THE PATH *Ingathering 2001*

September 1, 2001

[REDACTED]

She called it a sovereign intersection and a wake up call- a God-appointed meeting when the truth of the Gospel was made clear, and she knew this step of faith would lead her into a life of hope in Christ!

The message she heard on the radio recently led her to seek answers for the hopelessness she had felt for decades, and the step of faith took place at a local church shortly afterward. Our Lord has built a bridge of friendship between a radio ministry, a local church, and a listener hungering for spiritual reality. You are a part of that divine intersection as well!

God chooses to use us as His instruments for His glory in proclaiming the timeless riches of His Word through Christian broadcasting in your community. Your encouraging involvement in supporting **THE PATH**® in your hometown and around the world through CDR CyberRadio helps us reach more people searching for a personal relationship with Christ.

Please take a moment to consider making a big difference in your community for Christ. I want to share with you an opportunity for you to join us in building bridges of friendship with other listeners. Ingathering 2001, our annual financial partnership time, is approaching soon. With God's blessing and your support, **THE PATH**® will continue reaching people looking for a relationship that satisfies the deepest desires of their hearts. Our Ingathering 2001 goal is \$735,000 for operational costs of our nine network affiliated stations. Every listener's partnership is vital to sustain these daily resources. **Please take a minute to pray for lives to be changed and souls to be nourished through the broadcasts and resources that THE PATH® provides.** In addition, please help us reach others through your financial support.
