CEDARVILLE COLLEGE

JEREMIAH
CHAPEL

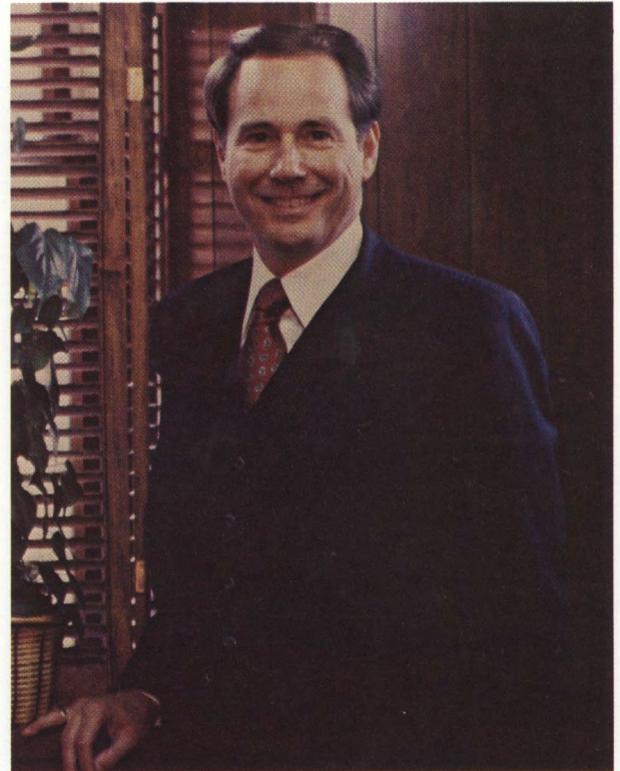

OUR PRESIDENT

We welcome your interest in Cedarville College.

Our goal is to offer an education consistent with Biblical truth. Balance typifies our approach of combining academic excellence with evangelistic spiritual fervor.

The Lord has been blessing this approach with tremendous growth. In response to a growing student body, we have added new programs and facilities. As we look forward to celebrating our centennial, we anticipate even greater growth.

We would love for you to be a part of that growth. Examine the pages that follow to learn more about our fine programs. Use the reply card to send for additional information. Make plans to visit our campus. And then, as the Lord leads, decide to experience the excellence of Cedarville College!

OUR SPIRITUAL EMPHASIS

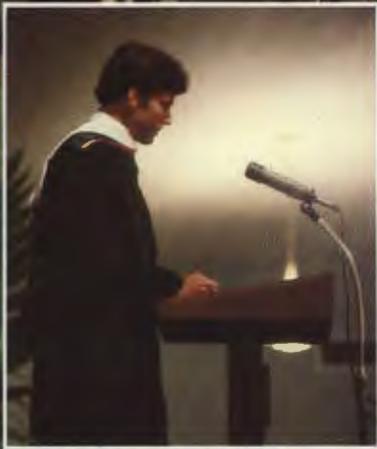

We are a Christian college. Each student testifies of personal faith in Christ in his or her application for admission. The Bible is an integral part of the curriculum – every student takes at least a minor in Bible (six classes) before graduating. Forty-five minutes of each weekday are devoted to our chapel program in which the college family listens to a message from the Word of God. Spiritual emphasis weeks highlight each academic quarter. As Christians, we feel that our spiritual concern should permeate every aspect of our program. Consequently, you'll find prayer, Biblical principles, and a dedicated Christian professor in every classroom;

an extracurricular activity and social event; and a thriving Christian service program which sends out students with the gospel to people both at home and abroad.

OUR ACADEMIC PROGRAMS

We believe that the Lord uses committed Christians in all walks of life – from pastor to homemaker to accountant. To help you prepare for these professions, we offer 23 major fields of study and a variety of specialized programs. In each of these areas you'll find concerned, qualified professors who draw not only from experience and graduate education, but also from continued study in their fields of expertise.

Major Fields of Study

Accounting
 Behavioral Science
 Bible, Comprehensive
 Bible, Preseminary
 Biology
 Broadcasting
 Business Administration
 Chemistry
 Elementary Education
 English
 History
 History-Political Science

Mathematics
 Music

 Preagriculture
 Pre dental
 Preengineering
 Premedical
 Prepharmacy
 Preveterinary
 ROTC - Army
 ROTC - Air Force
 Study Abroad Program
 Secondary Education
 (20 areas of certification)
 Secretarial Administration
 Special Education

At this point in time you may not be sure what career the Lord has for you. Many college students are not sure either! National studies indicate that over 50 percent of all college students consider changing their majors at least once in the college career. We have career counseling available through our Counseling Service to help you through this decision-making process. Once you have decided on a major and career, our Placement Office will help you transfer that interest and training into a job.

OUR STUDENT LIFE

As our 100 acre campus is "home" to nearly 90 percent of our student body, we sponsor many exciting events throughout the year that allow our students to grow culturally, develop special abilities and interests, and interact with students from

forty-four states and six foreign countries. Seventeen intercollegiate sports also invite participation. These include basketball, baseball, cross country, golf, soccer, tennis, indoor track, outdoor track, and wrestling for men; and basketball, cross country, field hockey, softball, tennis, indoor track,

outdoor track, and volleyball for women. Intramural competition flourishes in a wide variety of sports. All these activities benefit from our new Athletic Center, providing five basketball courts, tennis courts, handball/racquetball courts, an indoor track, a weight room, and a wrestling room.

