1990 Season Outlook

Cedarville College volleyball coach **ELAINE BROWN** is expecting her team to reach new heights in 1990 -- both figuratively and literally. She is counting on her tallest team ever to continue a winning tradition that has posted two straight record-setting seasons.

"We are counting on a stronger offensive attack," said Brown, who is 182-134 in eight years at Cedarville. "I'm hoping that the height will translate into better blocking as well. This team has the talent to be even better than the last two I've had."

The Yellow Jackets set a school record for victories during last year's 34-13 campaign and were seeded #2 in the NAIA District 22 playoffs. That effort topped the 31-13 mark set by the 1988 club.

Only two starters, junior all-around **LORI HAMILTON** and sophomore hitter **TRACIE BURLINGAME**, return to the line-up. They are two of three players who played in all 47 matches in 1989.

Senior back row specialist **LINDA BEAN** and sophomore hitter **DEE HAUSER** saw considerable action last year. Sophomore **DEB HENRY** may play the most important role as the team's primary setter.
