**THOMAS R. FELD
NAIA Executive Committee**

Thomas R. Feld, president of Mount Mercy College, Cedar Rapids, Iowa is representing the NAIA National Executive Committee at the National Men's and Women's Outdoor Track and Field Championship Meets.

Feld, an ex-officio member of the NAIA Executive Committee, is chairman of the NAIA Council of Presidents, the NAIA's chief governing body.

All NAIA championship meets, games and tournaments are under the direct supervision and control of the 10-member Executive Committee. The National Executive Committee is elected by the membership of the NAIA at the Annual Business Meeting of the Association.

**LYNN ADAMS
NAIA Coaches Association**

Lynn Adams, head volleyball and softball coach at Greenville College, Greenville, Illinois, is serving as president of the NAIA Coaches Association (NAIAC) for the 1986-87 school year. Adams is past president of the NAIA Volleyball Coaches Association.

A subsidiary of the NAIA, The NAIA Coaches Association is the largest organization of college coaches in the world with more than 3,700 active members. NAIAC is charged with the responsibility of carrying on a program of intercollegiate athletics beneficial to the member coaches of the organization.

NAIAC provides coaches in all sports with a strong voice in the establishment of rules and standards in each sport. The All-America and Academic All-America awards programs are a function of NAIAC and the Awards Committee, subject to the policies and guidelines established by each individual sport association.

Welcome

STATE OF ARKANSAS
BILL CLINTON
GOVERNOR

Greetings:

I want to welcome to Arkansas everyone participating in the National NAIA Outdoor Track Meet. I also want to extend my very best wishes for the success of this event.

I am pleased that the City of Russellville is host to more than 1,000 athletes and coaches from across the nation who will be competing in this sporting event.

Again, best wishes for the success of your track meet.

Sincerely,

A handwritten signature in cursive that reads "Bill Clinton".
Bill Clinton
Governor

MESSAGE FROM OUTDOOR TRACK AND FIELD CHAMPIONSHIP COORDINATOR

Good weather, talented athletes, quality facilities, and dedicated administrators are the key ingredients for a successful outdoor track and field championship. The NAIA feels confident that Arkansas Tech University, the NAIA-Track Field Coaches Association and the hundreds of athletes who have travelled to Russellville will provide three of those four ingredients. Let's just hope that Mother Nature cooperates by providing us with several days of beautiful, Arkansas springtime weather.

Organizing and hosting a championship event of true national caliber requires hours of work by scores of dedicated people at the host institution and in the community. Space does not allow us to thank everyone individually, but I would like everyone connected to this championship in anyway to know that the NAIA appreciates your efforts.

Special thanks must go to Don Sevier, meet director and athletics director, Kenneth Kersh, president, and their staffs for service beyond the call of duty.

I am sure many of you are aware that the NAIA celebrated a Golden Anniversary in March. While the celebration centered around the 50th Annual National Men's Basketball Championship Tournament, the entire Association has been afforded an opportunity to reflect on our past and plan for the future.

Those future plans must stress the importance of the word "student" in the term student-athlete. The young men and women who reached this championship did so because they are gifted athletes. But we are doing them, as well as all NAIA athletes, a disservice if we do not challenge them to strive for their best academic level as well. The NAIA salutes the 510 athletes who were named Academic All-Americans last year and look forward to honoring more student-athletes in the upcoming months. The Academic All-Americans epitomize what the NAIA stands for: achievement in the classroom and on the field of competition.

Congratulations to all of the student-athletes competing here and best of luck for an injury-free meet.

Jefferson D. Farris
NAIA Executive Director

DEAR NAIA PARTICIPANTS:

On behalf of the Russellville Chamber of Commerce, I would like to welcome you to Russellville for the National NAIA Outdoor Track Meet. It is an honor to once again have in our community coaches and student athletes from the many fine NAIA schools, their families and fans. We look forward to enjoying the excellent spirit of competition and good sportsmanship. Good Luck!

I am pleased that the support of the businesses and industries in Russellville has enabled the Chamber of Commerce to join with Arkansas Tech University and Russellville High School in hosting this event.

I hope your stay in Russellville is a pleasant one and that you will return many times to visit our area.

Sincerely,

Jim Bob Humphrey
President

THE RUSSELLVILLE SCHOOL DISTRICT WELCOMES THE NAIA

The Russellville School District is happy to be one of the sponsors of the 1987 NAIA National Track Meet. The Board of Education, Administration and staff extend a cordial welcome to the athletes, coaches, and school officials visiting our community.

The 1986 NAIA Track and Field Meet was very successful and we believe that the experience gained in helping to sponsor that meet will serve you well as we help plan and administer the 1987 NAIA National Track and Field Meet. Our personnel and our resources are at your disposal and we are determined to do everything we can to make this the most successful NAIA meet in history.

