The 1993 NAIA Outdoor Track & Field Championship program is a production of the Simon Fraser University Sports Information Office. It was designed and edited by Bill Roe and Jeff Van Kleeck, Western Washington University. Additional assistance provided by the Sports Information Offices at Western Washington University, Tarleton State University, and the NAIA. The cover design is by Technographics. Printed at Top Printing Centre.

Welcome to the 1993 Championships

As Premier of British Columbia, I am very pleased to extend warm greetings to the teams, coaching staffs, and guests from across the United States who are gathered at Matsqui/Abbotsford for the 42nd Men's and 13th Women's National Association of Intercollegiate Athletics Track & Field Championships hosted by Simon Fraser University.

As the Simon Fraser track & field squad is the only Canadian team participating in the championships, it is a special pleasure for British Columbia to play host for a second year to the visiting teams from all across the United States. I hope that you will be able to take some time to enjoy the Matsqui and Abbotsford area, our friendly B.C. hospitality, and the province's magnificent scenery.

On behalf of the people and government of British Columbia, it gives me great pleasure to convey my good wishes to all teams for an exciting and successful championships.

Mike Harcourt
Premier, Province of British Columbia

On behalf of the Council and the 70,000 residents of the District of Matsqui, I take great pleasure in extending a warmhearted welcome to all participating athletes and visitors to the 42nd Men's and 13th Women's NAIA National Track & Field Championships. Matsqui is delighted at the opportunity to host the largest collegiate track meet in the world for a second year.

I hope that every visitor and participant will take home fond memories of a great event and the warm hospitality of our community. Best wishes to all competitors, and a special word of appreciation to the volunteers and organizers who have made this event a reality.

Dave Kandal
Mayor of the District of Matsqui

On behalf of the Council and the residents of the District of Abbotsford, I am pleased to welcome all participants in the NAIA National Track & Field Championships to be held in Abbotsford Rotary Stadium.

We are delighted that our community has been chosen to host this prestigious event for a second year and hopeful that we will have the opportunity to see performances from very talented athletes. Our best wishes go out to each and every competitor as they strive to achieve a personal best, and trust that you will take home many good memories of a very enjoyable visit to the beautiful Fraser Valley.

George F. Ferguson
Mayor of the District of Abbotsford

Welcome to the 1993 Championships

It is with great pleasure that I welcome all student-athletes, coaches, and spectators to the 1993 NAIA National Men's and Women's Outdoor Track & Field Championships held at Rotary Stadium and hosted by Simon Fraser University.

The NAIA is fortunate and certainly appreciative to have the enthusiastic support of Simon Fraser University and the local NAIA games committee and their respective staffs.

As an association, the NAIA serves the student-athletes at our member colleges and universities by creating for them an environment in which they can succeed academically as well as athletically. This association of more than 400 member institutions has found a distinctiveness in academic standards. This foundation is at the base of the NAIA strongest belief that athletics is an integral part of the total educational program of an institution.

Further, any action taken on the part of the association is done to ensure that our student-athletes reach two goals at the end of their athletic careers. The first goal is the attainment of a college degree, and the second is the satisfaction of competing to the highest level of their athletic ability.

Congratulations and best of luck to all student-athletes competing at this year's national outdoor track & field championships.

