Class of 2019 Verse

But, speaking the truth in love, may grow up in all things into Him who is the head – Christ – from whom the whole body, joined and knit together by what every joint supplies, according to the effective working by which every part does its share, causes growth of the body for the edifying of itself in love – Ephesians 4:15-16

BSN Organizations

Nursing Honor Society (NHS)

NHS is comprised of junior and senior students whose grades rank in the top 35 percent of their class. Induction into this organization signifies academic excellence and provides unique opportunities to participate in academic enrichment, networking events, and professional development. From its initial launch in 2016, the organization has grown to induce and maintain approximately 50 members annually. NHS plans to become an official charter under the acclaimed research organization, Sigma Theta Tau International (STTI).

Student Nurses Association (SNA)

The mission of the SNA is to promote community in School of Nursing (SON), represent the SON student body, and serve others through the ministry of nursing. In fulfilling that mission, members of SNA seek to provide and participate in mentorship opportunities and arrange student-planned events, act as a liaison between the nursing student body and the SON faculty and staff, and collaborate with health professionals to serve the local community through health-promoting events.

The School of Nursing humbly thanks our very generous donors who support Cedarville University and the School of Nursing.