The Russellville School District is comprised of a ten square mile area located in Pope County. Some 65% of our faculty of approximately 300 have advanced degrees. We are extremely proud of our academic tradition as well as our excellent facilities and feel that this stadium is another example of the commitment to excellence which is a hallmark of the Russellville Community.

Gene Lavender

Superintendent

NAIA PARTICIPANTS:

Arkansas Tech University is happy to be a part of the sponsorship of the NAIA National Outdoor Track Meet. It is an honor to have you on our campus, in our community, and in the state for the second consecutive year. I am compelled to say that you made a very positive impression on all concerned last year.

Although each of you cannot return home with a championship trophy, you have proven that you are of championship caliber by earning the right to participate in this meet.

May your stay here be pleasant and enjoyable. May you do your best as you represent your institution in the national meet of true champions.

Sincerely,

Dr. Kenneth Kersh,
President of Arkansas Tech University

Location, Climate and Growth

LOCATION

Russellville, Arkansas -- Land of Good Living. Residents of this city, nestled in the Ozark foothills, enjoy a rare mixture of natural beauty, city amenities, abundant water, recreational opportunities, mild climate, and an enviable location in the heart of America. Located in the central part of the state, Russellville is the hub of the Arkansas River Valley...People really enjoy living here.

Agriculture plays an important role in our economy, yet we also have a diverse manufacturing base. Excellent location and accessibility have attracted eight "Fortune 500" companies to locate facilities here.

CLIMATE

Being part of the Sun Belt, Russellville has a mild four season climate, with an average maximum temperature of 73 degrees and an average low temperature of 51 degrees. Rainfall averages 45 inches annually.

HOUSING

There is no place like home - and no place like Russellville to call home. There are beautiful homes located on spacious, wooded lots, or on the shores of Lake Dardanelle. Prices range from the low 30's upward to above \$150,000. The cost is considerably less than the national averages. We have an adequate supply of new housing to meet the growing community requirements.

Modern apartment complexes reflect contemporary lifestyles. There is an apartment complex for senior citizens with scheduled activities.

Russellville has four chain motels which provide restaurant service and conference facilities. These plus seven privately owned motels offer over 600 modern rooms.

GROWTH AND POPULATION

Russellville is the industrial center of the River Valley, providing jobs for many of the approximately 123,939 residents within a 30 mile radius.

Year	Russellville Population	Russellville/Dardanelle	Pope County	Yell County
1980 Census	17,650*	21,181	39,003	17,026
1970 Census	11,750	15,047	28,607	14,208

*1985 population after annexation of 13.1 square miles.

Growth projections - 15 mile radius 1989 - 51,377

Median Age by Sex: Male 26.8; Female 31.5.

SHOPPING

An enclosed shopping mall, 8 shopping plazas, plus many specialty shops make Russellville the retail trade center for the five-county Arkansas River Valley. Indications point to a continuing strong growth pattern for Russellville.

CHURCHES

There are approximately 57 churches in Russellville, representing all major denominations.

LABOR FORCE

A regional office of the State of Arkansas Employment Security Division is located in Russellville and is always glad to assist in conducting labor surveys and providing a high quality work force. The combination of pre-screening for worker selection, excellent training programs, and workers who want to produce results in a profitable operation that is proudly acclaimed by Arkansas managers.

Arkansas is a right-to-work state and the manufacturer is welcomed as a vital, beneficial part of our community. We have no history of labor militancy. In fact, our last two union elections have been decertification.

Eight "Fortune 500" companies have facilities in Russellville. Approximately 40 manufacturers and processors employ about 6,000 persons. Government, medicine and service industries are also major employers.

AREA DEVELOPMENT

With the area near the lake providing choice sites for homes, Russellville's industrial growth has become centered mainly to the south and east. Russellville Industrial Development Corporation owns 218 acres of industrial parks, complete with utilities. The corporation's major purpose is to provide job opportunities for people choosing to make their home in the Arkansas River Valley. It is apparent that Russellville's community leaders had foresight to see that industrial growth comes to those areas prepared for it and, that local citizens, businesses, existing industries, municipal, county and state governments could cooperate at all levels necessary to put a site package together. This same spirit of cooperation is still alive to help industries have a smooth transition into the industrial parks.

Leisure and Outdoor Recreation

ARTS CENTER

The Arkansas River Valley Arts Center was created by the people of the community to provide classes in the visual and performing arts, programs and performances, and to take musical and theatre performances and art instruction to area schools.

ORGANIZATIONS

Russellville has an abundance of outstanding civic, service, single purpose and cultural clubs, which include Rotary, Kiwanis, Junior Auxiliary, Lions and United Way.