James R. Chasteen
NAIA President and Chief Executive Officer

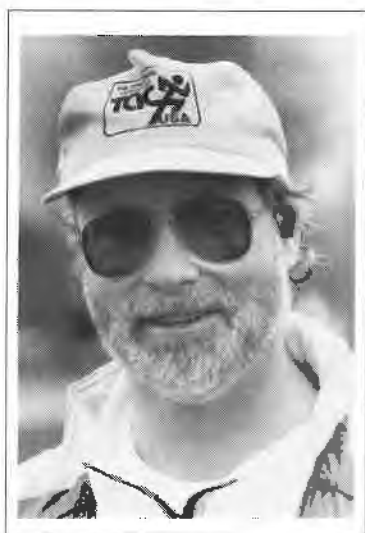

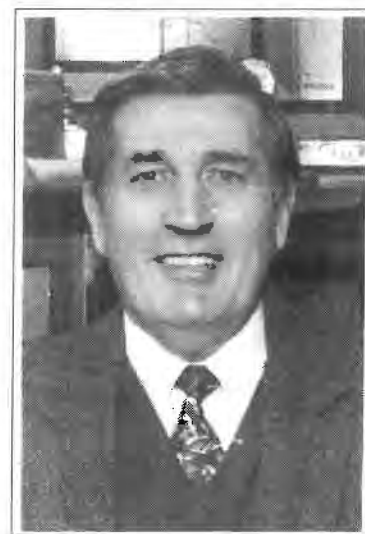

On behalf of Simon Fraser University, it gives me great pleasure to welcome all the athletes, coaches, officials, and fans to the 1993 NAIA National Outdoor Track & Field Championships.

Since it was announced that the National Championships would be returning to Rotary Stadium, the reception that the organizing committee has received from members of the Matsqui/Abbotsford community has been outstanding and we would like to thank each and every one of them for their efforts.

Thanks to the support of companies like the Fraser Valley Credit Union, Reebok, Re/Max Realty, and many others, the NAIA National Championships will once again be a truly outstanding and memorable event. In addition, the countless hours put forth by the volunteers and staff should not go unnoticed.

We are proud to once again host the NAIA championships and look forward to sharing our great Canadian hospitality and beautiful West Coast lifestyle. Congratulations to all of the competitors and best of luck in the days ahead.

W. Lorne Davies
Director of Athletics and Recreation, Simon Fraser University

Track & field has been a part of my life for 28 of my 42 years, but never as much so as in the past months leading up to these 1993 outdoor championships. If I thought the year prior to the first meet was a busy one, the past year has exceeded it. After going through the staging of this meet once, we are busy applying what we learned. I hope we can pass it on to future hosts to save them the confusion of the "first year blues."

I am assisted by an able staff of Simon Fraser, Western Washington University, B.C. Athletics, and Pacific Northwest Track & Field (Western Washington) officials and volunteers. Without their efforts, we would not be able to present this meet to you. Please make it a point to thank one of these volunteers each day. Their contributions should not go unrewarded.

If there is anything I or my staff can do to assist any coach, athlete, trainer, or visitor to the Matsqui-Abbotsford area during your stay, don't hesitate to ask.

Bill Roe, Meet Director

1993 Championship Preview & Features

The End Of An Era

By Farhan Lalji

Saturday, May 22nd will mark the end of an era for NAIA track and field enthusiasts as Kim Vanderhoek, Kendall Matheson, and a number of other Simon Fraser athletes will compete in the National Outdoor Championships for the final time.

Vanderhoek, the two-time defending NAIA National Champion and record holder in the heptathlon, has her sights on the 1993 World Track and Field Championships in Stuttgart, Germany. She needs to improve her personal best score of 5935 by only 15 points in order to reach the qualifying standard of 5950. Earlier this year, Vanderhoek posted a top-ten finish at the World Indoor Track and Field Championships in Toronto.

District 1 opponents will be happy to see the last of the pair as they have won 34 individual and relay championships between them. Two weeks ago in Ellensburg, WA, Vanderhoek, Matheson and fellow senior Michaela Colluney led the Clan to their 4th straight District 1 title despite competing with only 9 athletes. Vanderhoek and Colluney shared Outstanding Female Performer honors.

"Athletes like this don't come along very often," says Simon Fraser Head Coach Zenon Smiechowski. "They are extremely versatile and gifted individuals who have made an invaluable contribution to our program."

But wait, they're not done yet. There's still one more order of business that is still to come. And the Clan seniors would like nothing better than to finish their careers on the hill with a shot at an NAIA National Team Title.

Vanderhoek looks untouchable in her quest for a third straight National title in the heptathlon. In fact, if anyone is capable of pushing the queen of the multi-events, Matheson, her teammate and training partner just might fit the bill after placing second in 1992.

