometown:** Mount Joy, Pennsylvania

**Major:** Preseminary Bible

**Highlights:** Student Government Association (SGA) chaplain, chapel worship band, Campus Culinary Committee (what?!)

**"I grew up going to church, but Cedarville has taken my faith to a new level. I've come to understand more why I believe what I believe. Whether it's chapel, classes, Bible studies, or friends in the dorm, you are always being challenged in your faith. If you want to be pushed out of your spiritual comfort zone, Cedarville is definitely the place!"**

## Hearts for God

- Relevant daily chapels with outstanding speakers and authentic praise
- Christian professors who challenge you to think biblically in every subject area
- Required Bible minor a part of all academic programs (Bible classes always rank among students' favorites!)
- Bible studies and discipleship groups that deepen your understanding of God's Word
- Unwavering commitment to the inerrancy and authority of Scripture
- Creationist approach to scientific research and study

*Daily chapels feature amazing worship times and messages from some of the world's most compelling Christian speakers like James MacDonald, Alistair Begg, Tony Evans, John Piper, and Gracia Burnham.*

"Academics were very important to me when I was choosing a college. Honestly, I wasn't sure that a Christian college would be as rigorous as the state schools I was considering. One visit, one look around campus, talking to professors, and I found out Cedarville is definitely challenging. There's a strong academic reputation here. Already I've had two excellent internships – one with Chevron/Texaco writing articles for their internal Web site and the other with Stanford University's newspaper as a science and general assignments writer."

*The National Survey of Student Engagement ranked Cedarville at the top of the nation for providing a supportive campus environment for freshmen.*

*Cedarville classes are taught by highly credentialed Christian faculty (not graduate assistants).*

## Minds for Truth

- Comprehensive academic offerings with more than 100 accredited programs of study
- Top rankings at national academic competitions in business, engineering, forensics, debate, political studies, and more
- Caring, Christian professors who excel inside and outside the classroom as authors, diplomats, doctors, engineers, social workers, teachers, and more
- Recognition as one of the top universities in the Midwest by *U.S. News & World Report*, *The Princeton Review*, and *Peterson's Competitive Colleges*

*The White House hires just 100 college interns each summer. This year two of the 100 are from Cedarville. Considering there are 3,000 universities in the nation, that's remarkable! And, did we mention we had an intern there last summer, too?*

**"I have made a lot of great friends in the dorms. You really get to know people so well – you go to lunch and to class with the same people you live with, so you form really strong bonds. I wouldn't give that up for anything."**

*– Latice*

## Friends for Life

- 3,100 Christian students from 49 states and 13 countries
- Hundreds of ways to get involved: social and service organizations, student government, intramural sports, music ensembles, ministry teams, and more
- Recreation Center featuring a 40-foot climbing wall, fitness and weight training equipment, racquetball courts, basketball and volleyball courts, and much more
- Leadership opportunities and practical training through The Leadership Institute
- Residence life program that serves 80 percent of students and fosters lifelong friendships and unforgettable college memories

## Service for Eternity

- 150 ministry teams serving in area churches, schools, social agencies, inner-city outreaches, and community programs
- Traveling drama, music, and puppet teams that minister in churches and schools across the nation
- Discipleship groups that provide opportunities for Bible study, mentoring, accountability, prayer, and open discussion
- Missions and study abroad opportunities that reach nearly every corner of the world

**“At Cedarville I’ve been forced to grapple with real-world issues – how my biblical worldview affects my beliefs and my approach to ministry. One Bible prof, Dr. Blumenstock, has had a unique influence on me. After my first class with him, he invited me to lead the high school youth program at his church. He had no problem giving me the reins and letting me grow.”**  
– *Mark*

*More than 500 Cedarville students traveled to the Gulf region to provide relief to churches, schools, and families in the wake of Hurricane Katrina. Students also gave an unprecedented \$70,000 offering in one chapel service. Find out more at [www.cedarville.edu/disasterrelief](http://www.cedarville.edu/disasterrelief).*