MUSIC

Through the Community Concert Association performances by nationally and internationally famous musical artists are held in Russellville. Tucker Coliseum provides an ideal location for concerts.

Also group of local talented musicians formed a concert band that gives four performances each year. Both the University and public school bands have won many honors and provide musical performances for public enjoyment, as well as the many other small bands in the area who are readily available for a party or charity event.

OUTDOOR RECREATION, LAKES & PARKS

City parks include the City Municipal Park, Veterans Memorial Park, Harmon Park, Circle Drive Park, Hickey Park, James Park and the Northside and Shiloh Community Park.

Facilities available are an olympic-size swimming pool, ball fields, tennis courts, playgrounds, picnic areas, water fountains, and fireplaces. A new and modern community center is located at Russellville Municipal Park and offers a variety of activities for all ages. For additional information contact the Director, City Parks & Recreation, Hughes Community Center, Russellville, AR 72801.

Lake Dardanelle, with a shoreline of 315 miles, furnishes excellent fishing, sailing, boating and skiing. Lake Dardanelle and Ouita State Parks provide camping, covered pavilions, miniature golf, bicycle rentals and a marina with boat rental. Old Post Park, also on Lake Dardanelle, is managed by the Corps of Engineers and has covered pavilions, ball fields and lighted tennis courts. Beautiful Bona Dea Trails and Sanctuary offers 186 acres of ideal habitat for wildlife and nearly 6 miles of winding trails for walking or jogging. Physical fitness equipment is provided at 18 stations along the trail for those seeking more vigorous workout.

Due to the location between the Ozark and Ouachita Mountains, hunting is another sport bountifully enjoyed.

Mount Nebo, Mount Magazine and Petit Jean Mountain are other mountains located nearby which afford similar recreation and park areas and beautiful scenery.

The Holla Bend National Wildlife Refuge containing 6,367 acres is managed as a waterfowl wintering ground by the Bureau of Sport Fisheries and Wildlife. A variety of habitat for birds other than waterfowl is provided with 158 species being sighted there.

The Russellville Country Club, with an excellent 18-hole golf course, affords members and their guests a variety of sports and activities with tennis courts and swimming pool available. There also is a golf course available to the public in Dardanelle.

Arkansas Tech University in Russellville participates in the AIC conference at the NAIA level. Competition includes football, basketball, swimming, baseball, and track. The University of Arkansas games are played in Fayetteville (two hours by car) and Little Rock.

ARKANSAS RIVER

Developed primarily for industry and transporting goods, the Arkansas River also provides recreation and choice home sites. It gives a new dimension to leisure time activity.

NAIA HALL OF FAME INDUCTEES - TRACK AND FIELD DIVISION

FRED BEILE
Doane College NE
Coach

For more than 30 years, Fred Beile has instilled pride, leadership, humility, loyalty and a work ethic among the hundreds of athletes he has coached. Beile has spent the majority of his coaching career at Doane College, Crete, Nebraska, as both an assistant and head coach. He has won a total of 14 Nebraska Intercollegiate Athletic Conference titles, 11 with his men's teams and three with his women's teams, adding 12 NAIA District 11 men's titles. Named NAIA District 11 Coach of the Year seven times, Beile has guided three individuals and one relay team to national titles. A recipient of a 25-year coaching award from the Nebraska Coaches Association, Beile has refereed at NAIA and NCAA meets, including three NAIA championships and relays at Kansas and Duke. He also has conducted several coaches clinics, highlighted by a 1985 series in Liberia and Lesotho, playing host to the African coaches a year later.

DOUGLAS E. HANSEN
Saginaw Valley State College MI
Coach

Noted as an excellent teacher of the fundamentals of his sport, Doug Hansen has spent 20 years coaching track and field, and cross country through the Peace Corps, at high schools and at a pair of Michigan colleges. Currently the mentor at Saginaw Valley State College, Hansen has coached 133 All-Americans and 12 national champions during his 16 years at Saginaw Valley and Hillsdale College. During that time, he has won 27 NAIA District 23 titles, 10 in cross country, seven in indoor track and field and 10 in outdoor, and has been named District 23 Coach of the Year 23 times. As Saginaw Valley's winningest coach, he built a track program which claimed the 1982 and 1983 NAIA Men's Indoor Track and Field Championship titles. In addition to the national titles, 17 of Hansen's teams have finished in the top 10 at NAIA championship events. Internationally, he coached two teams to State of Zulia national titles and trained six Olympians for the 1968 Venezuela team.

