Surrendering of Hands

This solemn ceremony is a time where family members will pray for each student as they go into the world to use their hands to impact others for God's glory.

But you, take courage! Do not let your hands be weak, for your work shall be rewarded. – 2 Chronicles 15:7 (ESV)

Class of 2018 Verse

You keep him in perfect peace whose mind is stayed on you, because he trusts in you. Trust in the Lord forever, for the Lord God is an everlasting rock. – Isaiah 26:3–4 (ESV)

The School of Nursing humbly thanks our very generous donors who support Cedarville University and the School of Nursing.

BSN Organizations

Nursing Honor Society (NHS)

NHS is comprised of junior and senior students whose grades rank in the top 35 percent of their class. Induction into this organization signifies academic excellence and provides unique opportunities to participate in academic enrichment, networking events, and professional development. From its initial launch in 2016, the organization has grown to induce and maintain approximately 50 members annually. NHS plans to become an official charter under the acclaimed research organization, Sigma Theta Tau International (STTI).

Student Nurses Association (SNA)

The mission of the SNA is to promote community in School of Nursing (SON), represent the SON student body, and serve others through the ministry of nursing. In fulfilling that mission, members of SNA seek to provide and participate in mentorship opportunities and arrange student-planned events, act as a liaison between the nursing student body and the SON faculty and staff, and collaborate with health professionals to serve the local community through health-promoting events.
