NAIA MEN'S HIGH JUMP CHAMP – KEVIN CARLSON, SO. CAL COLLEGE "I'm not going to knock a national championship, and even though this is the best joy of my life, it's disappointing to win with a jump of 7-0 1/2. I've had 9 or 10 attempts this year at 7-4 1/2 (Olympic Trails qualifying mark) meaning I've consistently cleared 7-2 and 7-3. I came down with a head cold on Thursday and I was somewhat physically drained but I gave it all I had on the last jump (7-3 1/4, attempt at an NAIA record). Getting to the trials was a secondary goal for me. I'm getting married that weekend anyway. But to come so close (his third attempt at 7-3 1/4 barely missed) . . . I'd rather floor it than come that close. (on becoming SCC's first national champion since 1974) "I'm proud of that. They (SCC) are not known as a track school. But I think with me and my brother (Brian) being there, they're getting better. Better athletes are coming in the program over the past few years."
