Class of 2021 Verse

But as for you, brethren, do not grow weary in doing good. ... Now may the Lord of peace Himself give you peace always in every way. The Lord be with you all. – 2 Thessalonians 3:13, 16

Each academic year, Dr. Mickle chooses a theme for the School of Nursing. This year the theme is “**Patience,**” and the song she chose is “*While I’m Waiting*” by John Waller. This song encourages us not just to wait, but to serve God in the waiting.

Romans 12:12 – “... rejoicing in hope, patient in tribulation, continuing steadfastly in prayer.”

BSN Organizations

Nursing Honor Society (NHS)

NHS is comprised of junior and senior students whose grades rank in the top 35 percent of their class. Inductions into the organization signifies academic excellence and provides unique opportunities to participate in academic enrichment, networking events, and professional development. From its initial launch in 2016, the organization has grown to induce and maintain approximately 50 members annually. NHS plans to become an official charter under the acclaimed research organization, Sigma Theta Tau International (STTI).

Student Nurses Association (SNA)

The mission of SNA is to promote community in the School of Nursing (SON), represent the SON student body, and serve others through the ministry of nursing. In fulfilling that mission, members of SNA seek to provide and participate in mentorship opportunities and arrange student-planned events, act as a liaison between the nursing student body and the SON faculty and staff, and collaborate with health professionals to serve the local community through health-promoting events.