Vicki Butler, 1980

"Cedarville College made me a disciplined person. I was involved in many extra-curricular activities like athletics and music, and I had to work hard to make good grades. Now that I'm an accountant, I am thankful for the excellent academic preparation that I received. I can attest to the fact that I was well prepared to enter the business world."

Vicki works as an accountant for the Gibson Greeting Card Company in Cincinnati, Ohio. While in college, she performed well in class, in concert (symphonic band), on the basketball court, and on the softball field. Before graduating with "highest academic honors," she was named AIAW All-American honorable mention, first team All-Ohio Division III, and became Cedarville's all-time leading scorer for women's basketball.

Craig Colas, 1980

"Cedarville College interested me because I liked the idea of combining Bible with my premed studies. Originally, I planned to transfer to a state university after two years at Cedarville. But I enjoyed a Christian education so much that I stayed and graduated. My dental aptitude scores were excellent, and I was accepted by all the dental schools to which I applied."

Craig won the 1980 President's Award, was All American NCCAA in cross country, and participated in Swordbearers. He is a second year dental student at Case Western Reserve University.

Charles Wilkins, 1967

"What stands out in my mind about Cedarville College is the tremendous commitment of the faculty and staff to quality; and, I appreciated the intimate campus setting. The college was small enough to be personally concerned about its students, yet large enough to offer a quality program."

"Charlie" Wilkins is an example of a quality Cedarville College product. While playing college baseball, he was named first team All-American in the NAIA. As a pitcher, he led the nation in strikeouts and was third in earned run average. Although scouted by eight professional teams, God led him into education. He is now serving as administrator of the Walnut Ridge Baptist Academy in Waterloo, Iowa.

Margaret (Stowell) Wheeler, 1964

"Someone has said, 'Education is what is left after you have forgotten the facts.' At Cedarville College I was helped to see myself through God's eyes, to accept myself not only for what I was, but also for what I could become. Now, as a career homemaker, I find real fulfillment in the contribution I am making in the lives of my husband and our children, loving them and helping them to become all that God wants them to be."

God has extended Margaret's ministry beyond her family to include developing unique needlework designs, writing articles for publication, and speaking to women's groups.

OUR FACTS AND FIGURES

Some people believe that a college education is financially out of reach. Yet as many as 80% of the students at Cedarville College have found financial assistance in meeting educational costs. Opportunities for assistance include:

- Scholarships and Grants
- Ohio Instructional Grants
- Pell Grants
- Guaranteed Student Loans
- Student Employment
- National Direct Student Loans

Additional information concerning aid and employment opportunities as well as applications are available from the Admissions or Financial Aid offices. For best results, completed forms should be returned by April 1 of the calendar year you plan to attend college.

COSTS

Estimated basic expenses for the academic year 1982-83 (excluding transportation, personal expenses, books, and laboratory fees):

	Quarter	Year
Tuition (based on 16 quarter hours)	\$ 992	\$2,976
Fees (approximate)	77	231
Board	380	1,140
Room	<u>315</u>	<u>945</u>
TOTAL	\$1,764	\$5,292

CAMPUS

Rural, over 100 acres

ENROLLMENT

1,750 (800 men, 950 women)

RECOGNITION

- Association of Christian Schools International
- General Association of Regular Baptist Churches
- North Central Association of Colleges and Schools
- Ohio Board of Regents
- Ohio State Department of Education (for the preparation of elementary and secondary teachers)
- State of Ohio Board of Nursing Education and Nurse Registration
- United States Government (for the education of veterans and the enrolling of international students)

DEGREES:

- Bachelor of Arts
- Bachelor of Music Education
- Bachelor of Science in Nursing

CALENDAR:

Three ten-week quarters, September-June

ADMISSIONS PROCEDURE:

1. Obtain, complete, and return an application for admission. Applications are available from, and should be returned to, the Admissions Office. Necessary recommendation forms are included in the application. A \$15 fee and two current photographs should accompany the returned application.
2. Take the American College Test (ACT) or Scholastic Aptitude Test (SAT), and have the score reports sent to Cedarville College. Information concerning test dates and locations is available from most high school counselors and the Admissions Office at Cedarville College. The application for admission may be submitted before taking either test.
3. Request that high school transcripts through the junior year be sent, along with a recommendation from the high school counselor. Class rank at the end of the junior year should be included.
4. Request a recommendation from the pastor of the church you attend.

VISITORS WELCOME!

Prospective students find that a visit to our campus is of great value in finalizing their decision about college. Therefore, we encourage you to make plans now to spend a day with us.

You may:

- Join us for Chapel at 10 a.m.
- Tour our campus at 11 a.m., 12 N, or 1 p.m.
- Visit a class or two.
- Talk with a professor in your field of interest.
- Discuss financial aid opportunities.
- Meet with our director of admissions.
- Speak with a coach in your sport.
- Eat in our dining hall.
- Participate in one of the evening activities on campus.
- Spend a night in one of our residence halls.

Just let us know when you are coming and we will make the appropriate arrangements. Write to: Director of Admissions, Cedarville College, Box 601, Cedarville, Ohio 45314 or call 513/766-2211, ext. 317. Our offices are open Monday through Friday 8 a.m.-5 p.m. and by appointment on Saturday.