"We'll see," said Matheson with a slight grin. "Kim and I always push each other and I think we've been able to take the level of the heptathlon in the NAIA up a step. But it's the relays I look forward to the most because that's when it (track and field) really becomes a team sport."

Looking back on their careers, it is these very team goals that appear to have motivated most of the Clan seniors. "The program has been great to us," said Vanderhoek, the Outstanding Female Performer at the 1992 NAIA National Indoor Championships. "The school has supported us and allowed us to compete at a very high level of competition, so our success as a team means alot."

"It has been very satisfying," agrees Matheson, who also earned All-District honors in women's soccer. "The program allows us to travel, experience different cultures, meet new people and compete in an outstanding meet (NAIA Nationals)."

Look for Vanderhoek, Matheson, Colluney, and the rest of the

senior-laden Clan to make the most of their final opportunity to compete in the NAIA Outdoor Championships. In addition to the heptathlon and 3 relays, Vanderhoek will compete in the high jump, long jump, javelin and shot put, before heading to Austria to take part in an international meet one week later.

Matheson is also slated to compete in three relays, along with the long jump and 200 meters, while Colluney will add three relays to her 100 and 400 meter hurdle events. It should make for an exhausting weekend and one that the fans at Rotary Stadium will not soon forget.

And let's not forget seniors Lara Leitch and Lisa Thiele who will also compete at Nationals for the final time. In March, Leitch won the NAIA National Indoor title in the mile and will challenge for the 800 meter title this weekend. She was also a member of two

National title winning relay teams and will compete in the 4x400 meter relay.

Thiele, a guide at the Paralympics in Barcelona last summer, will compete in the 4x100 and sprint medley relays. She helped lead both relay teams last year to silver medal winning performances and has been on numerous All-American and National Championship relay teams during her career.

The men's team also boasts four outstanding graduating seniors including All-Americans Mark Bomba and Peter Cardle. Bomba won the District 1 1500 meter title two weeks ago and is a two-time All-American in the event. In 1992 he also won the District 1 800 meter title and was an indoor All-American in 1992.

Cardle won the 1991 District 1 5000 meter championship and would earn All-American

honors at Nationals that season. He placed 4th in the mile at this year's indoor championships and finished second in the 5000 meters at the District 1 Championships this season. Both Bomba and Cardle have come back from serious foot injuries to close out their careers in fine fashion.

"Both Peter and Mark are running as well as they ever have heading into Nationals," said middle distance coach Mike Lonergan. "They have both worked extremely hard to make complete recoveries and are a great asset to our program."

Distance runners Shaun King and Barry Foster bring the Clan's senior count to nine, and leave Smiechowski and Lonergan with a difficult rebuilding task for the coming fall. But the Clan's brain trust prefers to enjoy the time they have left with their athletes this weekend.

"We're not going to think about it until the meet is over," said Smiechowski. "If we think about it even for a split second, they might do something spectacular and we wouldn't want to miss it now would we?"

Michaela Colluney

1993 Championship Preview & Features

The World's Best Are Back

British Columbia's Rotary Stadium seems like an unlikely stop between Barcelona, Spain and Stuttgart, Germany, but that's exactly the travel itinerary that many of the world's best athletes have taken since the 1992 Olympic Games. Next stop: this weekend's NAIA National Championships, and in August, the World Track and Field Championships in Germany.

The Olympic contingent in Matsqui-Abbotsford will be led by none other than Davidson Ezinwa from Azusa Pacific University. Ezinwa had a storybook season in 1992 which began with an NAIA Indoor Championship in a world's best time of 6.12, a time he shared with his twin brother Osmond thus dubbing the duo "the world's fastest twins."

From there Ezinwa would run the fastest time in the world in 1992, a 9.91 at the Azusa Meet of Champions in April, the third fastest time in history. One week later he showed the world that he was indeed for real by knocking off world record holder Carl Lewis at the prestigious Mt. SAC Relays.

