2 - NAIA Playoff Results -- Cedarville defeated Asbury in first round of Area IV playoffs 2-1 in 12 sudden death overtimes. Cedarville lost 2-0 to Earlham in Area IV finals. Earlham went to national championship tournament and finished 7th by defeating Erskine (S.C.) 2-0. Westmont of California defeated Davis-Elkins of West Virginia 2-1 in overtime to win national championship.

3 - An important date to keep in mind for athletic directors and coaches--The fall meeting of Ohio Soccer Coaches Assn. will be September 23, 1973, at 10:00 AM at Walsh College in Canton, Ohio. Please make every effort to be there as the NAIA schools have a poor attendance record at these meetings. This meeting will explain many of the things we have problems with each year such as officials, all-American voting, rule changes, etc.

4 - Additional report from national soccer tournament and coaches' association. The NAIA national soccer tournament will probably be held during Thanksgiving vacation in 1973. (Nov. 21-24) This means District playoffs must be concluded by November 10. Area playoffs must be concluded by November 17. This could have some effect on your scheduling; please note and adjust your schedule accordingly.

Also, the District soccer committee will be getting together in the near future to draw up a definite proposal for the playoffs. If you have any suggestions, please write me or one of the committee members--John Lewang (Malone), Jerry Fisch (Wilmington)

5 - Scheduling--I hope the proposed schedule worked out well with everyone. I have not had any negative correspondence so I will assume everyone is set for next year.

Thank you for your cooperation in voting, etc, and helping get our district squared away. See you all in the fall.