KELLY RANKIN
Head Starter
Meritorious Service

Considered one of the premier track and field starters in the world today, Kelly Rankin has served the NAIA for more than 15 years as the official starter for 29 indoor and outdoor championships. Both his knowledge of the intricacies of the starter's position and his dedication to the sport of track and field have led him to be selected as starter for the 1984 Olympics, the National Sports Festival, Olympic Trials, Track Athletic Congress national championships, Big Eight indoor championships and the Kansas Relays. It is said that NAIA track and field championships will continue to be of top quality because of the championship qualities that Rankin possesses and demonstrates to other officials, coaches, athletes and spectators. Rankin is the coordinator of physical education/athletics/health for Vancouver School District #37 in Washington.

THE NAIA IN PERSPECTIVE

The National Association of Intercollegiate Athletics (NAIA) is a completely autonomous association, currently administering programs of intercollegiate athletics to over 500 fully-accredited colleges and universities of moderate enrollment. The fundamental tenet of the NAIA is that intercollegiate athletics is an integral part of the total educational program of the institution. This belief is strongly reflected in the governing documents, activities and organizational structure of the Association.

HISTORY AND PURPOSE

Established in 1940 as the National Association of Intercollegiate Basketball (NAIB), the NAIA emanated from a "National Small College Basketball Tournament" inaugurated in 1937 in Kansas City, Missouri. The conversion of the NAIB to the NAIA came in 1952 when the organization expanded beyond basketball and added national championship events in golf, outdoor track and field and tennis. Football, cross country, baseball and swimming were added to the championship event calendar in 1956, and wrestling (1958), soccer (1959), bowling (1962-78), gymnastics (1964), indoor track and field (1966), ice hockey (1968-84) and volleyball (1969-1980) were later additions.

Of major significance to the NAIA, was the establishment of the women's division within the Association on August 1, 1980. The NAIA decision to offer competitive opportunities and championships to women's athletics was passed by the membership following two years of study and proposals by an ad hoc committee on the implementation of a women's division in the NAIA. Currently, the Association conducts ten championship event programs for women in the sports of basketball, cross country, gymnastics, indoor track and field, outdoor track and field, softball (fast pitch), soccer, swimming, tennis and volleyball.

The initial purpose of the NAIA — to provide national championship athletic opportunities to institutions below the so-called "major" level — has indeed been well served. The Association clearly outlines its own responsibilities and those of its members: a sound athletics program, administered and controlled by those responsible for the administration of the institution. This means direct supervision in caliber of competition, financing of the program and taking steps to assure that financial assistance is made available only through the institution and under the same general policies as aid to all students. In short, the basic premise is that the athletics program is a basic component of the overall educational process and not an entity apart.

ADMINISTRATION

The governing body of the NAIA is the National Executive Committee, composed of ten persons elected by the membership. The Executive Committee is responsible for establishing the policies and determining the overall direction of the Association. The Executive Committee appoints the Executive Director, who conducts the business and day-to-day operation of the National Office headquartered in Kansas City, Missouri. A full time staff of thirteen serves the membership from the National Office.

The District is the basic unit of the NAIA. The Association is organized into 32 geographical districts spread over the 50 states and a part of Canada. Each District is governed by a District Executive Committee, the chief officer of which is the District Chair. The District Executive Committee establishes a program of championship events in various sports and individual/team champions of those district events are qualified to compete in NAIA Area and National Championship competition.

Eligibility rules within the NAIA govern all play in all sports recognized by the Association, not just post-season play. All eligibility guidelines must be adhered to by all members, including those holding dual affiliation with other associations. Certification of eligibility of all NAIA student/athletes is accomplished through a network of individuals which includes the faculty athletics representative of each institution, the District Eligibility Chair, and the National Eligibility Committee.

MEMBERSHIP

Any four-year college or university and upper level two-year institution in the United States and Canada that awards the bachelor's degree or equivalent, may hold active NAIA membership. Active member institutions must be fully accredited by an appropriate accrediting agency or commission.

OBLIGATION OF MEMBERSHIP

Member institutions must conduct their intercollegiate athletics programs with the standards of the regulatory associations in which they hold membership, and the NAIA. They must pay their annual membership dues and be in support of the policies of the NAIA. Where institutional rules and standards are more stringent than those of the regulatory group or the NAIA, those rules and standards of the institution are recognized and supported by the NAIA.

TRACK & FIELD NEWS

After a year off, the incomparable Edwin Moses returned to the track in 1986 and carried on as if he'd never been away. He extended his 400IH streak to more than 100 consecutive victories in finals, and ran the fastest times of the year.

Naturally, *Track & Field News* reported every step of Edwin's remarkable comeback to its readers. In fact, we provide *all* the major news of the sport, along with interviews and profiles on your favorite athletes, action photos, statistical features, and much more.

If you like track, you'll love *Track & Field News*. A one-year subscription is \$22.00 (published monthly). Call us today.