Then it was off to the 1992 NAIA National Championships at Rotary Stadium for a pair of National titles in the 100 and 200 meters, a performance worthy of Outstanding Male Athlete honors. His time of 10.05 was the fastest ever time ever run in Canada and established a new NAIA record.

The final stop of the season for the Ezinwa twins was the Olympic Games in Barcelona, Spain where Davidson would qualify for the final in the 100 meters. In the 4x100 relay, both Davidson and Osmond would earn silver medals for Nigeria, finishing behind a world record performance from the U.S. team. This past February, Davidson successfully defended his NAIA National indoor title.

"We're very glad that both Davidson and Osmond decided to return to school to complete their eligibility," said Azusa assistant coach Kevin Reed. "In terms of overall fitness, they are much farther ahead than they were last season and should peak in time for the World Championships."

The Ezinwas were not the only current NAIA athletes turning heads in Barcelona. Deon Hemmings of Central State (OH), the Caribbean and Central American champion and record holder in the 400 meter hurdles, set the NAIA record in the event at last year's championships. She would finish the season in the finals of the 400 meter hurdles in Barcelona while

Davidson Ezinwa

representing Jamaica. At the World Indoor Championships in Toronto this past March, Hemmings participated in the 4x400 meter relay team which won a silver medal.

Trinidad's Neil DeSilva competed for Wayland Baptist University (TX) at the 1992 NAIA Championships, but will don the maroon and gold of Central State this weekend. In between, he earned a berth in the finals of the 4x400 meter relay and the semi finals of the 200 meters in Barcelona. In March, the same 4x400 team placed second at the World Indoor Championships.

Among the top newcomers to the NAIA Championships is Tigest Moreda of Ethiopia.

Moreda, a freshman at Wayland Baptist University (TX), burst on to the national scene in March by winning the 2 mile and 3 mile events at the NAIA Indoor Championships and earned Outstanding Female Athlete honors in the process.

Moreda is no stranger to international competition however, as she qualified for the final of the 10,000 meters at the Olympics in Barcelona. She has also competed in the Ekerden Relays in Tokyo, World Cross Country Championships in Boston, and the International Mini-Marathon in New York. Her personal best time on 31:49.70, run in Helsinki, Finland, ranks her in the Track and Field News Top 25 (in the world) list.

"I have known several world-class athletes," said Wayland Baptist Head Coach Rick Beelby. "And every one I've ever known has had a certain type of personality — very sweet-spirited, considerate and unselfish. Tigest is that type of person. She has a tremendous burden on her shoulders being away from home here in the U.S. and is doing extremely well."

As Moreda and a new crop of bright young stars move in to the NAIA spotlight, athletes such as Benjamin Koech of Azusa Pacific move on. Koech won the long jump and placed second in the triple jump at last year's nationals before taking part in the long jump in Barcelona. In 1993, Koech returns to Rotary Stadium as an assistant coach to ten-time NAIA National Coach of the Year Dr. Terry Franson at Azusa.

"It's great to have all these athletes here," said Simon Fraser Head Coach Zenon Smiechowski. "It speaks volumes for the level of competition in the NAIA year in and year out. The fans in the area will get a chance to see many athletes who will become household names in track and field in the years to come."

**There's nothing like a McDonald's
 pizza after the Big Game!**

INTRODUCING

**Win or Lose,
 One Thing's
 the Same:**

FRESH, OVEN-BAKED

IT'S TRUE. McDONALD'S SERVES PIZZA!

Now you can enjoy the great taste of pizza at McDonald's all across Canada. Our new pizzas are fresh, oven-baked, hand topped with our own special selection of fine ingredients. And because we think you shouldn't have to wait for great pizza, our revolutionary oven will have it to you in under five minutes.

Welcome all competitors and fans to the N.A.I.A. Track Meet.

We hope you enjoy your visit to Canada and invite you to stop at the Aldergrove or Huntingdon Duty Free shop on your way home. We offer savings on a large selection of Canadian and Imported Souvenir items, T-Shirts, Sweat Shirts, Fragrances, as well as the traditional duty free goods.

You will also be able to claim a rebate of the Goods and Services Tax charged on your short term accommodations and certain merchandise you take home. To obtain a rebate you must have your original dated receipts and proof of citizenship. Credit card slips are not acceptable.

Congratulations on a successful track meet and have a safe journey home. From the friendly people at Aldergrove and Huntingdon Duty Free Shops.

The NAIA – Providing Balanced Athletics Programs for More Than 65,000 Student-Athletes

OVERVIEW

Throughout its history, the National Association of Intercollegiate Athletics (NAIA) has provided strong leadership for all aspects of intercollegiate sports. Since its introduction of intercollegiate championship basketball in 1937, the NAIA has maintained the highest standards while administering first-rate athletics programs.

Time and time again, the NAIA has stepped forward to address the important issues of the day — be it racial integration in the '40s and '50s or establishing the first women's championship program in 1980. The NAIA has not been afraid to enact changes while others have watched and waited.

In the past decade, presidents of the NAIA colleges and universities have assumed a position of responsible leadership. The NAIA's Council of Presidents, the organization's primary governing body, is comprised of 32 college and university presidents from all regions of the United States.

With its major emphasis on educational development, it was natural for the NAIA to further strengthen academic eligibility requirements in the mid-'80s. All NAIA participating student-athletes must maintain a certain grade-point-average (GPA) while accumulating credit hours for a declared academic degree. Unlike other associations, NAIA student-athlete academic eligibility is monitored on a semester-by-semester basis.

The All-America Scholar-Athlete program, a long-standing NAIA tradition, recognizes junior and senior student-athletes with a minimum cumulative GPA of 3.5 (on a 4.0 scale). This past year, nearly 600 NAIA student-athletes were so honored, representing 220 member institutions.

Since 1937, the NAIA has administered athletics programs and championships in proper balance with the overall collegiate educational experience. Serving higher education in this manner is a responsibility the NAIA does not take lightly. It is a relationship built on confidence and trust — a relationship strengthened year after year. The future of 65,000 young people is too important to handle any other way.

**THE FUN WAY TO
 EAT HEALTHY!!
 EVERYTHING IS
 FRESH AND
 WE GUARANTEE
 NO MSG ADDED**

**1881 SUMAS WAY
 ABBOTSFORD**
 Across from McDonalds in the
 newly renovated Welcome Inn

852-2808

A new and unique concept in dining out, we offer delicious, healthy food in a bright, cheery atmosphere.

Yes, we have stir fry dishes aplenty but we also have chicken and ribs and awesome salads plus much much more including absolutely deluxe chicken and hamburger sandwiches.

As a bonus, all menu items are priced under \$10.00.

We expect your business to grow.

**That's why we designed a copier that can keep up.
Minolta's EP 5420 Pro Series Copier.**

Minolta's EP 5420 Pro Series Copier is designed for growth. Start with the basic system that gives you zoom, memory, three 500-sheet front-loading drawers, auto tray switching, and a fast 42 copies per minute.

Then add the automatic document feeder to handle big jobs. Choose the 10-bin sorter. Or the 20-bin stapler/sorter.

Add the extra 2,000-sheet paper cassette. And two-sided copying to save paper and filing space.

PRO SERIES

This Pro Series Copier can make you as productive as you need to be. See your Minolta dealer, and design the EP 5420 copier that's exactly right for your business today. And tomorrow.

If you're in the market for turf, grounds maintenance, or utility vehicles, take a look at the Kawasaki line-up of Mules. Count on **Kawasaki** to deliver years of power, performance, and dependability . . . with four different models that can handle any job you throw at them.

From our feisty Mule 500, right-on-up to our Mule 2510 with full-time, four wheel drive, Kawasaki builds utility vehicles that are as hard-working and serious about getting the job done as you are.
